Farmers' Medium and Work Shoes a Specialty

E. P. & F. A. DAVIS
 1710 MAIN STREET. COLUMBIA, S. C.

A rolling stone gathers no moss, but if it's a girl, she takes the heart out of the boy who has to turn it when he wants to go fishing.

A girl thinks a young man who spends his money freely is the whole thing—but if she marries him and finds he has spent it all she changes her mind.

A woman is seldom able to see that there is a butt missing from her husband's garments, but she always knows when there is a hole in his pocket.

When a man begins by saying, "Of course it is none of my business, but—" you may as well stand aside and let him butt in.

F. E. Walling, a farmer living near Yokon, Mo., strongly recommends Foley's Honey and Tar Compound and says: "I have been advised by my family doctor to use Foley's Honey and Tar Compound for my children when there was a cough medicine needed. It always gives the best of satisfaction and I recommend it to others." Harmon Drug Co.

Atlanta Lady Arrested for Swearing Too Loud,

Atlanta—When Mrs. Cordelia McKittrick was arrested in her pretty apartment in a downtown apartment house last night for swearing so loud that it disturbed her neighbors, she interposed the unique plea that she was not originating the profanity but was mocking her husband in an effort to "shame him" out of the cussing habit.

The recorder suggested this morning that it would do more good if she would read the Bible in a loud tone of voice whenever her husband swore, instead of repeating the oath parrot-wise after him. He imposed a fine of \$3.75, and admonished the lady either to use some other means of reform, or let her husband do his own cussing.

Institute Proceedings Against 300 'Dead Beats'

Paterson, N. J.—Unusual fights in court and out are anticipated here through the unusual move taken by the Paterson Business Men's Association against an army of 300 "dead beats" in this city. The association is going to institute suits for the payment of long disregarded bills, it is declared. Prominent doctors, merchants, builders and architects, men and women in many lines of business are included in the list against whom action will be taken.

There is very little fighting done in the world, considering the number of men who go around with chips on their shoulders.

Stiff Joints Sprains, Bruises

are relieved at once by an application of Sloan's Liniment. Don't rub, just lay on lightly.

"Sloan's Liniment has done more good than anything I have ever tried for stiff joints. I got my hand hurt so badly that I had to stop work right in the busiest time of the year. I thought at first that I would have to have my hand taken off, but I got a bottle of Sloan's Liniment and cured my hand."
 WILTON WHEELER, Morris, Ala.

Good for Broken Sinews
 G. G. JONES, Baldwin, L. I., writes: "I used Sloan's Liniment for broken sinews above the knee cap caused by a fall and to my great satisfaction was able to resume work in less than three weeks after the accident."

 Mr. HENRY A. VOELK, 84 Somerset St., Plainfield, N. J., writes: "A friend sprained his ankle so badly that it went black. He laughed when I told him that I would have him out in a week. I applied Sloan's Liniment and in four days he was working and said Sloan's was a right good Liniment."

ABOLISH CONVICT HIRE.

Another Bill Introduced Today Aimed at Hosley Mill.

Another bill aimed at the abolition of the hosley mill in the State penitentiary was introduced in the lower house today by Mr. Malpass of Lexington and was referred to the penitentiary committee. The measure would prohibit contracts for the hiring of convicts confined in the penitentiary, except on public roads.

Families are like clocks in that too much regulation may make them go wrong all the time.
