He Won't Limp Now.

No more limping for Tom Moore of my town. He had been so bad on my horse that nothing seemed to help till I used Bucklen's Arnica Salve," he writes, "but this wonderful healer soon cured me." Heals old, running sores, ulcers, boils, burns, cuts, bruises, eczema or piles. Try it. Only 25 cents at all druggists.

SAVED FROM AN OPERATION

How Mrs. Reed of Peoria, Ill., Escaped The Surgeon's Knife.

Peoria, Ill.—"I wish to let every one know what Lydia E. Pinkham's Vegetable Compound has done for me. For two years I suffered. The doctor said I had a tumor and the only remedy was the surgeon's knife. My mother bought me Lydia E. Pinkham's Vegetable Compound, and today I am a well and healthy woman. For months I suffered from inflammation, and your Sanative Wash relieved me. I am glad to tell anyone what your medicines have done for me. You can use my testimonial in any way you wish, and I will be glad to answer letters."—Mrs. CHRISTINA REED, 105 Mound St., Peoria, Ill.

Mrs. Lynch Also Avoided Operation.

Jessup, Pa.—"After the birth of my fourth child, I had severe organic inflammation. I would have such terrible pains that it did not seem as though I could stand it. This kept up for three long months, until two doctors decided that an operation was needed. "Then one of my friends recommended Lydia E. Pinkham's Vegetable Compound and after taking it for two months I was a well woman."—Mrs. JOSEPH A. LYNCH, Jessup, Pa.
Women who suffer from female ills should try Lydia E. Pinkham's Vegetable Compound, one of the most successful remedies the world has ever known, before submitting to a surgical operation.

Got Eight Years For "Cursing" The Judge

A man who had been sentenced to two years in the penitentiary for cursing Judge Lamb, had his sentence increased five years.
"I don't give a damn if you make it ten, Judge," Golden retorted.
"Mr. Clerk," said the court, "I sentence the prisoner to ten years in the penitentiary."

Many sufferers from rheumatism have been surprised and delighted with the prompt relief afforded by applying Chamberlain's Liniment. Not one case of rheumatism in ten requires any internal treatment whatever. This liniment is for sale by all dealers.

Berry-Cupstid.

On Sunday, February 25, at the residence of the bride in Pelion, Mrs. Leah Berry and Mr. J. H. Cupstid were quietly married, the Rev. J. J. Myers, pastor of the bride, performing the ceremony.

Nineteen Miles a Second

Without a jar, shock or disturbance, is the awful speed of our earth through space. We wonder at such ease of nature's movement, and so do those who take Dr. King's New Life Pills. No griping, no distress, just thorough work that brings good health and fine feelings. 25c at all druggists.

Ira B. Hurt, a young white man, with a wife and one child, was shot and killed in Columbia by Robert O. Thackham, a magistrate's constable, while trying to escape on his way to jail, just after a plea of guilty of breach of trust.

From Gilbert No. 2.

To the Editor of The Dispatch:
The weather seems to continue wet. The roads are no longer roads, but a mud puddle from one end to the other. Spring is making the little buds grow and soon the orchards will be beautiful with plum and peach bloom. Many have been disappointed in the action of some of our leading men's setting aside the steel bridge over the S. Lada. Quarreling does not benefit, nor saying bad things help the cause. What we want is a good, substantial bridge across the Saluda some where near Amick's ferry.

Rev. E. O. Witt preached us a fine sermon on the new birth last Sunday, at Mt. Pleasant. Rarely such a sermon is heard and those who missed hearing this one certainly missed a spiritual treat.

We hope the committee which is to decide on the location of the female college on the 5th of March will find a suitable place in Lexington county. Let us have a college for our girls and as the majority of the members of the committee is in the county and the question first sprang from Lexington, the county is due it and will get it.

We are very sorry to know of the illness of Mr. and Mrs. Frank W. Shealy and trust they may soon be restored to their usual good health.

We also regret very much that measles have taken such a stronghold in the Verona section. Several families are quiet ill therefrom.

It is very pleasant to have a working arrangement between the Hollow Creek and Delmar Telephone lines. There are many who are deeply interested in the matter and should, therefore, be closely bound together.

John Crump, foreman in the Hamer cotton mills in Dillon, shot and killed William Johnson, an operative, on Saturday. The trouble, it is said, arose because the foreman changed Johnson's wife from one kind of work to another, which Johnson did not like.

Stops Lameness

Sloan's Liniment is a reliable remedy for any kind of horse lameness. Will kill the growth of spavin, curb or splint, absorb enlargements, and is excellent for sweeny, fistula and thrush.

Here's Proof.
"I used Sloan's Liniment on a mule for high lameness, and cured her. I am never without a bottle of your liniment; I have bought more of it than any other remedy for pains."
"Sloan's Liniment is the best made. I have removed very large shoe boils off a horse with it. I have killed a quarter crack on a mare that was awfully bad. I have also healed raw, sore necks on three horses. I have healed grass heel on a mare that could hardly walk."
ANTHONY G. HIRSH, Oakland, Pa., Route No. 2.

SLOAN'S LINIMENT

is good for all farm stock.
"My hogs had hog cholera three days before we got your liniment, which I was advised to try. I have used it now for three days and my hogs are almost well. One hog died before I got the liniment, but I have not lost any since."

WITH POTASH TOBACCO WITHOUT POTASH

No crop gives better returns for using the right kind of fertilizer than does tobacco.
POTASH
Both quantity and quality are improved by properly balanced fertilizers containing Potash in the form of Sulfate—Muriate and Kainit will not do. The amount of Sulfate of Potash should be from 200 to 250 pounds per acre. This would mean 1000 to 1250 pounds per acre of 4-5-10 goods.
Many so-called "tobacco fertilizers" are merely ordinary, general-purpose mixed goods, containing chlorides which injure the quality of the leaf. Insist on goods free from chlorides and containing 10 to 12 per cent. Potash, or supplement the manure with 300 to 400 pounds acid phosphate and 200 to 250 pounds Sulfate of Potash.
