## DR. TUTT'S EXPECTORANT

FOR

*Coughs, Colds, &c.*

For the Speedy Relief AND PERMANENT CURE OF

**CONSUMPTION,**

BRONCHITIS,

**ASTHMA, COLDS,**

AND ALL DISEASES OF THE

**Lungs, Chest, or Throat!**

THE EXPECTORANT is composed exclusively of Herbal and Mucilaginous products, which

Permeate the very Substance of the Lungs,

causing them to throw off the acrid matter which collects in the Bronchial Tubes, and at the same time forms a soothing coating, relieving the irritation which produces the cough.

The object to be obtained is to cleanse the organ of all impurities; to nourish and strengthen it when it has become impaired and diseased by disease; to renew and invigorate the circulation of the blood, and strengthen the nervous organization. The EXPECTORANT does this to an astonishing degree. It is active, but mild and congenial, imparting new life, energy and natural strength. It affords oxygen to vivify the blood, and Nitrogen to assimilate the matter—

**It equalizes the "nervous influence,"**

producing quiet and composure.

### TO CONSUMPTIVES

It is invaluable, as it immediately relieves the difficult breathing and harassing cough which attends that disease.

### FOR ASTHMA

It is a specific—one dose often relieving the distressing choking, and producing calm and pleasant repose.

### FOR CROUP

No mother should ever be without a bottle of the EXPECTORANT in the house. We have numerous certificates of its having relieved almost instantly the little sufferer, when death appeared almost inevitable.

MOTHERS BE ADVISED!

*Keep it on Hand!*

This dread disease requires prompt action, as soon as the hoarse, hollow cough is heard, apply the remedy, and it is easily subdued.

BUT DELAY IS DANGEROUS!

☞ The properties of the EXPECTORANT are demulcent, nutritive, balsamic, soothing and healing. It braces the nervous system and produces pleasant and refreshing sleep.

IT EXHILIRATES AND RELIEVES GLOOMINESS AND DEPRESSION.

Containing all these qualities in a convenient and concentrated form it has proven to be the

**Most Valuable Lung Balsam**

ever offered to sufferers from Pulmonary disease.
