

## Women!

If weak, you need Cardui, the woman's tonic. Cardui is made from gentle herbs, acts in a natural manner, and has no bad results, as some of the strong drugs sometimes used. As a medicine—a tonic—for weak, tired, worn-out women, Cardui has been a popular success for over 50 years.

**The Woman's Tonic**

Mrs. Lula Walden, of Gramlin, S. C., followed this advice. Read her letter: "I was so weak, when I first began to take Cardui, that it tired me to walk just a little. Now, I can do all the general housework, for a family of 9." Try Cardui for your troubles. It may be the very remedy you need.

### Sorrows of Werther.

Werther had a love for Charlotte  
Such as words could never utter;  
Would you know how first he met her?  
She was cutting bread and butter.

Charlotte was a married lady,  
And a moral man was Werther,  
And for all the wealth of Indies  
Would do nothing for to hurt her.

So he sighed and pined and ogled,  
And his passion boiled and bubbled,  
Till he blew his silly brains out,  
And no more was by it troubled.

Charlotte, having seen his body  
Borne before on a shutter,  
Like a well conducted person,  
Went on cutting bread and butter.  
—Thackeray.

If a man has never been fooled by a woman it's because he isn't worth the effort.

### Helped Keep Down Expenses.

Mrs. J. E. Henry, Akron, Mich., tells how she did so: "I was bothered with my kidneys and had to go nearly double. I tried a sample of Foley Kidney Pills and they did me so much good that I bought a bottle and feel that they saved me big doctors' bill."

# Uric Acid, Gout, Etc.

yield to MILAM when all else fail

The Milam Medicine Co., Inc.,  
Danville, Va.

Gentlemen:—  
It gives me pleasure to tell you how much good your "Milam" has done me. I have had more or less uric acid trouble for ten or fifteen years, and at times I had attacks of rheumatic gout that were not only excruciatingly painful, but that laid me up in bed for a week at a time. I used everything the doctors recommended, but obtained only a little relief. Last May, I was so fortunate as to try Milam, and having procured through you a case of a half a dozen, I used it faithfully. I cannot tell you what relief it has given me. It may be too soon for me to claim a permanent cure, but I mean to keep up the treatment, feel glad to think I have found a thing to free me from my great suffering, and enable me to keep up my work in comfort. If all your patients have my experience, you will not have to refund much money.

Very respectfully yours,  
*W. W. Royall*

### Errors By Applicants.

There have recently come to our attention several rather interesting statements by applicants as to their family history. The following will be of interest to our agents. These statements, made by applicants for life insurance, are from the British Medical Journal:

"Mother died in infancy."  
"Father went to bed feeling well, and the next morning woke up dead."  
"Grandfather died suddenly at the age of 103. Up to this time he bid fair to reach a ripe old age."  
"Applicant does not know anything about maternal posterity, except that they died at an advanced age."  
"Applicant has never been fatally sick."  
"Applicant does not know cause of mother's death, but states that she fully recovered from her last illness."  
"Father died suddenly; nothing serious."  
"Applicant's brother, who was an infant, died when he was a mere child."  
"Grandfather died from gunshot wound, caused by an arrow, shot by an Indian."  
"Applicant's fraternal parents died when he was a child."  
"Mother's last illness was caused from chronic rheumatism, but she was cured before death."

### Glasses Wanted.

Some men are born with perfect sight, But cannot tell the wrong from right. Some men are born with perfect hands, But use their skill in sifting sands. Some men are born with frames so strong That they could move a train along. But use their strength in catching flies Or tramping down the railroad ties.

Some men are intellectual kings, But use their wits in muddling things. Some men have brains enough to burn, But use them up in idle scorn. Some men are smart at figuring out, But when it comes to action—shout. Oh, what a lot the world would gain, If we had glasses for the brain!

### A Stanza On Freedom.

They are slaves who fear to speak  
For the fallen and the weak;  
They are slaves who will not choose  
Hatred, scoffing and abuse.

Rather than in silence shrink  
From the truth they needs must think;  
They are slaves who dare not be  
In the right with two or three.  
—James Russell Lowell.

