O. E. Still & Co's. DAYLIGHT STORE

We believe that active competition, better than anything else, insures justice to consumers.

It makes quality essential, compels fair prices and induces a square deal. Under free competition the best man wins, and that is best for all concerned.

Observe, please, that we do not say "better merchandise than other first-class houses," because that would not be true. But we can afford to sell these high-grade goods cheaper because we have the lowest cost system of selling and buying merchandise in this or any other town, as can be easily proven.

Now, we wish you could come to New Brookland and give us a chance to prove what we have here said.

Great Mass of Proof

Reports of 30,000 Cases of Kidney Trouble, Some of Them Lexington Cases.

Each of some 6,000 newspapers of the United States is publishing from week to week, names of people in its particular neighborhood, who have used and recommended Doan's Kidney Pills for kidney backache, weak kidneys, bladder troubles and urinary disorders. This mass of proof includes over 30,000 testimonials. Lexington is no exception. Here is one of the Lexington cases.

H. A. Howard, Lexington, S. C., says: "For eight or ten years I was afflicted with disordered kidneys and suffered a great deal from pains in the small of my back. My back ached severely, I was tired and languid and often became nervous. Headaches and dizzy spells were common and my sight was affected. The kidney secretions caused me no end of annoyance. Doan's Kidney Pills were finally brought to my attention and I procured a supply at the Kaufmann Drug Co. In a short time after I began their use I was relieved. I do not hesitate to recommend Doan's Kidney Pills to my neighbors."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
