

Widder Spriggins' Daughter.

Words and Music by A. T. Gorham.

Music in October Number Peters' Musical Monthly.

It was on a beautiful Summer morn, When things were up and down, And all among the punks vines, The bumble-bees were humin'; I took an early half mile walk, As every body's order, When in the cowpath I was met By Widder Spriggins' Daughter.

Her eyes were black as Davy's ink, Her cheeks were red as fire, And one smack of her luscious lips Would bring a judge or jury. I bow'd—the curfew had just rung, Her old dear had just laugh'd her; She smiled—and oh! my heart was gone To Widder Spriggins' Daughter.

Says I, "My dear, how do ye do?" Says she, "I reckon fine." Says I, "Of all the gals I know, You look the most delectable." I snatched a kiss—she elap'd my face, In fact, just as she'd order; "Behave yourself, how dare you, sir!" Cried Widder Spriggins' Daughter.

Just then an old rambling sheep Who had been feeding near, Squared off, and like a ton of bricks He took me with his head, sir; I land'd in a chuck, chuck full Of frogs and fishy water, And then Widder Spriggins' Daughter.

I rather guess I crawl'd out quick, Picked up my hat and mizzled, While love's bright torch so lately lit, Out in that foggy fuzled. Well, she was married yesterday, A lawyer chap has got her; So I'll forget, if not forgive The Widder Spriggins' Daughter.

Wanted—One good substantial reason why the Republican party should re-nominate General Grant. P. S. Reducing the debt \$75,000,000,000 in half a year is played out. The people did that.

In the Pope's last Encyclical, the following occurs in substance: That in the unity of the faith and communion of the faithful everywhere, will come the full and absolute triumph of the Church, and the destruction of all the earthly allies of hell.

Two youths at Lexington, Miss., were playing with a pistol. One of them slipped in a cartridge unknown to the other, who innocently snapped the pistol at him and shot him dead.

HEINITSH'S KINA CHILL CURE.

New Remedy. New Principle. No Poison. A NEW DISCOVERY AND A SOVEREIGN SPECIFIC FOR THE CURE OF Intermitting Fever, Remittent Fever, Chill Fever, Dumb Ague, Periodic Headache or Illness, Malaria, Biliousness, Typhoid Fever, and all Diseases originating in Biliary Derangement or Liver Disorder, Chloroform Intoxication, and Malaria or Miasmatic Localities.

HEINITSH'S KINA CHILL CURE is a cure for all forms of Chills and Fever, and its sympathetic disorders. It must be observed, that, inasmuch as these disorders have their origin in an impure state of the blood, with more or less functional derangement of the Liver and Spleen, it is of primary importance that due attention should be given to the condition of these two important organs, and to use such medicine as combines the essential properties of alterative and blood-purifying principles. With such a medicine and such treatment you will fall in a curable "Chill" and Fever.

HEINITSH'S KINA CHILL CURE is the great antidote to a vegetable compound possessing extraordinary food-stuff and purifying power, cleansing the blood, removing all obstructions of bile from the liver and promoting its proper discharge.

HEINITSH'S KINA CHILL CURE is the natural antidote which neutralizes the poison by its purifying influence, and thus restores the system to health. The remedy is entirely new and original with the proprietor, and from known results under his personal observation, put it forth as a "Chill" cure, which will infallibly cure the "Chill" or Ague in any person who has suffered for any length of time, and by continuing its use according to the directions, a permanent cure will be effected and the general health restored.
