**WHERE DOCTORS FAILED TO HELP**

**Lydia E. Pinkham's Vegetable Compound Restored Mrs. Green's Health—Her Own Statement.**

Covington, Mo.—"Your medicine has done me more good than all the doctor's medicines. At every monthly period I had to stay in bed four days because of hemorrhages, and my back was so weak I could hardly walk. I have been taking Lydia E. Pinkham's Vegetable Compound and now I can stay up and do my work. I think it is the best medicine on earth for women."  
—Mrs. JENNIE GREEN, Covington, Mo.

**How Mrs. Cline Avoided Operation.**

Brownsville, Ind.—"I can say that Lydia E. Pinkham's Vegetable Compound has done me more good than anything else. One doctor said I must be operated upon for a serious female trouble and that nothing could help me but an operation. "I had hemorrhages and at times could not get any medicine to stop them. I got in such a weak condition that I would have died if I had not got relief soon. "Several women who had taken your Compound, told me to try it and I did and found it to be the right medicine to build up the system and overcome female troubles. "I am now in great deal better health than I ever expected to be, so I think I ought to thank you for it."—Mrs. O. M. CLINE, S. Main St., Brownsville, Ind.

If you would win life's battle you must be a hard hitter and a poor quitter.

**Indian Killed On Track.**

Near Rochelle, Ill., an Indian went to sleep on a railroad track and was killed by the fast express. He paid for his carelessness with his life. Often it is that way when people neglect coughs and colds. Don't risk your life when prompt use of Dr. King's New Discovery will cure them and so prevent a dangerous throat or lung trouble. "It completely cured me, in a short time, of a terrible cough that followed a severe attack of Grip," writes J. R. Watts, Floydada, Tex., "and I regained 15 pounds in weight that I had lost." Quick, safe, reliable and guaranteed. 50c and \$1.00. Trial bottle free at Harmon Drug Co.

Some men never brag about themselves—and we don't blame them.

**Flying Men Fall**

victims to stomach, liver and kidney troubles just like other people, with like results in loss of appetite, backache, nervousness, headache, and tired, listless, run-down feeling. But there's no need to feel like that as T. D. Peebles, Henry, Tenn., proved. "Six bottles of Electric Bitters" he writes, "did more to give me new strength and good appetite than all other stomach remedies I used." So they help everybody. Its folly to suffer when this great remedy will help you from the first dose. Try it. Only 50 cents at Harmon Drug Co.

Every cloud may have a silver lining, but it's always on the other side.

"Were all medicines as meritorious as Chamberlain's Colic, Cholera and Diarrhoea Remedy the world would be much better off and the percentage of suffering greatly decreased," writes Lindsay Scott, of Temple, Ind. For sale by all dealers.

**DR. HALLMAN PAYS TRIBUTE TO JONES.**

**Former Lexingtonian Interviewed and Talks Interestingly of His Associations and Knowledge of Former Chief Justice.**

Several days ago Rev. S. T. Hallman, D. D., of Spartanburg, formerly of Lexington county, and one of the best known and most highly honored Lutheran ministers in the South, paid a high tribute to Judge Ira B. Jones. The tribute to the former chief justice was contained in conversation with a well known educator of Spartanburg. "Yes," said the doctor, "I have known Judge Jones now over 40 years; we were in college together, and he was always a manly boy—bright, straight, clean, a fine student, thoroughly honorable, a warm, sympathetic friend, and a man of dignity and of undoubted reliability. "In the years of our college association at Newberry before the college, temporarily, was moved to Walhalla. I do not recall a single complaint ever being made against him by professors or students. He was always in his place, and his bearing in the class room and on the campus was of so excellent character that, in all the years since, I have carried with me the image of a fine, manly young man, deserving my highest esteem and worthy of the honors which have been so properly bestowed upon him."

Rev. S. T. Hallman, D. D., has been for over 44 years one of the most highly honored and successful ministers in the Southern Lutheran church. He has occupied prominent pulpits in his denomination; has built and successfully financed the affairs of a number of important missions; was the publisher, by official request, of the Ladies' Missionary Journal of the United Synod in the South, and was more than 10 years the editor of the Lutheran Visitor, the leading paper of his denomination in the South. He has been a member of the board of trustees of Newberry college some 30 years, was its secretary 10 years, and has been the secretary of the United Lutheran Synod in the South now 10 years, which synod embraces eight States in its organization. Dr. Hallman was born and reared in the Black Creek section of Lexington county, where many of his relatives now reside.
