A Popular Resort.

Hotel de Miller is quite a popular resort and as a rule it is generally filled with guests who delight to idle away the time within its historic walls. For some time past for some reason or another, the rooms of this popular hostelry have been vacant and business there has been somewhat dull, but now is warm weather is approaching the hotel is beginning to fill up and Sheriff Miller is put to his P's and Q's to meet the increased demand upon his generous hospitality. But in this, as well as in the discharge of every other duty of his office, he is "Johnny on the Spot," and there is always room for one more.

The latest guest who registered there is the Hon. Arthur Fogle a son of Ham, who is alleged to have appropriated to his own use the mule and buggy of Mr. George Oxner, a well known farmer, residing on Hollow Creek, against the peace and dignity of the State and with malice aforethought to the material loss of Mr. Oxner. This makes the seventh guest who has registered there in the past four days.

LOST—A liver colored bird puppy Got away from me Thursday afternoon near Mr. Elias Kyzer's place. A reward will be paid for his recovery. J. H. Keisler. 19pd.

NELSON PORTERFIELD, Administrator.

A Pleasant Entertainment.

A number of the young people of our town enjoyed a straw ride to the lovely country home of Capt. P. H. Caughman Friday evening where all present participated in an old-time candy pulling, given by Miss Lizzie Caughman in honor of Miss Gladys Brown, who left our town Tuesday for her new home in N. C. Miss Caughman being a descendant of Capt. Caughman and other prominent family connections who are noted for their hospitality, it goes without further mention that all returned to their homes pleased that it was their good fortune to have been a guest of this occasion.

ENDORSED AT HOME.

Such Proof as This Should Convince Any Lexington Citizen.

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Lexington adds one more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it.

Mrs. R. F. Powell, Factory Hill, Lexington, S. C., says: "A member of my family used Doan's Kidney Pills and the results were so satisfactory that we willingly endorse this remedy. Its use brought relief from backache and trouble with the kidney secretions."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.—adv.

Last Call.

Delinquent taxpayers have until Saturday to settle with County Treasurer Wingard. If they fail to do so by that date, they will then be interviewed by Sheriff Miller or one of his deputies with cost added to cost.

The Forty Year Test.

An article must have exceptional merit to survive for a period of forty years. Chamberlain's Cough Remedy was first offered to the public in 1872. From a small beginning it has grown in favor and popularity until it has attained a world wide reputation. You will find nothing better for a cough or cold. Try it and you will understand why it is a favorite after a period of more than forty years. It not only gives relief—it cures. For sale by all Dealers.
