Trip lightly over sorrow, Though all the day be dark, The sun may shine to-morrow, And gaily sing the lark; Fair hopes have not departed, Though roses may have fled; Then never be down-hearted, But look for joy instead.

Trip lightly over sadness, Stand not to rail at doom; We've pearls to string of gladness, On this side of the tomb; Whilst stars are nightly shining, And the Heaven is overhead, Encourage not repining. But look for joy instead.

LUYE.

The sea bath its pearls, The heavens have their stars, But my heart, my heart, My heart hath its love.

Great are the sea and the heavens, But greater is my heart, And brighter than pearls or stars Sparkles and glows my love.

Thou youthful sittle maiden, Come to my mighty heart; My heart and the sea and the heavens Are melting away with love.

Presidential Prospects and the Campaign in the South.

Alabama; - Chances regarded favorable for Greeley and Brown. The Conservatives carried the State elections in 1870 by majorities ranging from 1,700 to 4,500. The white vote exceeds the black by about 8,000. Teradicals have put on their ticket some native white men of good character.

Arkansas.-Is regarded certain for Greeley and Brown. This State up to this time has been "ruled by the most desperate and villainous carpet bag ring to be found anywhere in the South. A Liberal majority of at least 15,000 is counted upon. It is said that a good many of the negro votes are for Greeley.

Delaware and Florida .- Delaware is certain for Greeley. In Florida ares, as my facilities are such that I defy the white vote exceeds the black by about 1,000. Florida is regarded doubtful. The chances about equal, or slightly in Greeley's favor.

Georgia .- Certain for Greeley. 30,000 majority anticipated. Kentucky-Certain for Greeley

by about 50,000 majority. Louisiana-Regarded doubtful. The negro vote exceeds the white by about 6.000.

Maryland-Deemed certain for Greeley by about 30,000 majority. Mississippi—Doubtful. The negro majority is from 10,000 to 15,- Just Published in a Scaled Envelope. Price

Greeley are: Alabama...... 10 | Louisiana..... 8

The only South State which is counted as certain for Grant is South Carolina-7.

The one doubtful State which is probable is Mississippi-8. Such is the view of the situation

in the Southern States, as given by a correspondent of the New York Tribune, who claims that he has visited each State referred to. and that his conclusions are based upon a fair, accurate and impartial examination in each case. The reviewer thus concludes:

"If Greeley carries none of the doubtful Southern States, he can be elected by the vote of New York, Pennsylvania, New Jersey and Indiana, with those States in the South of which he is sure. If he carries Alabama and Louisiana. as I am confident he will, the vote of New York and Pennsylvania alone will come within one electoral vote of the 184 required for a choice. Or, he could lose Pennsvivania and still succeed with Indiana and New Jersey, and · either Connecticut, Wisconsin, or any two of the three Pacific States. The Liberals at the North may be assured that the prospects at free of Drayage to any one in Town, or any the South are fully as encouraging one in 2 miles of the Goart House, and at the Depot. INSURANCE NOTICE.

THE undersigned having established his office at Edgefield, as General Agent for the Cotton States Life Insurance Company, invites attention to one or two of the ad-vantages offered those who may desire to effect insurance on their lives in a safe Home The Board of Managers at a recent meeting, passed unanimously the following reso-"Resolved. That in view of the fact that there are unusually large sums paid for Life Insurance, to the Companies of the North and East, which sums, being there invested, contribute to the enrichment of those sections, whilst our own South is greatly in need of cash capital to prosecute successfully our Agricultural and Mechani-

ing to not more than 70 per cent, of the same be invested in such manner as may be in accordance with the regulations of the Company, in those sections from which the said premiums are attained."

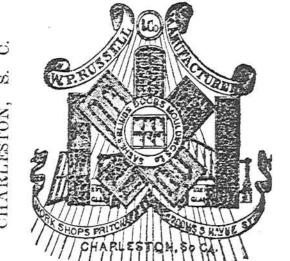

WM. B. JOHNSON, Pres't. (Signed) GEORGE S. O'BEAR, Sec'y.

The Financial strength of the Company places it is high rank. Its last Ananual Statement shows that the Company possesses, besides its large Guarantee, \$170 for every \$100 of its liability.

To carry into effect the foregoing Resolution of the Managers, the Company proposes to establish Boards of Supervisory Trustees in each County and Village in the State, who Seventy per cent, of all the NET PREMIUM RECEIPTS, from any locality where there is a Board of Trustees, will be returned and invested with its Policy Holders; thereby making the "Cotton States Life," a HOME GOMPANY to every Policy Holder.

Applications for loans from any locality will be made through its Board of Trustees, whose approval will secure a loan at moderate rates, and for any period, provided the collaterals are acceptable by the Directors at the Home Office in Macon, Ga. No safer investment of the accumulating assets of a Life Company can be made than with its Pollcy Holders, and the above plan, so liberal and just, is now offered to the people of Newberry. The privilege of using a portion of the Company's assets, is extended to every one of its Policy Holders. I therefore propose to establish a Board of Trustees here in

Newberry, and at any other point in the District where desirable. B. F. LOVELAGE, Canvassing Agent. Mar. 27, 13-:f
