A Bloody Watch Night Party

Augusta, Ga., January 1 .- Three people were killed and two wounded last night at Robbins, S. C., in a fight which occurred during a party given at the residence of Jesso Griffin. The participants in the fight were white people and well known in that part of the county. The dead are George Dunbar, Harry Dunbar, and Fletcher Bennett. The wounded are Mrs. George Dunbar and Arthur Dunbar.

"A watch party" was given at the residence of Jesse Griffin and during the evening William Cobb became involved in a dispute. Cobb later left the house. After his departure the quarrel was taken up by Fletcher Bennett, and Dunbar drew his pistol. Griffin, the host, interferred, taking Dunbar's pistol from him. Fletcher Bennett suddenly seized the weapon and shot George Dunbar, killing him instantly. The latter's son, Harry, came to his defence, but was also killed by Bennett. Arthur Dunbar, another son, also joined in the fight and shot Bennett. The shooting became general and Bennett received a second shot, which killed him, and Arthur Dunbar received a wound which will prove/fatal. Mrs. Dunbar was also shot, but it is believed she will recover.
