Among the number is a pamphlet copy of the New York City Ring, its origin, rise and fall, discussed in a reply to the New York Times, by the aboved named distinguished gen-

tleman. We return thanks for the STABBED .- A negro girl about fifteen years of age, who had been stabbed in the arm and head by one of her schoolmates at Helena, was lead into town on Thursday by her father, a distance of over one mile, he holding up her arm to stop the flow of blood. She presented an ugly appearance-eye swollen and bloody, and dress all matted with gore. The father stated that the girl who committed the deed had no provocation, but just ran up to his daughter and made the deadly assault, but this must be

The fire was the work of an incendiary, and no doubt by the hand of one cf his colored brethren, who was jealous of his success and good standing. It is a pity that some of these midnight burners and murderers could not fall into the hands of Judge Lynch. They do not deserve trial or hanging by the slow consideration of the hard times a person and uncertain process of law. They should be hung to the first tree.

> A DESIDERATUM,-Mr. John Elkins, of Alston, presented us on Wednesday last, with one of his patent Whiffletrees, which we think the best invention of the time. By its use a horse can be instantly released from a buggy and run age to the occupants of the vehicle. It is not only a safe thing for ranaway horses, but it will also prove a great left standing, as the driver on alighting can detach him from the buggy without any trouble or loss of time. We will not attempt a description of this very useful article, but will take pleasure in Walk up stairs and ask to see Elkins' patent Whiffletree.

Mar. 15, 11-tf. Seegers' vs. Cincinnati Beer.

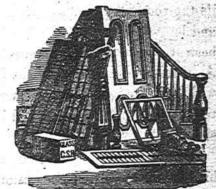

The Cincinnati Gazette makes the astonishing announcement that Cincinnati beer is no longer pure, but adulterated with molasses, sugar of starch, fusel oil and the poisonous colchicum. The Commissioner Administrators, Executors, Guardians of Agriculture, in his report for 1865, says and Trustees, will take notice that the that Prof. Mapes, of New York, analyzed ·Wednesdays, Thursdays and Fridays of the beer from a dozen different breweries, March and April are specially set apart for and found all of it adulterated. Cocculus neys, Messrs. Moorman & Schumpert, on to its composition.

J. C. SEEGERS guarantees his beer to be pure and reliable. He does not adulterate ment on or before that day.

ODIDE OF AMMONIA

Cures Neuralgia, Face Ache, Rheumatism, Gout, Frosted Feet, Chilblains, Sore Throat, Bruises or Wounds of every kind in man or animal. GILES IODIDE OF AMMONIA is, in my judgment, the best remedy for neuralgia ever put before the public. I have been afficted with this terrible disease for 32 years, and never until I fell upon Mr. Giles' remedy did I find any assured relief, I take pleasure in saying this, inasmuch as I desire always to be a benefactor of the human tamily.
