A Happy New Year. of the past few weeks, seemed almost tionately commend him. In parting with taken as an augury of hope, that the year tain regret, and the church over which that which has just been folded in the good minister, and one who labored diliwish our numerous readers a happy, the new field to which he has gone we glad new year. Although we have pass trust he may find active co laborers, and ed through sorrows and tribulations, strong help, and that he may do a good which have tried our people sorely, yet work the present year.

have cause then for rejoicing and for favorable to the Church. thankfulness, that the good God, our shines. A happy, glad year to you dear pathies are strongly exercised. reader, may the sun of righteousness and | The Rev. J. A. Mood, who supplie peace smile on you, and all your under- the place on the Station, preached for the takings be crowned with abundant suc- first time before his congregation on _____ New Volume.

With this issue we commence a new volume, and we beg permission to utter felicitations that the new year and the new volume finds us, patrons and publishers, on our legs and kicking, with our accustomed tenacity, to life, and still mutually and kindly endeavering to do our parts one toward the other. We thank you, dear reader, young and old, woman and man, for your sustaining help and kind countenance during the past year, and that our numerous short-comings, if they have been noticed at all, have in no instance been brought to our charge. To the dear ladies, especially, do we feel grateful, in that they have borne with us so long, in the face of so many transgressions. We are penitent, but cannot help having a little fun now and then. In the beginning of this volume we do not feel like making profuse and extravagant professions of what we intend to do, but we promise to do all in our power, as far as means and abilities permit to make the the end of the late War. Herald as acceptable in 1871 as in the and flattering encomiums paid us by many are highly appreciated, as also the very liberal patronage bestowed, as well have been almost invariably answered. We indulge the hope that you may all continue to stand by us, and that many more names may be added to our list of subscribers for 1871. The more subscribers we have reader, the better not only for us but for you, for with an increased list, we will be enabled to add improve- ing. ments to the paper which will add to its so desirable, by getting us a new name each. Will you try to do so?

A single copy of Herald is " and copy of Rural Carolinian beside.

as early as possible. ____

V.k's Floral Guide.

We are pleased to receive from Mr. Jax Vick, Rochester, N. Y., his beautiful annual Floral Guide for 1871, and we wish that all our readers had one als , which commended it to us then it still retains. for it is not only beautifully printed and embellished with representations of flowers and vegetables, but it gives valuable ers and vegetables, but it gives valuable readers. With the January number, just information as to their culture and received, the ECLECTIC enters upon a new growth, such is formation as every one may receive with pleasure and profit. It contains a beautiful steel engraving called as possible. Two elegant fronti-pieces, highly colored, of the different varieties of Petunias, American Hamor, the Present handsome enough to frame, meet the eve on turning the cover. That every one Islands in 1838, 1860 and 1870. Sketches of may have a copy of this beautiful Guide. Mr. Vick will send it to the address of German Constancy, three or four choice any one who will enclose him ten cents, shout one half its cost. Send to Mr. James Vick, Bochester, N. Y., with ten

REELE CARGUNIAN-JANEARY NEWBER -The hand-somest, best, and cheapest. How any intelligent Southern farmer can refer in from subscribing to a magazine so especially devoted to his interests, is beyond our com-prehension. Conduc e I both by the publishers and editors with a degree of ability heretefore unparalleled in the annals of Southern agricultural literature, it has already given to its specialty, the development of Southern agriculture, a prominence in the eyes of the it, and is thus doing our tarmers a service which they can never fally appreciate. This number alone contains information many times the value of the subscription price. Colonel Aiken and Colonel Jacques, of South Carolina; Mr. W. B. Wilkes, of Mississippi; Dr. C. L. Hanter, of North Carolina; Mr. P. T. Graves, of Alalama; Mr. W. X. Hunt. of Floride; Mr. D. Z. Evans, Jr., of Maryland; Mr. Rivett-Cornac, of Bombay, and a score of other able agricultural writers and planters, curied its pages with their experience and teachings, and furnish to its intelligent readers an amount of information which

Ministerial Changes in Motholist Church-The Rev. O. A. Darby, of the Metho dist Station Church of Newberry, which he has so faithfully and acceptably served for the past two years, left here on Friday last for his new appointment in the The bright dawning of the new year, Lown of Greenville, to which charge, and which, after the cold and ugly weather people generally, we kindly and affeclike the bursting of spring time, may be Mr. Darby, this entire community enterpast. We indulge in this natural and gently for the building up of the spirit innocent hope, and heartily, earnestly unl interests confided to his care. In

have we cause for rejoicing, now while The Circuit also feels a loss in the remaking a retrospect, that while we have moval of their spiritual leader, the Rev. passed through them all, with here and A. J. Cauthen, who, during the labors of there a scar, to tell the tale, we have the year just closed, proved himself a man been spared thus far, and through a kind altogether just as they desired. Mr. and merciful Providence are brought to Cauthen goes to Loundesville, a fine the threshold of another year, and under country and good people, and we feel circumstances indeed favorable. We certain that his record for 1871 will be

