This preparation of the great Scientist, Dr. Gottfleb Fisch, of Germany, is based on the fact that, as all materials of the body are derived from Food, so all Vital Force, or Health, is derived from the Force stored up in Food. Dr. Fisch's Bitters enables the System to liberate and appropriate these Forces, creates Appetite, cures Dyspepsia, with its resulting Debillity and lack of Nervous Energy; so tones the Stomach and Liver as to make Constipation and Biliconsnessimpossible; reinforces the System so it can tide over bad results of changing climate, water, &c., and better endure the demands often unexpectedly made on its Force and Energy.
