

MRS. WM. ARCHER

Tells Mothers What To Do For Delicate Children.

"My fourteen-year-old daughter was very thin and delicate. She had a bad cough so that I became very much alarmed about her health. She was nervous and did not sleep well, had very little appetite and doctors did not help her. Having heard so much about Vinol, I decided to give it a trial. It has helped her wonderfully. She can sleep all night now without coughing once; in fact, her cough is gone. Her appetite is greatly improved and she has gained in weight. Vinol is a wonderful medicine, and I will always keep it in the house. I wish every mother knew what Vinol will do for delicate children." Mrs. Wm. Archer, 223 Broadway, Long Branch, N. J.

This delicious cod liver and iron preparation without oil is a wonderful body-builder and strength-creator for both young and old. We promise to give back your money in every such case where Vinol does not benefit. This shows our faith in Vinol.

The seven years itch; or, according to the modern name "a scaly disease" has become epidemic in the Burroughs High school at Conway. This does not speak well for the sanitary condition of the school and the management is deserving of severe censure from both the State Board of Health and the State Board of Education.

An Epidemic of Coughing

is sweeping over the town and young and old are alike affected. Foley's Honey & Tar Compound is a quick safe reliable family medicine for coughs and colds. A. S. Jones, of Lee Pharmacy, Brico, Calif., says: "Foley's Honey and Tar Compound has no equal, and I recommend it as containing no narcotics or other harmful properties." Harmon Drug Co.

What

a great improvement would be made in the condition of horses and other animals if just the proper remedy were used when they became ill or injured. If your horse could talk he would ask you not to use any external remedy containing alcohol because it stings and tortures his flesh terribly. Some liniments have alcohol and other fiery ingredients which only inflame the skin and tissue without striking down to where the pain lies. Beware of such liniments. The great humane, quick-action remedy is MEXICAN MUSTANG LINIMENT. Made of oils, without a drop of alcohol or other torturing element, it soaks straight to the bone and muscle. It soothes the wounded parts and is comforting while the healing work is progressing. Mexican Mustang Liniment is what you want because it

Makes

your work lighter, saves your livestock from suffering and keeps them in good trim for work. For all forms of Lameness, Strains, Bruises, Cuts, Burns, Galls and Harness Sores in animals, it is safe and prompt and does not promise what it cannot perform. Mustang Liniment has been doing its wonderful healing work for 65 years. The amount of money it has saved livestock owners is incalculable. One man writes that he was about to kill his valuable horse because badly injured but Mustang Liniment made him well again. A Veterinary tells us he has used Mustang Liniment fifteen years and found it best liniment for cuts, strains, etc. And many others are enthusiastic friends of this tried and true remedy. Now you know just what makes

Who Says So?

As to whether a girl can sing is largely a matter of faith. It depends on whether you believe her mother or her neighbors.

W. S. Skelton, a merchant at Stanley, Ind., says he would not take \$100,000 for the relief a single box of Foley Kidney Pills gave him. "I had a severe attack of kidney trouble with sharp pains through my back and could hardly straighten up. A single box of Foley Kidney Pills entirely relieved me." Harmon Drug Co.

Before and After.

During courtship kissing may be overdone, but after marriage it is usually underdone.

When Burton Holmes recently gave his celebrated travelogue on "Panama" at Orchestra Hall, Chicago, he was seriously interrupted by continual coughing of the audience. No one annoys willingly and if people with coughs, colds, hoarseness and tickling in throat would use Foley's Honey and Tar Compound, they could quickly cure their coughs and colds and avoid this annoyance.
