If we lived nearer heaven we should have earlier notice of God's purpose.

If you have faith preach it; if you have doubts bury them; if you have sorrow bear it.

Those who have no faith in the future in Lexington should compare its stagnation of the recent past with its present activity and have their faith increased.

J. W. Barnes, one of Orangeburg's most prominent farmers, committed suicide recently by swallowing six ounces of laudanum. Ill health and financial troubles were assigned as the cause of his rash act.

Dan J. Joyce, Sanville, Henry Co., Virginia, says:—"I took a cold with a cough which hung on for two years. Then I commenced using Foley's Honey & Tar Compound and the cough finally left me and now I am perfectly strong and well." Is best and safest for children and contains no opiates. Harmon Drug Co.

A young daughter of Mr. and Mrs. Luther Sharpe, who resides about six miles from Pelion, was burned to death recently by her clothes igniting from a fire under a wash pot around which she was playing while her mother was doing the family washing.

What has become of the trolley line which was to come from Augusta, by way of Aiken and Lexington, to Columbia? Is the project dead or only sleeping?

A. Mitchell, a general merchant near Bagdad, Ky., writes us:—"I think Foley Kidney Pills one of the greatest kidney medicines there is. My daughter was in terrible shape with kidney trouble and I got her to take it. She is completely cured now. I think it one of the greatest medicines made." Harmon Drug Co.

PRESCRIPTION

For a Long Life.

This is the prescription for a long life given by an old gentleman in Connecticut, who is ninety-nine years old and still well and cheerful. "Live temperately, be slow to anger, don't worry, take plenty of exercise in the fresh air, and, above all, keep cheerful."

Should the system get run down—digestive organs weak—the blood thin and sluggish, take Vinol, which is a delicious combination of the medicine—body-building properties of cods' livers, with the useless grease eliminated and tonic iron added. We regard Vinol as one of the greatest body-builders and strength-creators in the world for aged people.

Mrs. Mary Ivey, of Columbus, Ga., says: "If people only knew the good Vinol does old people, you would be unable to supply the demand; it is the finest tonic and strength-creator I ever used."

We wish every feeble old person in this vicinity would try Vinol on our agreement to return their money if it fails to give satisfaction.

HARMON DRUG COMPANY.

"And the minds of the people are at rest,"—N. W. Brooker. Then, for heaven's sake, if not for their own, let them remain at rest. They have a sufficiency of politics to last them for the next ten years to come. Give them a little time, if you please, to catch their breath, spit in their hands and lay hold to the plow. Let them enjoy the fruits of their victory without a disturbing element to mar their pleasure.

For rheumatic pains or neuralgia, rub the parts affected with DARBY'S PROPHYLACTIC FLUID. It penetrates the flesh and relieves pain. For sore throat, gargle with the fluid diluted with water. For fesse wounds, burns, scalds, or sores, apply it direct to the wound. It heals quickly. For a cramp, colic or dysentery take it internally in water. It quickly corrects the trouble. Price 50 cts. per bottle. Sold by all Druggists.

"I have heard very little of any opposition to it from anywhere."—N. W. Brooker. Three broken chairs and a bobbed tail tiger.

J. K. Cotton, 1308 No. Market St. says:—"I heard of Foley Kidney Pills and took them for my case of kidney trouble. After taking them a few days the pain left my back, my kidneys acted regularly and the annoying bladder trouble was cured. I gladly recommend Foley Kidney Pills."

Harmon Drug Co.

We are all entitled to something in this world, if it's only a lemon.

Huntsville, Ala. W. C. Pollard, a well known citizen, says:—"I have used Foley's Honey & Tar Compound and found it a most excellent preparation. In fact, it suits my case better than any cough syrup I have ever used and I have used a good many, for I am now over seventy years old."
