R. C. MAYBIN,

In giving the proceedings of the Convention we shall confine ourselves exclusively to undisputed facts. We do this in deference to the position that we occupy. The writer of this is one of the seven contesting delegates from the Young Men's Democratic Club, and among those known as the "Suber faction" in contradistinction to what is known as the "Johnstone faction," into which the County is divided. It is in view of these facts, and in view of the further fact that nothing should be said to add to the excited state of the public mind, and not from any indisposition to say what we think, that we do this.

There were contesting delegations from certain Clubs in Townships Nos. 1, 4, 9 and 11. The chief interest cen tred on the contest from No. 1. Seven delegates appeared from the Young Men's Club, known as Club 2, and four from the Carolina Club. T. J. Lipscomb, of No. 1, moved that the matter be referred to the County Executive Committee, and that in case the member of that Committee from any Township were not present the delegation elect one of their number to fill the vacancy for the occasion. G. M. Wilson, of No. 10, moved to amend by referring the matter to a Committee on Credentials to be composed of one delegate from each of the eleven Townships, to be appointed by the Chair. The amendment was adopted and the Committee was authorized to send for persons and papers. The Chair appointed as the Committee the following: From No. 1, R. . McCaughrin; No. 2, J. O. Turnipseed; No. 3, Jno. T. Bynum; No. 4, J. S. Spearman; No. 5, J. W. Folk; No. 6, T. M. Neel; No. 7, Jas. R. Irwin; No. 8, Jno. T. Peterson; No. 9, A. H. Wheeler; No. 10, Geo. M. A motion was made to adopt the majority report Leave was granted to two members of each of the two contesting delegations to present and argue their cases. J E. Brown, of the Carolina Club, and O. L. Schumpert, of the Young Men's Club, were heard. The facts of the case may be briefly stated. On Mon day night, 19th inst., the Young Men's Democratic Club met in Thespian Hall, in obedience to the call its Executive Committee, J. E. Brown President, in the Chair, and L. W. Jones acting Secretary. E. C. Jones, Chairman of the Executive Committee of the Club, read the report from the Executive Committee of the Township which met the 17th to apportion the Township delegation; by which apportionment this Club was allowed seven delegates. The two factions into which the Club was then divided each nominated seven delegates. The ballot was taken, with the following result: O. L. Schumpert, 53; T. C. Pool, 54; W. H. Wallace, 53; J. Y. Culbreath, 52; L. K. Vance. 52; L. W. Simkins, 55; A. C. Jones, 51; J. E. Brown, 51; G. S. Mower, 48; Geo. McWhirter, 49; O. B. Mayer, Jr., 48; D. S. Pope, 51; E. C. Jones, 2; 3d Wednesday in November. -, 1; R. Moorman, 1; W. W. Hodges, 1; L. W. Jones, 1. It was then asserted by the Johnstone faction that there had been three illegal votes, that 104 ballots were cast whereas only 101 members voted. The Suber faction denied this, and it was soon ascertained that

ing felt the influence of his zealous and intelligent efforts in the advancement of the public weal, religiously, socially and financially. No man has worked harder for Newberry than he, and we but utter the sentiment of the whole people in saying well done, good and faithful servant. He was asked to remain-O. L. Schumpert moved "that it is the wish of the Club that the President. Mr. Brown, do keep the Chair," which was unanimously adopted by a rising vote. Still insisting the President was excused. He called the 1st Vice-President, W. H. Wallace, to the Chair, and withdrew. Acting in accordance with President Brown's decision, that there had been no election, Mr. Schumpert moved that the Club go into an election for seven delegates-adopted. Messrs. Schumpert, Pool, Wallace, Culbreath, Vance, Simkins and A. C. Jones were

then elected. The Johnstone faction, after with drawing, went to Mr. Mower's office and formed a Club, which they named the Carolina Club. Wednesday night following they met in Thespian Hall and went into an election for four delegates to the County Convention. Messrs. Geo. S. Mower, Geo. Johnstone, D. S. Pope and J. E. Brown were then elected delegates-whole number of votes 39.

