

# GET ACQUAINTED WITH TRI-COUNTY BRAND FERTILIZERS

When Tri-County Brand Fertilizers are used you can be certain that it contains plant foods in available form for your crop. You may have no fear of its ability to feed your crop from start to maturity. The ingredients are so mixed as to feed the crop every day from start to finish. We use several sources of

## NITROGEN

and they become available at different times and the crop is never starved. The best evidence we have that our fertilizers are satisfactory in every respect is in the fact that we can again sell our many satisfied customers below. We give a partial list of some of the users of our goods and we ask that you inquire from them as to results obtained.
