The Cant of Impostors. It is so obvious that physical and constitu-

tional vigor is the best defense against diseast, that even the vendors of drastic purgaand invigorants, in the hope of enlisting the infidence of the public in the deviralizing d pernicious potions. It is amusing to be how these impostors imitate and copy the language in which the medicinal proper ties of Hostetter's Stomach Bitters are o eiled. Although the effect of their rasping evacuants is to destroy the tone of the tive organs and the bowels, and to tob the system of its vital strength, they are unsernloasly recommended to the weak and pros time this humbug (not a very su-cessful one the passing and the meaning our test is true, thanks to the meaning common ease of the American people) was stigmaized as it deserves. Such mischlevous false ands should be exposed pro-bono publico. lostatier's Stomach Blitters, be it distinctly nd rstood, is a stimulant. It has a spiritubasis, and that basis is the vehicle which fluses its wonderful sanitary prin through every part of the system. The tonic, alternaive and regulating ingredients of the Bitters would be compactively inert if they were not, so to speak, carried to the localities where they are required by the stimulating agent. The cant which profests against the the of a tarre alcoholic third, when employed as a means of giving full effect to medicina extracts of the highest utility, is the cant charl tranism. Every intelligent physician so characterizes it, and the sick who are griped, convaised and debilitated by the nau-

vholesome, vitalizing, renovating prepara-It is Not Generally Known
