For eruptions, eczema, tetter, salt rheum, scurvy and blood disorders Electric Bitters has no rival. It will cure them. All druggists in the county will guarantee satisfaction or refund money. THE NEW PENSION BOARD.
 The Soldiers' Home Decided Inadvisable—The Pensioners Seem to Prefer Cash.
 A mass meeting of the Confederate Veterans was held at the Court House on Monday, the 2d instant, beginning a little after 11 o'clock. The purpose of the meeting was to discuss the wisdom of building and maintaining a home for worn-out and indigent soldiers.
 Before the mass meeting began the consideration of any matters, the pension board of the county was elected as follows: Messrs. A. H. Ellison, Jas. T. Reid, E. A. Perry and A. P. Cox. After the election the members of the board elected Mr. A. H. Ellison as chairman and Capt. Jas. T. Reid as secretary. Dr. D. B. Darby was chosen as physician for the board. The board is to have jurisdiction over the interests of the veterans and widows of veterans will not suffer at their hands.
 As soon as the pension board adjourned Mr. S. B. Danvers called to the chair as president of the mass meeting. He stated that the object of the meeting was to discuss the wisdom of building and maintaining a home for worn-out and indigent soldiers. The matter was discussed fully and determined unwisely. A resolution recommending an increase in the pension was passed and the meeting adjourned.

 Remember Rev. D. P. Bearden's appointment at Choochee church the third Sunday in this month.
 A very interesting meeting is in progress here this week by our pastor and Rev. L. M. Lyda, of North Carolina. Bro. Lyda preached to a large and attentive congregation last Saturday night. In his mild and affable manner he pictured to his congregation the love and reconciling power of Jesus Christ, and proved to his hearers that he had closely studied his subject. At the close of the sermon Sunday evening the door of the church was opened by the pastor, Rev. J. B. Colley, and six members were received into the church—two by letter and four by experience of grace. It was a beautiful and solemn service. Our people were delighted with Bro. Lyda, both as a man and a preacher.

Happenings at Tugaloo.

 Crops are badly damaged by excessive moisture. This is the third consecutive year that bottom crops have been damaged by high water. The peach crop was almost entirely ruined by continuous rains. Let us hope we will have a dry autumn and a pleasant fall season, so that we will be enabled to help out an abundance of roughnecks to help out for the small corn crop. This is the weather for sowing turnip seed.

A Worthy Successor.
 All doctors have tried to cure Catarrh by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes, causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure. Pills, pastes and other "medicines" do not cure. An old and experienced practitioner, who has for many years cured Catarrh by a specialty of the treatment of Catarrh, has perfected a treatment, which, when faithfully used, not only relieves at once but permanently cures Catarrh by removing the cause, stopping the discharges and all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES," the guaranteed Catarrh Cure, and is sold at the extremely low price of one dollar, each package containing a full month's treatment and everything necessary to its perfect use. It is the only perfect Catarrh Cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation of the eye and permanently, and is also wonderfully quick to relieve Hay Fever or Cold in the Head. Catarrh when neglected often leads to Consumption—"SNUFFLES" will save you if you use it once. It is no ordinary remedy, but a complete and thorough one, positively guaranteed to cure Catarrh of any form or stage if used according to the directions which accompany each package. Don't delay, but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES," the Guaranteed Catarrh Cure. Send your name, address and dress in U. S. or Canada on receipt of one dollar. Address Dept. C 400, Edwin E. Giles & Co., 2330 and 232 Market Street, Philadelphia.
