All single or transient business notices in ade for three, six or twelve months.

____ Communications on subjects of interest to the public are always acceptable. The names town of Mr. C. P. Pelham, well known of writers, remember, must always accompathrough this section as a writer of fearny a letter to insure its publication. No re- lessness and ability. His visit was a sponsibility is assumed for any other views than our own.

DECISIONS OF THE COURTS.-Any person Is a thing that could be lectured on too; who takes a paper regularly from the Post Office-whether directed to his name or another, or whether he subscribed or not-is responsible for the pay. If a person orders his paper discontinued he must pay all arrear. ages; or the publisher may continue to send from the Post Office, or removing and leaving them uncalled for, is prima facie evidence 44-tf. of intentional fraud.

papers from their office. Of course no publisher can afford to pay postage for a subscriber in arrears. We give this timely notice to all delinquents that we will not let their names encumber our books after that period.

TAKE NOTICE.—All parties having Administrator's or Executor's Notices for publication, will save themselves trouble by coming prepared to pay for the same before insertion, as our terms are cash. Lawyers handing in such notices will be held responsible for the payment.

9-tf.

Transient advertisements of any kind must be paid for in advauce, if the parties advertising do not reside in town. Job work and subscriptions strictly cash. All papers shall be stopped hereafter as

The mark denotes expiration-after that the paper is discontinued. Bear these things in mind.

It is Not Generally Known That the shortest possible route between the South and Great West is through Louis, over the St. Louis, Kansas City and Northern Short Line. This road has gained surprising importance by reason of immense expenditures in the last two years, of over two million dollars, besides earnings, in im provements of road-way, in relaying their

rails, on broad new ries, and substituting for ordinary cars, new reclining chair coaches, elegantly carpeted and fitted, with dressing rooms with toilet conveniences for ladies, gentlemen and families traveling with children, without any extra charge. This line runs six fast Express trains between the Mississippi and Missouri Rivers, two more than any other road, and connects with all the great Land Grant Roads in the West, and has adopted all modern appliances for comfort, speed and safeguards against accidents, including night and day watchmen, who spect the road before and after the passage | house f each train to see that everything is in ory coarse and boorish. Such persons or. We recommend those contemplating a trip West to take the St. Louis, Kansas City and Northern Short Line, it being the only are constantly inflicting wounds which ne running through cars between St. Louis and Omaha, and for tickets over this excelleat line we refer our readers to any ticket agent selling through tickets to the West. For map, circulars and Time tables address either J. F. McCarrhy, Cincinnati, O.; or P. B. Groat, St. Louis, Mo., either of whom will furnish any information desired.
