SHERIFF'S SALE.

IN PROBATE COURT. John C. Johnson and Daniel Johnson, against George W. Johnson and others.

Petition for sale of land. By virtue of an order of me directed by his Honor James C. Leahy, Judge of the Probate Court, in the above stated case, I will sell the real estate of Sarah Johnson, deceased, at Newberry C. H., at public sale, on the first Monday in January next, consisting of one tract of land, situate in the County of Newberry and State of South Carolina, containing

Sixty-two Acres, more or less, and bounded by lands of Thomas V. Wicker, John P. Donahoe, John K. Ward and others.

Terms of Sale.—One-half cash, balance on a credit of twelve months with interest from day of sale, with bond and security and mortgage of the premises to secure the credit portion, or pay for papers.

If terms are not complied with immediately, the land will be resold at first purchaser's risk. J. J. CARRINGTON, S. S. C. Dec. 11, 50-4.

THE ENTERTAINMENT, on Thursday night last, by the Silver Curtains, drew a crowded house, which gave evidence of the appreciation of our citizens of an amusement of a light, pleasing and moral character.

The Cornet Band have it in their power to make their entertainments highly acceptable, and if they will study to give an excellent variety they must succeed. The new features introduced on the last occasion were well received—and will serve as a guide for the future.

The versatile and humorous Dr. Saul—of world-wide reputation—is not expected to be made available every time, for according to the proverb, "Manrice does not kill a cow every day;" but some other bright particular star, floating about in eccentric circles, may accidentally either shoot perpendicularly or in a tangent, down this way, and may be grabbed up, gobbed up, or gone for by the Cornets, so that they may show their desire to give that variety which is the spice of life.

Dr. Saul will accept thanks for his efforts, till he is better paid. He made a splendid debut. And so did the star dancer, from the old North State—he certainly knows how to use his legs. The overtures were good, double dancing, etc. We suggest, respectfully, that the piece entitled "The Manager in Distress," be laid on the shelf for the present, and at the same time, as the ghost is an important and seemingly necessary character, and puts in his appearance in other scenes equally as distressing, let him make his visit soon.

This suggestion is in good part; we want the Cornets to succeed and put money in their purses, and draw wrinkles out of the faces of the audience "for ever and a day;" and the best way to do this is to give pleasant variety.

PERSONAL.—We had the pleasure last week of meeting with Rev. Samuel Lander, A. M., President of Williamston Female College, and Professor of Latin, Greek and Natural Sciences. The College has an excellent faculty, and a large number of pupils. This Seat of Learning was opened in February of the present year, in the Town of Williamston, and already enjoys a good reputation.

The Collegiate Year is divided into two sessions of twenty weeks each, with two intervening vacations. The Spring Session, 1873, will open on Monday, February 31, and close on the 21st of June. The Fall Session will open on Monday, the 1st of September, and close on the 21st of January, 1874.

The regular vacation during the months of December and January, so that pupils have the benefit of a healthful summer residence and the waters of Williamston Mineral Spring.

The course of study consists of the School of Letters and the School of Arts. Of the former is the primary department, intermediate department, the first college class, the elementary English department, and the departments of belles-lettres, natural sciences, mathematics, Latin, Greek, and French. The latter of vocal, instrumental music and the ornamental department.

We had the pleasure, also, of meeting Col. Ball of Laurens, who formerly was editor of the Laurens Herald. Col. Ball is a most pleasant and genial gentleman. There is a cheerful heartiness in his deportment and manners, which is very fascinating.

The pleasure was also one of meeting with R. W. Shand, Esq., formerly editor of the Union Times, which position he filled with much ability. Mr. Shand was here on business connected with the estate of the late Dr. J. N. Herndon.

AN ARMFUL.—Certainly, those who subscribe for the Schoolday Magazine, get an armful for their dollar. They not only have the choice of two beautiful \$2.00 steel engravings, entirely free of cost, but the Magazine itself is one of the very best that is published and should be in all houses and schools in the land. Our readers would do well to send a three cent stamp to J. W. Daughday & Co., Publishers, Philadelphia, Pa., and get a specimen number with all the particulars of the Schoolday Magazine.

In Greenville, S. C., November 21st, by Rev. A. B. Stephens, Mr. G. W. Moore to Miss FANNIE ROBINSON, all of this place.

November 21st, at the residence of the bride's father, by Rev. G. T. Harmon, Mr. JOHN R. HOLCOMBE, of the Pickens Sentinel, to Miss FANNIE E. WILLIAMS, all of Pickens County, S. C.

Died, in the town of Newberry, on the 25th of November, of consumption, Mrs. STEPHEN KINARD, aged 50 years and 6 days.

The subject of this brief notice was married for thirty-three years, or two-thirds of her life, a consistent member of the Lutheran Church, and a blameless walk, and faithful discharge of her duties, not only as to her Maker, but in the relations of wife, mother and friend, had endeared herself in the strongest bonds to all around her. Her love for husband and children was deep and boundless, for with strict sense of duty, firm will, untiring energy, and faithfulness, in all that becoming the Christian woman, she knew not how to rest till all these respects were satisfied. A cup of cold water in His name, the little deeds of kindness, and little words of love, so easily bestowed, assuredly made of earth Eden, and insure a Heaven above.

For years her health had been failing under the insidious attacks of that dreadful disease consumption, but through much entreaty, and enduring at times the most painful efforts, she bore it all uncomplainingly, and ministered, till within a short period of her dissolution, to the comfort and happiness of her dear ones. Her life was a beautiful example of endurance and trust, and her end everlasting peace, for she was ready when the summons came. Blessed are the dead who die in the Lord.

A large and sorrowing family, husband, sons, daughters, grand-children, and numerous relatives, feel the loss which to her is such a heavy grief, and they are all united in grief as without hope, but so to live that their end may be peaceful as hers, and in the hope of a meeting, where tears are not shed, and sorrow and pain are never more.
