# "Figure it out for yourself"

You carry Fire Insurance—and why? Because of the danger of sudden loss. Because it protects you against this uncertainty, although your buildings may never burn down. Do you protect them against decay—against the weather—against the dead certainty of depreciation resulting from allowing them to go unpainted. Why not?

Paint Insurance is worth even more to you than Fire Insurance—yet is often sadly neglected—and you are the loser. MASTIC PAINT for 40 years has proven the "real protector" of buildings. For quality—service—economy—and beauty of finish it has no equal. Ask for color card.

The annual session of the Presbyterian Synod of South Carolina met in Columbia last week. The opening sermon was preached by the retiring Moderator, Rev D M Fulton, of Darlington. A pleasing feature of the session was the celebration of the centennial of the birth of Dr J H Thornwell, a man of God whose hallowed memory is revered by Christians of every denomination all over the State.

As is usual Lexingtonians carried to their homes a large number of the best premiums at the State Fair.

The marriage of Mr William F Shepard, of Savannah, Ga., and Miss Elizabeth Steadman, was solemnized at the home of the bride's parents at Batesburg in the afternoon of the 29th of October.
