

Toward Home
How shall you and I appear
When our souls and bodies sever?
Shall we rise as we do here
In the house of the forever?
Shall our spirits feel no tread
And our lives meet no disaster
When at last we come to tread
On the floor of the hereafter?

Two young ladies in a certain house in town the other night were heard to sing as follows:
"Oh for a man!
Oh for a man!
Oh for a man—son in the sky!"
Before they could get any further, two young bloods outside responded:
"Oh for a gal!
Oh for a gal!
Oh for a gal—son of old rye!"

CIRCUMSTANCES ALTER CASES—
The New York Tribune says the Military Committee of the House has done a wise thing in deciding to report against allowing various territories to organize their militia to fight the Indians. This is right. But the Tribune's party urges the Military Committee to report a bill authorizing the negro militia of the South to be organized and armed to rob and murder the white people.

One of the religious papers, commenting on the practice of having glowing epitaphs, says that if some men could come out of their graves and read the inscriptions of their tombstones they would think they had got into the wrong grave.

A German chemist claims to have discovered that impregnation with a concentrated solution of rock salt renders all timber fire proof. Furniture can thus be made fire proof and the losses to families in this particular prevented.

The New York Times says the ladies of that city got very drunk on "bitters."

Attend to Your Children's Teeth
We are often called on to extract the first Molars or Jaw Teeth for children, and to regulate or strengthen the front teeth, which become crowded from neglect, that we think it advisable to call the attention of parents to the subject, so that the back teeth may be filled and the front teeth noticed whilst children are cutting their second set, so as to prevent their coming irregular. Children should lose their front teeth from the upper jaw, and ten from the lower jaw, and the Molars, or jaw teeth, which they cut after the loss of their adult or grown set. Many persons say they were not aware of this fact. Now notice and act accordingly. Charges 25-30. W. S. WILLEY, Surgeon Dentist.

KOSKOO!
STRIKES AT THE ROOT OF DISEASE BY PURIFYING THE BLOOD, RESTORING THE LIVER AND KIDNEYS TO A HEALTHY CONDITION, AND CURE OF THE NERVOUS SYSTEM.
This is the secret of its WONDERFUL SUCCESS IN CURE OF
SCORFULA, SPYLLIS, DYSPEPSIA,
LIVER COMPLAINT, CHRONIC RHEUMATISM, NEURALGIA, MIGRAINE, AFFECTIONS OF THE SKIN, HEMORRHOIDS, LOSS OF VIGOR, DEBILITY, AND ALL DISEASES CAUSED BY A BAD STATE OF THE BLOOD.

KOSKOO!
Endorsed and recommended by the President of the Faculty of the E. Medical College of the City of New York.
PROFESSOR R. S. NEWTON, M. D., Professor and President of the Faculty, late "Professor Theory and Practice" of Medicine, Cincinnati, &c.
One of the most eminent medical men of this age—well known as the author of the following STANDARD medical works: Newton's "Practice of Medicine," "Diseases of Children," "Newton's Symples Surgery," &c., in December number of American Medical Review—page 278, says:
"Among the more recent efforts to introduce popularly, some of the new remedies, we notice a new preparation compounded by J. J. LAWRENCE, M. D., of Norfolk, Va., which is furnished to the profession and the public in any desired quantity. We recently examined his Laboratory, and became fully satisfied that all his work is done in the best manner, by the most approved processes, and from the best materials, giving as a result a medicine meeting the confidence of the physicians and the public."

KOSKOO!
Koskoo Cures Scrophula in its Worst Forms.
From A. W. MILLER, a prominent and well known Physician of Norfolk, Va., Sept. 15, 1869.
Dr. LAWRENCE—Dear Sir: Your Koskoo I worked wonders in my family. My daughter has been a sufferer from Scrophula for a long time. She lost thirty-one pieces of bone from her ankle, several from her arm, besides having ulcers in every part of her body. While in this condition she commenced taking your Koskoo—it acted like a charm on her; under its use the ulcers healed, and her general health greatly improved. I certainly never knew such suffering and pain relieved. I regard Koskoo as a specific for all scrophulous affections. You Koskoo also cured my wife of dyspepsia, from which she suffered greatly. It is now in better health than she has been in five years.
With the highest regards,
I am, respectfully yours,
A. W. MILLER.

Koskoo Cures Chronic Rheumatism.
NORFOLK, Va., Sept. 7, 1869.
DR. J. J. LAWRENCE—Dear Sir: I have used your Concentrated Fluid Extract of Koskoo in my practice with the happiest results. I find it to be a powerful Liver Invigorant, Purifier, and Nervous Tonic. In all diseases of the Liver, Scrophula, Syphilis, and Nervous Affections, it is a remedy of immense value. It cures almost every variety of Chronic Diseases. Its use is indicated, hoping you may meet with the success which ever attends a manufacturer of reliable medicines. I am, with much respect,
Your obedient servant,
R. C. HILLEY, M. D.

Koskoo Cures Chronic Rheumatism.
NORFOLK, Va., Sept. 7, 1869.
DR. J. J. LAWRENCE—Dear Sir: My son has received so much benefit from your wonderful Koskoo, that he has been enabled to discontinue his medicine. I had almost everything without benefit. I believe, in all sincerity, that you Koskoo is an invaluable remedy for the disease from which he has suffered, and so far as I can learn, has never failed. If you only knew the immense value of your Koskoo, you would not be so slow in sending it to him as a remedy as Koskoo—that surely you do. The amount of good it has done is beyond all calculation. I am, respectfully yours,
W. M. E. NELSON.
