

# PRESIDENT SIGNS THE TARIFF BILL

**SURROUNDED BY DEMOCRATIC LEADERS WILSON AFFIXES HIS SIGNATURE.**

**FINAL SCENE IS ENACTED**

Putting into Actual Operation First Downward Revision Since 1894.—A Step Toward Business Emancipation.—Chief Executive Speaks.

Washington.—Surrounded by leaders of a united Democracy, President Wilson signed the Underwood-Simmons tariff bill at the White House. Simultaneously telegrams were sent to customs collectors throughout the country by the Treasury Department, putting into actual operation the first Democratic tariff revision since 1894.

A happy group of legislators, members of the Cabinet and friends encircled the President as he smilingly set down and slowly affixed his signature with two gold pens.

He presented the pen that had written the word "Woodrow" to Representative Underwood and the one that completed his name to Senator Simmons, both of who bowed their appreciation.

In impressive silence the President rose and delivered in easy, natural tones an extemporaneous speech that brought prolonged applause. He declared the journey of legislative accomplishment had not been completed; that a great service had been done for the rank and file of the country, but that the second step in the emancipation of business was currency reform. He earnestly called upon his colleagues to go "the rest of the journey" with fresh impulse.

"Gentlemen I feel a very peculiar pleasure," said the President, "in what I have just done by way of taking part in the completion of a great piece of business. It is a pleasure which is very hard to express in words which are adequate to express the feeling; because the feeling that I have is that we have done the rank and file of the people of this country a great service. It is hard to speak of these things without seeming to go off into campaign eloquence, but that is not my feeling. It is one very profound, a feeling of profound gratitude that working with the able did men who have carried this thing through with studious attention and doing justice all around, I should have had part in serving the people of this country, as we have been striving to serve them ever since I can remember.

**Schmidt is Declared Sane.**  
New York.—Hans Schmidt, the priest who confessed killing Anna Amuller, became frenzied at the coroner's inquest into the death of his victim, rose from his seat, snatched from his neck the rosary he had worn ever since his incarceration, tore it into many bits and hurled them at the newspaper reporters sitting half a dozen steps away. The jury found him responsible for the girl's death. Schmidt's outburst of temper occurred in the presence of a jury of millionaires empaneled to conduct the inquest. The verdict was quickly found.

**Flood Conditions Improve.**  
Lake Charles, La.—Flood conditions continued to improve here. Calcasieu River and the lake were slowly receding. Boats are the only means of transportation in many parts of the town. The heaviest loss from the flood will fall on the rice crop. This has been variously estimated from one to one and a half million dollars.

**General Diaz Off For Vera Cruz.**  
New York.—According to a special dispatch from Harre, General Felix Diaz, embarked here on the German liner Corco Vovado for Vera Cruz, Mexico. It is reported that former President Porfirio Diaz has rented a villa at Biarritz for the winter, indicating his intention to remain in France.

**Would Hurry Currency Bill.**  
Washington.—The situation confronting the administration currency bill in the senate has become a matter of deep concern to President Wilson and members of the senate who favor early action upon the bill. Four members of the senate banking currency committee have been in conference during the last week, in an effort to devise a plan for hastening action on the bill; but they have not decided finally what course will be followed if the full committee should refuse to report the bill back.

**Car Turns Over, Thirty Hurt.**  
Scranton, Pa.—Thirty persons were injured several possibly fatally, by the overturning of a Scranton Railway Company car, bound for Dunmore. Twenty-four of the injured were removed to hospitals. The car, heavily loaded, stalled on a hill because of slippery rails and began to slide down the slope when the brake chain broke. Striking a curve at Madison avenue and Pine street, the car toppled over, injuring as it fell on its side a number of passengers who had jumped from the rear platform.

## YOU CAN'T EAT APPETITE POOR

Multitudes of people lose their appetite. Simply don't care for anything to eat. The dinner bell has no interest to them. They loathe their breakfast. They may nibble a little of this and a little of that, but they do not care for it.

Lunch has lost all of its charms, although they try to eat something. Dinner about the same.

There is something positively wrong, of course, but no disease that can be named. Just out of sorts. That is all.

It is in this kind of a condition that Peruna acts very beneficially. After using Peruna, interest in food is revived. Beginning with a teaspoonful of Peruna before each meal will generally quickly improve the appetite and help the digestion.

Thousands of people can testify to this. Liberated from a slavery that is almost unbearable. The slavery of having no interest in life. All used up. Yet one does not know exactly why. Take Peruna before each meal. Skies will get blue again. Fields will look green once more and life will be pleasant. You will feel that you are good for something and the world is a good place to live in. Peruna will do it. Not as an artificial stimulant. Simply a tonic that stimulates appetite in a natural way.

Those who object to liquid medicines can now obtain Peruna Tablets.

### J. J. Rauch is Hurt

Rock Hill 2.—Friends here of J. J. Rauch, now holding an important position with one of the cotton mills of Winston-Salem, learned Tuesday evening that he had met with a very serious accident. Telegrams to relatives stated that he was thought to be fatally injured and Mrs. Sadler Love left at once for Winston, as did O. L. Derrick, who is a close friend and college-mate of Mr. Rauch.

It seems that Mr. Rauch was struck on the head by a heavy piece of machinery around which he was working, which fractured his skull. Mr. Derrick returned from Winston-Salem Wednesday afternoon and stated that he could not see Mr. Rauch, but the physician at the hospital to which he was taken stated that he did not think Mr. Rauch's injuries were necessarily fatal, but that it would be several days before they could tell what the outcome would be.

Mr. Rauch married Miss Iva Hull, daughter of Mrs. J. J. Hull of this city. He is a native of this State, a Clemson college graduate, and has many relatives and friends throughout the State. He is a son of Mr. John Rauch of Saluda, and a brother of Messdames W. E. Black and B. H. Barre of Lexington. Later news is to the effect that Mr. Rauch is getting along nicely considering the seriousness of his injuries.

### The Lexington Association.

The thirty-seventh annual meeting of the Lexington Baptist Association will take place at Pleasant Hill church Friday before the fourth Sunday in October, 1913.

All who can will please come by private conveyance as the church is three miles from railroad station. All local passenger trains will be met at Gilbert and delegates conveyed to the church.

Those who expect to come by railway will please notify Rev. A. J. Long, at Gilbert, S. C., once, stating what train you will come on.

All come praying for a great spiritual feast. Jas. C. Holly, Pastor. Sept. 26, 1913. Wagener, S. C.

Open Buggies \$42.50 cash; Top Buggies \$47.50 cash; A few second-hand Buggies at what you think they are worth. Gregory-Conder Mule Co., Columbia, S. C.
