

# What

a great improvement would be made in the condition of horses and other animals if just the proper remedy were used when they became ill or injured. If your horse could talk he would ask you not to use any external remedy containing alcohol because it stings and tortures his flesh terribly. Some liniments have alcohol and other fiery ingredients which only inflame the skin and tissue without striking down to where the pain lies. Beware of such liniments. The great humane, quick-action remedy is MEXICAN MUSTANG LINIMENT. Made of oils, without a drop of alcohol or other torturing element, it soaks straight to the bone and muscle. It soothes the wounded parts and is comforting while the healing work is progressing. Mexican Mustang Liniment is what you want because it

your work lighter, saves your livestock from suffering and keeps them in good trim for work. For all forms of Lameness, Strains, Bruises, Cuts, Burns, Galls and Harness Sores in animals, it is safe and prompt and does not promise what it cannot perform. Mustang Liniment has been doing its wonderful healing work for 65 years. The amount of money it has saved livestock owners is incalculable. One man writes that he was about to kill his valuable horse because badly injured but Mustang Liniment made him well again. A Veterinary tells us he has used Mustang Liniment fifteen years and found it best liniment for cuts, strains, etc. And many others are enthusiastic friends of this tried and true remedy. Now you know just what makes

### Misconstrued.

The charming wife of a French diplomat had never thoroughly mastered the English language. She was urging an American naval officer to attend a dinner, the invitation to which he had already declined. The lady insisted that he must go, but the younger officer said he could not possibly do so, as he had "burned his bridges behind him."

The lady misunderstood the word. "That will be all right," she explained. "I will lend you a pair of my husband's."—The Ladies Home Journal.

Mrs. R. Taylor, of Crider, Mo., had been troubled with sick headache for about five years, when she began taking Chamberlain's Tablets. She has taken two bottles of them and they have cured her. Sick headache is caused by a disordered stomach for which these tablets are especially intended. Try them, get well and stay well. Sold by all dealers.

### Parcel Post and the Farmer.

The farmer has great opportunities of profit from the parcel post. His product can be marketed at minimum expense and with but small labor to him: the postman will call for his package and deliver it to his customer.

W. R. Fox, 195 W. Washington St., Noblesville, Ind., says: "After suffering many months with kidney trouble, after trying other remedies and prescriptions, I purchased a box of Foley Kidney Pills which not only did me more good than any other remedies I ever used, but have positively set my kidneys right. Other members of my family have used them with similar results." Take at the first sign of kidney trouble. Harmon Drug Co.

# TO HELP FARMERS

Lever would Supplement Senator Hoke Smith's Bill.

## HOPES TO PASS IT SOON

Believes That It Has a Better Chance

of Passage Than the Georgian's Message. Has Been Reported.

P. H. McGowan, in the State.

Washington, Jan. 17.—The house committee on agriculture has agreed to report favorably the bill of Senator Hoke Smith of Georgia for the creation of a bureau of markets in the department of agriculture. The vote on this was unanimous. It is learned that Representative Lever, while favoring the bill, was not entirely satisfied that its provisions were broad enough to give authority for the work which he thought necessary to be done in order to carry out the purposes of those who have suggested this additional piece of machinery for the enlightenment and benefit of the farmers. In addition it is his idea that on account of crowded condition of the house calendar it would be impossible to pass the bill even with the favorable and unanimous report of the committee on agriculture. Hence it is understood that Mr. Lever offered in the committee an amendment to the agricultural appropriation of \$50,000 to become available July 1, 1913, for the purpose of giving the secretary of agriculture the authority and the money with which to begin the work contemplated in the thought which suggests the creation of a bureau of markets in that department. This amendment was adopted.

Mr. Lever believes it to be the beginning of a movement which ultimately will go far toward the solution of the vexed problems of the high cost of living, providing, as it will, the machinery by which the producer and consumer are brought closer together and furnishing means by which the estimated annual loss on account of the bad marketing of \$1,560,000,000 can be saved to the American people.

### Cut the High Cost of Living.

W. H. Chapman, Winnebago, Neb., tells how he did it. "My two children had a very bad cough and the doctor's medicine did them no good. I got a bottle of Foley's Honey and Tar Compound, and before it was all used the children were free and I cured of their cough. I saved a doctor's bill for the 25c. bottle of Foley's Honey and Tar Compound." No opiates. Harmon Drug Co.

## A MESSAGE TO WOMEN

Who are "Just Ready to Drop."

When you are "just ready to drop," when you feel so weak that you can hardly drag yourself about—and because you have not slept well, you get up as tired-out next morning as when you went to bed, then you need help right away.

Miss Lea Dumas writes from Malone, N. Y., saying: "I was in a badly run-down condition for several weeks, but two bottles of Vinol put me on my feet again and made me strong and well. Vinol has done me more good than all the other medicine I ever took."

If the careworn, haggard men and women, the pale, sickly children and feeble old folks around here would follow Miss Dumas' example, they, too, would soon be able to say that Vinol, our delicious cod liver and iron remedy, had built them up and made them strong.

It is a wonderfully strengthening and invigorating body-builder, and we sell it under an ironclad guarantee of satisfaction. You get your money back if Vinol does not help you.

### "My Power."

"I know not whence I came,  
I know not whither I go;  
But the fact stands clear, that I am here  
In this world of pleasure and woe.

And out of the midst and murk,  
Another truth shines plain,  
It is my power each day and hour,  
To add to its joy or its pain.

The trouble, I think, with us all is the lack of high conceit;

If each boy thought he was sent to this spot to make it a bit more sweet,

How soon we could gladden the world,  
How easily right all wrong.

If no nobody shirked, and each one worked to help his fellows along,  
Cease wondering why you came;  
Stop looking for faults and flaws;  
Rise up today in your pride and say:  
I am part of the "First Great Cause!"

However full the world, there is room for an earnest and faithful boy or man.

It had need of me, or I would not be—I am here to strengthen the plain." T. I.

### How to Bankrupt the Doctors

A prominent New York physician says, "If it were not for the thin stockings and thin soled shoes worn by women the doctors would probably be bankrupt." When you contract a cold do not wait for it to develop into pneumonia but treat it at once. Chamberlain's Cough Remedy is intended especially for coughs and colds, and has won a wide reputation by its cures of these diseases. It is most effectual and is pleasant and safe to take. For sale by all dealers.

### Drives Off A Terror

The chief executioner of death in the winter and spring months is pneumonia. Its advance agents are colds and grip. In any attack by one of these maladies no time should be lost in taking the best medicine obtainable to drive it off. Countless thousands have found this to be Dr. King's New Discovery. "My husband believes it has kept him from having pneumonia three or four times," writes Mrs. George W. Place, Rawsonville, Va., "and for coughs, colds and croup we have never found its equal."