We have stated the facts as acknowedged by both sides. We have stated them with particularity, because they are important. What action the County Democratic Convention would have taken after having heard these facts it is impossible to say. Just at this stage of the proceedings occurred

between Capt. D. A. Dickert and Col. Thos. J. Lipscomb, (we prefer to call them by these old army titles, though the former is now a Colonel in the State Militia and the latter is a Major-General.) About the time that Mr. Schumpert was finishing his speech a personal difficulty arose between these two gentlemen. Shots were exchanged, Capt. Dickert receiving a wound in his right arm, the ball entering between the hand 11, T. H. Crooks. Both gentlemen were gallant soldiers in the service of the Lost Cause, and two braver men never lived. We hope soon to hear that Capt. Dickert has recovered full use of his

FAREWELL SERMON.-Rev. H. W. Kuhns preached his first sermon to the congregation of Luther Chapel the last Sunday in August, 1872. At that time the Church was far from prosperous; it had only forty members; the Sunday School numbered only thirteen; prayer meetings were almost unknown; the people had no parsonage; the Church building was sadly out of repair. The last Sunday in August, 1878, the 24th inst., he preached his farewell sermon. The contrast between the condition of affairs at the beginning and the close of his ministry here speaks volumes for his faithfulness and ability. The church building is in fine condition; the Sunday School numbers over seventy; the membership is one hundred and thirtyone; prayer meetings are held every week: a neat and comfortable parsonage has been erected; and the Church now ranks among the very first in the bumble-bees.

Luther Chapel was completely filled Sunday to hear the Pastor's farewell sermon. He preached again at night to a good congregation at the Presby-

terian Church. THE PICNIC AT TRINITY .- The meeting of the County Lodge of Good Templars was held at Trinity Church the 21st. The Grangers in that section united with the Good Templars in preparing an elegant picnic for the occasien. Fully two hundred and fifty persons were present. Mr. Vastine Herlong, of Edgefield County, a vigorous and forcible speaker, who has done much good in his County, spoke first; followed by James Packer, Esq., in his usual happy style, and by Rev. J. C. Boyd, in a short and pithy address. The repast which followed was sumptuous and elegant.

Economy is the order now and it is right, that is in so far as concerns such articles as can be done without. But it is unwise policy to deprive oneself of things which are essential to comfort, and especially when they can be had for a mere trifle. How pleasant it is to sit around a well appointed table with bright new crockery, china and glass-ware, and on the other hand how uncomfortable if the sets are cracked or composed of odd pieces, no two of which are matched. Breakage will occur in the best regulated families, and it would be sad if the remedy were not easily had. To all in need we take pleasure in recommending a visit to the splendid and cheap emporium of Messrs. Kingsland & Heath, Columbia. A very

The Cramer Troupe advertised here for the 24th and 26th, came in ahead of time on Thursday last, and unfortunately at a time of great political excitement, and in consequence the attendance was so small that the management could not do otherwise than decline to give a performance. We regret this. Mr. Cramer had been solicited to visit Newberry, and his mortification must have been great, but we offer in excuse the great excitement of the day which no doubt influenced many ladies to remain at home. Mr. Cramer's reputation and the versatile talent of his company are known and appreciated here, and would under favorable circumstances insure him a good house. We suppose it would be useless to ask him to repeat his visit, but add this much, that had he announced a performance for the next night he would have had no cause to complain.

THAT "KAUKUS."-Some days previous to the meeting of the County Convention circular letters were sent round to the delegates in the County, signed by J. S. Hair, (by what authority we are not able to say), requesting them to LVGIV meet at the Court House Wednesday, the 21st, the day preceding the Convention. The delegates from the towns of Newberry and Prosperity were not invited. Quite a number of delegates responded to the call, many not knowing what was to be done. Most of them were opposed to any such movement. They didn't like the idea of caucuses within the party, nor the idea of arraying country against town. The meeting was held over Mann's, (Webb's old in a foul stable is nearly spoiled for store,) and T. W. Holloway, of No. 11, was called to the Chair. J. S. Hair, of No. 1, explained the object of the meeting, which was to unite together the delegates from the country. Capt. Jno. McCarley, of No, 4, moved to adjourn sine die. This was seconded by W. R. Smith, of No. 7, and carried almost unanimously, amid applause. And thus the "caucus" "flashed in the pan," as it ought to have done, and as all such attempts will do. There are a few men who are silly enough to try to array country against town, but the great mass of the people have no sympathy with any such feeling.
