

Special Meeting of the Stockholders of the Southern Railway Company, and of the South-Western Railroad Company.

CHARLESTON, S. C., February 10, 1870.  
 Pursuant to the adjournment of the Annual Convention of the Stockholders of the Southern Railway Company, held at the same place, on the first of February, in May next, the 3d day of that month in the Bank Hill in this city, for the purposes indicated in the following resolution:

"Resolved, That the consideration of the Stock as recommended in the resolution proposed by the President and Directors of the Railroad Company, in their annual report, be referred to a Committee of Three, to be appointed by the Chair, to report on a special meeting to be held in this city on the first Tuesday in May next; that a stock vote be then taken thereon, and that immediate notice of the said meeting be given."

The resolution recommended by the President and Board of Directors of the Railroad Company, is as follows:

"Resolved, That the Board of Directors be authorized, at the earliest day practicable, to consolidate the half shares of the Stock held by one whole share of every two half shares as now represented on the stock book."

As ordered at the Annual Meeting on the 9th inst., the Stockholders will be passed over the Road on the above occasion, under the rule observed as to annual meetings, which is as follows:

"That every Stockholder who shall have owned his stock for three months previous to the general annual meeting of Stockholders be permitted to pass on the Road to and from said meeting free of charge, and that every Stockholder who shall have owned his stock for three months previous to the general annual meeting of Stockholders, be permitted to pass on the Road to and from said meeting, with his immediate family, free of charge."

J. R. EMERY,  
 Secretary.

**PROFESSOR R. S. NEWTON, M. D.,**  
 Professor and President of the Faculty, late "Professor Theory and Practice" of Medicine, Cincinnati, &c.

One of the most eminent medical men of this age—well known as the author of the following STANDARD MEDICAL WORKS: "Newton's Practice of Medicine," "Disease of Children," "Newton's Sympies Surgery," &c., in December number of American Medical Review—page 278, says:

"Among the more recent efforts to introduce popularly, some of the new remedies, we notice a new preparation compounded by J. J. LAWRENCE, M. D., of Norfolk, Va., which is furnished to the profession and the public in any desired quantity. We recently examined his Laboratory, and became fully satisfied that all his work is done in the best manner, by the most approved processes, and from the best materials, giving as a result a medicine meeting the confidence of the physicians and the public."

**KOSKOO Cures Scrofula in its Worst Forms.**  
 From A. W. MILLS, a prominent and well known merchant of Norfolk, Va. No. 11 Main Street, Norfolk, Va. Sept. 1869.

Dr. LAWRENCE—Dear Sir: Your Koskoo has worked a wonder in my family. My daughter has seen a sufferer from scrofula since childhood. She lost thirty-one pieces of bone from her ankle, several from her arm, besides having ulcers in several parts of the body. Whilst in this condition she commenced taking your Koskoo—it acted like a charm on her; under its use she gradually regained her strength and health greatly improved. It certainly saved her much suffering, and perhaps her life. I regard Koskoo as a specific in all cases of chronic diseases of the blood. It cured my wife of dyspepsia, from which she suffered greatly. She is now in better health than she has been for five years.

With the highest regards,  
 I am gratefully yours, &c.  
 A. W. MILLS.

KOSKOO is endorsed by the best physicians everywhere. Read the following from Dr. Tillery, a success in the treatment of many years standing in the Old South State:

Rocky Mount, Edgecombe Co., Va., Sept. 10, 1869.

Dr. J. J. LAWRENCE—Dear Sir: I have used your Concentrated Fluid Extract of Koskoo in my practice with the happiest results. I find it to be a powerful Liver Invigorator, Blood Purifier, and Nervous Tonic. In all diseases of the liver, scrofula, syphilis, and Nervous Affections, it is a remedy of immense value. In fact, it almost invariably cures these diseases as it is indicated. Hoping you may meet with the success which you deserve as a manufacturer of reliable medicine, I am, Sir, with much respect,  
 Your obedient servant,  
 R. C. TILLEY, M. D.

**Koskoo Cures Chronic Rheumatism.**  
 NORFOLK, Va., Sept. 7, 1869.  
 Dr. J. J. LAWRENCE—Dear Sir: My son has received so much benefit from your wonderful Koskoo that I cannot refrain from expressing my gratitude. Had tried almost every other medicine, but he has not improved. It cured him of Rheumatism, Syphilis, and Nervous Affections, and he is now as well as he can be. I believe in it in all cases of Chronic Diseases, as it is indicated. Hoping you may meet with the success which you deserve as a manufacturer of reliable medicine, I am, Sir, with much respect,  
 Yours truly,  
 W. H. NELSON.

Read the following from Mr. Worble, a prominent Hardware Merchant of this city:  
 No. 12 Market Square, Norfolk, Va., Oct. 18, 1869.

Dr. LAWRENCE—Dear Sir: To the large number of testimonials which you offer of the great benefits of your Koskoo, I take pleasure in adding my own. I suffered greatly with Nervous Debility, Headache, Loss of Appetite, &c. Two bottles of Koskoo restored me to health.

Yours truly,  
 J. G. WOMBLE.

From Rev. W. H. Christian, Pastor Dinwiddie Street Methodist Church.  
 Portsmouth, Va., October 25, 1869.

This is to certify that I know Dr. Lawrence well. He is a gentleman of cultivation, and worthy of the fullest confidence. I have used his Koskoo with advantage to myself, and have seen many others cured in cases of nervous debility and depression.

I am, Sir, truly,  
 W. H. CHRISTIAN.

FROM DR. LLOYD, A PHYSICIAN OF LABOR PRACTICE.  
 Great Bridge, Va., October 8, 1869.

J. J. LAWRENCE, M. D.—Dear Sir: I do fervently endorse your Koskoo as being a most valuable preparation. Upon examination of the formula, I find each ingredient highly esteemed and most progressive clinical investigators. I have tested its effects in my own practice, and believe in recommending it to my opinion. It is the best compound of its class ever put before the public—exceeding by far all other medicines in its effects. It purifies the blood, which should be the basis of treatment in all chronic diseases. Hoping you will reap the reward you deserve from the public as a benefactor, I am, Sir, yours truly,  
 CHARLES LLOYD, M. D.

After reading the above high recommendation, I cannot but reasonably hesitate to give the Koskoo a trial.