### Tangier Island.

Where the People Do Without Jails, Lawyers, Horses and Cows.

There is a little island in Chesapeake bay, 125 miles South of Baltimore, where the world has stood still for more than a hundred years. Tangier island is five miles long and much less than a mile wide, but more than 1,500 people live on it. There is only one street, nine feet wide, without side walks, and the houses are all built along this street with narrow canals of the deep water of the bay between each two houses. There is only one church, presided over by a Methodist minister, and only one doctor, and there is no cemetery, the dead of each family being buried in the yard. There is no newspaper, no jail, no lockup and no lawyers nor any need for them. Everybody is deeply religious, and profanity is punished with a fine imposed by the deacon of the church.

The men go fishing and crabbing in sailboats early on Monday mornings and do not come home until Saturdays, when they have marketed their sea harvests in town on the mainland. There are no gardens, no horses or cows, but plenty of chickens are raised. Fuel is supplied to the islanders by sloops, which come every month or so loaded with wood and anchor off Tangier, sending small boats piled with cordwood and kindlings to every house by means of the little canals. The women wear sunponnets and go barefooted, and there is an organ in nearly every home. Tangier was first settled by white people in 1666 and before that time was occupied by the Indians.

Mrs. Lela Love, wife of Wiley Love, a farmer living near Covena, Ga., says "I have taken Foley Kidney Pills and find them to be all you claim for them. They gave me almost instant relief when my kidneys were sluggish and inactive. I can cheerfully recommend them to all sufferers from kidney troubles." Kaufmann Drug Co.

### My Prayer.

If there be some weaker one,  
Give me strength to help him on;  
If a blinder soul there be,  
Let me guide him nearer Thee.  
Make my mortal dreams come true  
With the work I fain would do;  
Clothe with life the weak intent;  
Let me be the thing I meant.  
Let me find in Thy employ  
Peace that dearer is than joy;  
Out of self to love be led,  
And to heaven acclimated,  
Until all things sweet and good  
Seem my nature's habitude.  
—John G. Whittier.

### When Buying, Buy the Best.

Costs No More But Gives The Best Results.

H. L. Blomquist, Esdaile, Wis., says his wife considers Foley's Honey and Tar Compound the best cough cure on the market. "She has tried various kinds but Foley's gives the best result of all." Kaufmann Drug Co.

### Boy's Head Torn From Body.

Lumberton, N. C., June 13.—Charles Laughton, the ten-year-old son of an operative, was instantly killed here today, when his head was torn from his body by a revolving shaft. The boy threw a rope, which was fastened around his neck, over the shaft in the Dresden Cotton Mill, and was decapitated before assistance could reach him.

When your child has whooping cough be careful to keep the cough loose and expectoration easy by giving Chamberlain's Cough Remedy as may be required. This remedy will also liquify the tough mucus and make it easier to expectorate. It has been used successfully in many epidemics and is safe and sure. For sale by all dealers.

A negro boy eight years old, while picking blackberries, was bitten by a rattlesnake on Saturday in Clarendon county and died in six hours afterwards.

### Move On Now!

says a policeman to a street crowd, and whacks heads if it don't. "Move on now," says the big, harsh mineral pills to bowel congestion and suffering follows. Dr. King's New Life Pills don't bulldoze the bowels. They gently persuade them to right action, and health follows. 25c at The Kaufmann Drug Co.

The seed house of the Southern Cotton Oil company in Columbia was burned down at 11:30 o'clock Wednesday night, destroying property valued at \$10,000 or \$50,000.

### Jumps Six Stories, Dead.

New York, June 13.—Bertha Kininsky, a young girl, bent on suicide, today jumped from a six-story building in Brooklyn. She landed on her feet, and, although her back was broken, she walked some distance before she dropped unconscious. Miss Kininsky was taken to the hospital, where she died a few minutes later.

An examination showed that the patient had died from a broken back. It is said the girl killed herself because her sweetheart, said to be a Brooklyn youth of good family, had gone away a short time ago and failed to write.
