The cotton is harvested; is not a finer set of men in the State than reported "half crop;" prices low; ends the Evening News force. Many of them have worked here for years and have grown to regard the paper with almost parental affection. They love it like Na-CONDENSED SCHEDULE OF PASSENGER TRAINS poleon's artillerymen loved their guns. and they stand by it every whit as stead fastly.

Women might play havoc with political affairs if they were allowed to vote. The wife of Governor-elect Brown, of Maryland, had determined on having a costume which would outshine all others at the inauguration ceremonies. Among the ornaments she proposed to wear was a tiara of diamonds. The jeweler who had it in charge, thinking to secure a free advertisement, told the reporters of it and the story was published all over SENECA: I have just received, per Mr. J. the State, having a very bad effect on the Democratic masses. It was finally decided to have the inauguration ceremonies very informal in order to counteract the effect of the story that Mrs. Brown was to appear in a Queen's insignia. For the first time in the history of Maryland there will be no reday of his inauguration.

> When Baby was sick, we gave her Castoria. When she was a Ch'ld, she cried for Castoria. When she became Miss, she clung to Castoria When she had Children, she gave them Castoria.

CHARLESTON, S. C., January 12 .-General Francis W. Capers died here to-day. He was born in Savannah, Ga.. 1819, and was a son of Bishop William Capers. He was first professor of the Citadel Academy at its organization in 1843. He filled successively the position of Professor of Languages at Transylvania University, Superintendent of Cokesbury Institute and of the Citadel General in the Confederate Army attached to the engineer service.

Mrs. Jackson says in her memoirs of her husband, Gen. "Stonewall" Jackson, that whenever she visited the General in camp he "spent all of his leisure time in playing with their baby."
