TO THE CITIZENS OF SOUTH CAROLINA.
The termination of a sanguinary contest, which
for the past four years has presented an im-
passable barrier to all social or commercial intercourse
between the two great sections of our country,
having at length happily cleared away all obsta-
cles to a renewal of those relations which former-
ly bound us together in a fraternal union, I take
the earliest opportunity afforded me by this aus-
picious event, to greet my Southern friends, and
to solicit from them a renewal of that extensive
business connection which for a quarter of a cen-
tury has been uninterrupted save by the great
public calamity to which I have alluded.
It is scarcely necessary, on the threshold of a
business re-union, I should repeat the warning
so often given to my friends,—to beware of all
those spurious and deleterious compounds which,
under the specious and false titles of imported
Wines, Brandy, Holland Gin, Liqueurs, &c.,
have been equally destructive to the health of our
citizens as prejudicial to the interest of the legiti-
mate Importer.
Many years of my past life have been expended
in an open and candid attempt to expose these
wholesale frauds; no time nor expense has been
spared to accomplish this salutary purpose, and
to place before my friends and the public gener-
ally, at the lowest market price, an such quan-
tities as might suit their convenience, a truly gen-
uine imported article.
Twenty five years business transactions with the
largest and most respectable exporting houses
in France and Great Britain have afforded me un-
surpassed facilities for supplying our home mar-
ket with Wines, Liqueurs and Liqueurs of the
best and most approved brands in Europe, in ad-
dition to my own distillery in Holland for the
manufacture of the "Schiedam Schnapps."
The latter, so long tested and approved by the
medical Faculties of the United States, West In-
dies and South America as an invaluable thera-
peutic, a wholesome, pleasant and perfectly safe
beverage in all climates and during all seasons,
quickly excited the cupidity of the home man-
ufacturers and vendors of a spurious article un-
der the same name.
I trust that I have, after much toil and ex-
pense, surrounded all my importations with as-
sured and directions which with ordinary cir-
cumstances will insure their delivery, as I re-
ceive them from Europe, to all my customers.
I would, however, recommend in all cases
where it is possible, that orders be sent direct to
my depot, 22 Beaver Street, New York, or that
purchases be made of my accredited agents.
In addition to a large stock of Wines, Brandy,
&c., I have a considerable supply of old tried for-
eign wine, embracing vintages of many years
past, bottled up before the commencement of the
war, which I can especially recommend to all
connoisseurs of these rare luxuries.
In conclusion, I would specially call the early
attention of my Southern customers to the ad-
vantage to be derived by transmitting their or-
ders without loss of time, or calling personally at
the depot, in order to insure the fulfillment of
their orders out of the present large and well se-
lected assortment.
