Entered at the Post Office at Lexington, S. C., as second class matter.

CIRCULATION 2,300.

Owing to the County and State fairs being near at hand we have been in such a rush that we have left out much readable matter for the past week or so. We hope that the people will be lenient with us just now and we will give them a better and more readable paper after the rush is over. Possibly our constituency cannot understand our position, but any newspaper man can look over our paper and thoroughly understand it on a glance.

COD LIVER OIL AND IRON

Two Most World-Famed Tonics Combined in Vinol.

Cod Liver oil and Iron have proved to be the two most successful tonics the world has ever known—iron for the blood and the medicinal curative elements of cod liver oil as a strength and tissue builder for body and nerves, and for the successful treatment of throat and lung troubles. Two eminent French chemists discovered a method of separating the curative medicinal elements of the cod's livers from the oil or grease which is thrown away, but to these medicinal elements iron is now added, thus combining in Vinol the two most world famed tonics.

As a body-builder and strength creator for weak, run-down people, for feeble old people, delicate children, to restore strength after sickness; and for chronic coughs, colds, bronchitis or pulmonary troubles we ask you to try Vinol with the understanding that your money will be returned if it does not help you.

Attack Grandfather Clause.

Washington—"Grandfather clauses" in Southern states constitutions, denying the right to vote to those who were ineligible to vote about 1866 or are the descendant of such ineligible persons, make the federal constitution amendments worthless paper, according to a brief filed recently with the supreme court by Morfield Storey of Boston. Mr. Storey appeared for the National Association for the Advancement of Colored People. He was attacking particularly the Oklahoma "grandfather clause."

James Thorpe, Athlete, Weds.

Carlisle, Pa.—James Thorpe, the Sac and Fox Indian from Oklahoma, formerly world's greatest amateur athlete and a member of the New York National League baseball team, was married recently in historic St. Patrick's church to Margaret Iva Miller, a native of Oklahoma and a former student at the Carlisle Indian school where Thorpe attended. The wedding is the outcome of a romance that had its inception when Thorpe met Miss Miller after a game of football he had won.

Huerta To Make Statement.

Washington.—Provisional President Huerta plans to assemble the foreign diplomats in Mexico City, according to the latest state department advices and make a statement on the present situation in the Mexican rebellion. No knowledge of Huerta's purpose was contained in the dispatches. The Mexican executive's statement will be received here with much interest, although the administration officials doubt that it will alter the situation, and believe that war is the only solution.

Three Killed in Explosion.

Anderson, S. C.—Three men were killed and eight injured here when the garage of A. L. Todd collapsed after a gasoline explosion. Edward Layton, of Spartanburg, struck a match to light the lamp of his automobile as it was being filled with gasoline. The explosion followed and the building caught fire. As the firemen were fighting the flames a wall of the building fell, killing William E. Campbell and Robert Dodd, Jr., and an unidentified man who was badly mangled.

Wooltex 

Wooltex Clothes

The fame of "wooltex" has spread beyond the confines of Columbia. A lady from the lower section of the State stopped at our ready-to-wear department last Friday and asked to be shown some Wooltex garments, from which she made a selection. She had made the trip to Columbia to see the circus, but while here she did not miss the opportunity of selecting her Fall Suit from the greatest style show in South Carolina.

There are lots of women within walking distance, or at least, a short street car ride, of this store who should know more about Wooltex and this great style show of ready-to-wear. They should know that—

—Wooltex styles are new and authentic because of the first-hand style information secured through the Wooltex style bureau.

—Wooltex fabrics are all wool and that the weaves, patterns and colors are not only up-to-date, but distinctive individual and far from the ordinary in appearance.

—Wooltex Garments fit the figure perfectly, and the careful and painstaking tailoring assures shape retention as long as the garment is worn.

—Wooltex Prices are the same whether you buy the garments here in Columbia or in any city in the country, and the scale of prices is so broad that you can find a Suit to please you at any price you have in mind to pay.

The advent of Wooltex in Columbia has opened up new possibilities in clothes selection for our women, many of whom have been chafed because Wooltex has so fully met their ideal. Another shipment of brand new Wooltex garments has just been unpacked—Coats, Suits, and Skirts. Won't you come in and see them while we have full assortment of styles, colors, and sizes?
