To Open Dispensary Here Next Saturday.

The dispensary for the free examination and treatment of persons effected with the hookworm disease will open in the court house on next Saturday, October 5, and will remain open every Saturday for six consecutive weeks.

Dispensaries will be established at four other points in the county, as follows:

Tuesdays, Irmo, Dr. Mathias' office.
Wednesdays, Pelion, Dr. Kneese's office.

Thursdays, Batesburg, in rear of the Citizens Bank.

Fridays, Steedman, in school house.

Saturdays, Lexington, in the court house.

The dispensaries will be in charge of Dr. L. A. Riser, assistant director of rural sanitation, and Dr. Ward of the State board of health, and these gentlemen will give all a cordial welcome.

It is hoped and confidently expected that the people of the county will become interested in the matter and aid the experts in every possible way.

J. G. Criswell, a painter living at 540 North Mulberry St., Hagers town, Md., states: "I had kidney trouble with a severe pain across my back, and could hardly get up after sitting down. I took Foley Kidney Pills and soon found the pain left my back, I could get up and down with ease, and the bladder action was more regular and normal." Try them. Harmon Drug Company.

Lorick-Dreher.

Invitations have been issued by Mr. and Mrs. Hampton Alexander Lorick to the marriage of their daughter, Lillian Viola, to Julius Clarence Dreher, on the evening of Wednesday, October 19, at 5 o'clock at Ebenezer Lutheran church, Columbia.

Geo. T. Craddock, Rubie, Ark., says: "I was bothered with lumbago for seven years so bad I could not work I tried several kinds of kidney medicine which gave me little or no relief. Two bottles of Foley Kidney Pills cured me and now I can do any kind of work. I cheerfully recommend them to my friends." Harmon Drug Company.

Stockholders' Meeting.

The annual meeting of the stockholders of the Columbia, Newberry and Laurens Railroad Company, will be held at the Company's office, Bank of Columbia building, at 12 o'clock, noon, Tuesday, October 15th, 1912.
O. P. SEABROOK, Secretary.

Mrs. T. A. Town, 107 6th St., Watertown, S. D., writes: "My four children are subject to hard colds and I always use Foley's Honey and Tar Compound with splendid results. Some time ago I had a severe attack of la grippe and the doctor prescribed Foley's Honey and Tar Compound and it soon overcame the la grippe. I can always depend upon Foley's Honey and Tar Compound and am sure of good results." Harmon Drug Company.

New Schedule Welcome.

The 7 o'clock train from Columbia in the morning now brings the mail, which enables the people of this town to read the morning papers at the breakfast table; and the R. F. D. carriers to go out on their routes at least two hours earlier than heretofore. The new schedule is welcomed by everybody.

Mr. Jas. V. Churchill, 90 Wall St., Auburn, N. Y., has been bothered with serious kidney and bladder trouble ever since he left the army, and says: "I decided to try Foley Kidney Pills as they had cured so many people and I soon found they were just the thing. My kidneys and bladder are again in a healthy condition. I gladly recommend them." Harmon Drug Company.

The Chaingang.

The county chaingang is now stationed at old Lexington Baptist church up on the Saluda. It is understood that the roads of that section will be worked, and the road leading to Batesburg and Leesville put in good condition. The gang now has a large force of hands.

Mrs. Paul Wehling, 316 Smith St., Peoria, Ill., had kidney and bladder trouble, with terrible backache and pain across the hips. Just imagine her condition. She further says: "I was also very nervous, had headaches and dizzy spells, and was fast getting worse when I took Foley Kidney Pills, and now all my troubles are cured. Foley Kidney Pills have done so much for me I shall always recommend them." Harmon Drug Company.

IT HAPPENED IN LEXINGTON

And Is Happening to Lexington People Every Week.

The case told below is not an uncommon thing. The same occurs frequently and will continue to happen as long as folks have kidneys and overtax the kidneys.

Mrs. John H. Bailey, Lexington, S. C., says: "I willingly recommend Doan's Kidney Pills as they have been used in my family for the past two years with good results. Our supply was procured at the Kaufmann Drug Co. I have great faith in Doan's Kidney Pills and do not think they have an equal in curing kidney trouble."

Mrs. Bailey is only one of many Lexington people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Bailey had—the remedy by home testimony. 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

Paint?

There are two good reasons for painting often-enough or even too-often. One, to look prosperous; two, to be so. Nothing does one more credit or gives one more credit than paint, supplemented of course by what goes with it; and paint costs nothing.
True, the first cost is \$5 or \$6 a gallon put-on; but it saves more than that in the property; saves it from slow going-down—not always slow—it drops with a jump when water gets in on wood and iron.
Dry wood and iron cost nothing, kept dry by paint.
Better paint when it needs it. Paint never goes-down in the sense of being more profitable next year.