The Conference, no doubt, in their kind Father, "hath cared for us", in sup system of ministerial changes are gov plying our many wants so liberally, that erned by wise laws, at least we take this the earth hath been made to yield its in- for granted, but still we must condemn a crease abundantly, and that the general course which so often brings such great health has been so remarkably good, inconveniences, such a deal of trouble We hope for a continuance of the Divine and expense, and is the cause of breakblessing. And as a people whose God is ing so rudely, ties of closest and tenderthe Lord we should lift up our voices in est sympathy and christian affection. It praise and our hearts in thankfulness to is an accominable plan. Where minister the source of all happiness and goodness, and people are acceptable to each other, and strive with all earnestness to be a where a good work is going on, and better people, and more deserving of His where there is no call for change, there merciful favors. The year is just in its should be none, at least for a longer pe dawning, its new sun smiles brightly, and riod of time than is now allowed. We we feel like making a clear record which have seen some of the trials, troubles may tell a happy story at its close, on a and sorrows of not a few of these itine leaf as bright as the sun which now rant Methodist ministers, and our sym

> Sabbath last, and won their earnest attention by an effective, forcible and eloquent sermon on that consoling text found in the v ch. of St. Peter, 7th verse, "Casting all your care upon Him; for he careth for you." Mr. Mood's style is happily forcible, eloquent and touching, and his discourse on Sand v was marked by much ability and thought. We wish him in his new field, as well as the others mentioned, a year full of graciousness and good works.

Rev. A P. Avant, who supplies the Gircuit, has not yet arrived.

The Faculty of Washington College under the sanction and with the assist ance of the family of Gen. Lee, will, at an early day, have issued in elegant style from the press of the University Publishing Company, 4 Bond Screet, N. Y., a memorial volume as a votive tribute in memory of the illustrious Lee.

This volume will contain-1. A Biographical Sketch of Gen Lee, to his Aid-de-Camp and Military Secretary.

2. An account of Gen. Lee's Lite at Washpast, and more so if possible. The kind ington College, and of his history since the war: also of his Death and Funeral Obsequies, by members of the Faculty of Washs

ington College.

3. Incidents and Reminiscences, Illustrathe promptness with which our calls Confederate Chaplain, resident at Lexing-

STEEL ENGRAVING OF GEN. LEE,-We acknowledge the receipt of this elegant engraving from the house of the Southern Press, Baltimore, Md. It is decidedly the finest likeness of our lamented chieftain and statesman that we have ever seen, and a copy of it should adorn every household in the Southern land. The Southern Press, a firstclass paper, and the engraving is furnished at the low price of \$4. Address Southern Press, Baltimore, Md.

Sale-Day .- The crowd in town on Monday last was the largest, and by all odds the highest colored, we have seen for many months past, and we are glad to say that the ntmost quiet and order prevailed, consider ing the great number which filled the streets. We presume that the large majority of blacks were here in quest of homes and work for the ensuing year, and from what we learn they are anxious for employment, but in many cases are asking such prices as farmers cannot reasonably pay and succe-sfully run their farms. There is no fixed plan or rule or scale for this question of labor, and every man is trying to work out the problem to his own satisfaction, every man is for himself. We have no advice to offer, but do say that he who employs the most labor and pays big wages, unless it turns out better than it has in the past, will succeed no better than the

The sales by Sheriff, of land, are as follows: One tract of 430 acres, \$2,500; 50 lows: One tract of 430 acres, \$2,560; 50 lent the poetry of religion to the beautifully-acres, \$56; 104 acres, \$1225; 62 acres, three impressive services of the day. The vocalis zation by the choir was very sweet and prolimiles from the Court House, \$675. fic,-there was a certain facile flaency, ras-

last year.

NEW MALE ACADEMY. -It has been determined, we believe, to erect a new building as a Male Academy, in the town of Newberry, and no better or wiser thing can be done. We trust that the accomplishment of so greatly desired an end may not be greatly distant, that our town may boast of an Academy such as its position and population entitles it to. Such a want has long been felt, and now that the idea is entertained, we hope soon to see it carried out. Ities of horse-flesh, and tells all about codes In the meantime temporary accommoda, and cabebs, bots and blind brides in a tions have been procured so that a school may be opened without delay, and the serior for accountlished and highly and the serior for accountlished and highly and the storing of raisins, and the vices of an accomplished and highly quali- chop; fied gentleman secured to take charge of it
