Tomorrow is Thanksgiving Day. It will be observed by the banks, the post office and business men generally, so we are informed.

We have been having lovely moonlight nights and none have enjoyed them so much as those who are matrimonially inclined.

During last week the court house grounds were cleared of leaves and trash and the grass now looks greener and fresher than ever before.

Lexington has developed into a first class cotton market. It reminds one these days of "Cotton Town" in Columbia, a coming suburb of Lexington, in its pristine activity.

If you have an out of town friend visiting you; or if you or any of your family intend visiting any one drop the Dispatch a note to this effect or ring up 88. We will consider it a favor.

BRICK STORE—Building 35x60, on Beauford street, fronting railroad, at a bargain to a quick buyer. Apply to J. S. Bozzer, Chapin, S. C.

On Sunday a week Mr. Lester Basil Hartley, of Simpson, Ala., and Miss Ida Shealy, of Batesburg, were married in Augusta, Ga., by the Rev. Howard T. Cree, of the Christian church. The newlyweds will make Alabama their future home.

By reason of a mistake in the advertisement of the resale of the McCartha homestead on Depot street, the sale has been postponed until the first Monday in January, 1913. The mistake lies solely with the Dispatch and Judge Drafts is in no wise responsible for it.

The educational rally announced last week to take place tomorrow, Thanksgiving Day, at Chapin was a mistake. It should have been Pelion instead of Chapin. The young lady who received the information over the phone got the names confused. We regret the mistake very much and will try and be more careful in the future.

FOR SALE—A four-year-old (French Coach) horse, Will work anywhere, Gentle and good natured. Apply to J. Killian Linder, Chapin, S. C.

Great Mass of Proof

Reports of 30,000 Cases of Kidney Trouble, Some of Them Lexington Cases.

Each of some 6,000 newspapers of the United States is publishing from week to week, names of people in its particular neighborhood, who have used and recommended Doan's Kidney Pills for kidney backache, weak kidneys, bladder troubles and urinary disorders. This mass of proof includes over 30,000 testimonials. Lexington is no exception. Here is one of the Lexington cases.

H. A. Howard, Lexington, S. C., says: "For eight or ten years I was afflicted with disordered kidneys and suffered a great deal from pains in the small of my back. My back ached severely, I was tired and languid and often became nervous. Headaches and dizzy spells were common and my sight was affected. The kidney secretions caused me no end of annoyance. Doan's Kidney Pills were finally brought to my attention and I procured a supply at the Kaufmann Drug Co. In a short time after I began their use I was relieved. I do not hesitate to recommend Doan's Kidney Pills to my neighbors."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Columbia, Lexington's progressive suburb, will probably be chosen by Mr. Wilson when he becomes President, as the place of his winter residence, but there are some people of the opinion that some of his time will be spent in the metropolis as the accommodations for his entertainment are superior to those of the suburb.

Mr. Henry Koon having resigned as Chief of Police of Lexington, Mr. W. H. Pickley now wears that badge and totes the Billy, he having been appointed to that position at the last meeting of Council.

One on Father.

Brightness personified is little Johnny Pule. Certain friends of the family consider him rather precocious, but that's quite another story. At any rate, he is the pride of his father's heart, and Pule senior invariably refers to the youngster as a "regular chip of the old block."

The other night little Johnny looked up from his stool by the fireside and ejaculated the query:

"I'm a chip from the old block, ain't I, father?"

"Yes, my son, indeed you are," came the proud reply.

"And you, pa, you're the head of the family, ain't you?" asked the simple little lad.

"I am," replied Pule.

"Then," chuckled Johnny triumphantly, "you must be a blockhead!"

But we will draw a kindly veil over what followed.—Answers.

Mother Was Right.

It was at the table, and the hostess addressed her husband's brother.

"Do have another piece of pie, William."

"Why, really, I've already had two, but it's so good I believe I will have another."

"He, he! Mother's a winner!" said little Frank excitedly. "She said she'd bet you'd make a pig of yourself!"—Harper's Magazine.
