TUGALOO, January 22 .-- If the rain don't let up pretty soon there will be no oats sown this month. The ground keeps too wet to plow. English peas should be planted now for an early crop, but gardens are too wet to monkey with.

Our community was pained to hear of the death of one of our oldest citizens on ast Saturday morning. Mr. Asa Leathers died of paralysis. He was born September 21, 1819. He lived his entire life in the house where he died. He joined the Baptist Church at Old Bethel while in his twenty-sixth year. At the removal of Old Bethel to the present site, he became a member (one of the first) of Sunday evening, owing to the illness of South Union, where he continued a faithful, useful and consistent member. His remains were taken to South Union Sunday morning, followed by a very large number of sorrowing relatives and friends. The funeral services were conducted by Rev. C. Wardlaw, which were very appropriate, sympathetic and consoling, after which the body was laid to rest in God's Acre to await the resurrection, when he will be taken up with all who believe on Jesus.

The numerous friends of Mr. James Harris are pained to near he had the misfortune to be seriously gored by a vicious bull. His condition was reported better yesterday.

Joseph Davis, of the Southern railway, by his own train on last Wednesday, as stated Gignilliat, F. M. Cary, W. O. Hamilton in last week's Courier, was very sad. Mr. Davis was the fireman of the local freight and his run was between Greenville and Toccoa. As the train was going South on Wednesday it had to side track at Westminster for a through train Davis had occasion to go over to Lesly & Co's store to attend to some business. When he left the store his attention was while greeting the engineer in charge of it, and not knowing his train was coming backward, he was struck by the caboose, knocked down, ran over and instantly killed. He was standing between the tracks with his back toward the train which killed him. Engineer Fant of the local was backing his train in order to be ready to head in on the main line as soon as the other train was out of the way. Mr. Davis was well known here and was universally liked. He was a native of Raleigh, N. C. He had served the Company so long and faithfully as to receive promotion to engineer some weeks ago. He leaves a wife and one child. His body was sent from here to Greenville on the passenger train No. 12 on Wednesday. From Greenville the remains were carried to Raleigh

MOUNTAIN REST, January 22 .- We ere glad to see the genial sunshine of esterday, after so much rain last week. out Potash. We are corry to say the health of the ommunity is not very good at present. Every blade of Mr. W. H. McGill, who has been confined to his room for two weeks with cheumatism, is slowly improving.

Miss Dora Vissage, of Whetstone, who nas been very sick during the past week, s thought to be improving. Mr. J. P. Wilson and little son, of Mountain Rest, are very sick at this writ-

Mr. B. R. Moss, our clever Deputy Mr. Walter Alexander and bride, of

near Westminster, visited relatives and friends at Whetstone, also the family of Mr. K. B. Frotwell, recently. Miss Lassic Conley, of Whetstone, has

been on an extended visit to relatives n and around Walhalla. We are glad to hear that Mr. John Brown, of near Mountain Rest, who is a student at Clemson College, and who has been quite sick, has recovered, so

that he is able to pursue his studies

again. Miss Bessie Brown, who has been away from home at school, has returned home to the delight of her many friends.

Mrs. M. F. Pucket, of Westminster,

spending the winter with the family of Mr. J. T. Lyles.

Mr. W. T. Mongold has the contract to ceil the Double Spring school house. This is a much needed improvement. Some good desks are also much needed, and we think it would be a good think. and we think it would be a good thing for the trustees to employ Mr. Mongold

When women are afflicted with nervousness, irritability, nervous prostration or exhaustion and sleeplessness, in nine cases out of ten the source of the trouble is some displacement, irregu-arity or derangement of the distinctly feminine organs. Dr. Pierce's Favorite Prescription cures permanently such cases as well as that distressing internal ischarge from the mucous membrane, ntlammation and ulceration. One the principal uses of Dr. Pierce's Favorite Prescription is the preparation of prospective mothers for the time of trial and danger that comes when a child is The "Prescription" is strengthen ing and invigorating and lessens pain and danger. It insures the perfect well-being and the perfect health of both mother and child. Every woman should mother and child. Every woman should know these things before she really needs to know them. There are many things in Dr. Pierce's Common Sense Medical Advisor that every woman ought to know.
