Compulsory Vaccination for Smallpox.
 There are several cases of smallpox in Wallhalla and compulsory vaccination has been ordered by the Board of Health. The disease has been prevailing in different parts of the county for two months, and has reached Wallhalla at last. Drs. Bell and Wickliffe have announced that Mrs. W. O. White is suffering with smallpox, colored boy who works for Rev. J. M. McCreair has severe case. Let everybody assist the officers and physicians in the effort to stamp out the disease by vaccination at once.

The Value of Expert Treatment.
 Everyone who is afflicted with a chronic disease experiences great difficulty in having their case intelligently treated by the average physician. These diseases can only be cured by a specialist who understands them thoroughly. Dr. J. Newton Hathaway, of Atlanta, acknowledged the most skillful specialist in the United States. Write him for his expert opinion of your case, for which he makes no charge.

THE PYTHIAN BANQUET.
 Wallhalla Lodge, No. 67, Entertains 136 Guests at a Delightful Banquet.
 One hundred and thirty-six Knights and their friends assembled at the Wallhalla Hotel last Friday night to enjoy the banquet of the Pythian Order. The banquet was held at the Wallhalla Hotel, No. 67, Knights of Pythias. It was indeed a feast of good things. Mine Host, Fred Devoe, did nothing by halves, and the spread was elegant beyond all praise. At 9.45 the guests entered the banquet hall, where they were seated at three tables extending the full length of the room, laden with an abundance of good things, and lacking in nothing save the inimitable Burns's Falerian wine, the serving of which is not included in Pythian etiquette.

There were quite a number of guests from a distance. All of the speakers were from prominent cities, except W. Shelor, Esq., of Wallhalla Lodge, who welcomed the guests, and Major Wm. J. Stribling, who responded in a happy manner to the toast of the Pythian Order, proposed by Hon. C. R. D. Burns. For G. W. Moss proposed the toast, "Our Guests" to J. W. Shelor, Esq. Gen. M. L. Bonham, of Anderson, responded to the toast, "Pythianism," proposed by Dr. E. C. Doyle, of Seneca. Bonham was a most excellent respondent, being a well-timed portraiture of the aims and ideals of the Pythian order. His hearers were unanimous in praising the manner and manner of his remarks.

J. J. McSwain, Esq., of Greenville, responded to "Woman," the toast proposed by Gen. M. L. Bonham, of Anderson. It was evident from Mr. McSwain's enthusiastic and timely remarks "but in woman not only strikes a responsive chord, but very true to the heart. Many of his remarks were humorous and witty, keeping an almost constant smile on the face of those who heard him.
 Hon. Geo. E. Prince, of Anderson, made an excellent response to the toast proposed by Senator E. L. Herndon, "South Carolina," touching briefly upon the glorious past, the present and the hopeful future of the grand old Commonwealth, Mr. Prince's remarks were well received and heartily applauded.
 Mr. Marshall L. Alexander, of Greenville, sat with the speakers, but did not respond. However, he showed that his wit was glad to be numbered among this happy crowd at his old home town.

Other welcome messages from our sister towns and a distance were: Mrs. and Mrs. T. E. Stribling, Misses Carrie Shelor and Maude Hopkins, Dr. W. R. Doyle, Mrs. W. C. Reid, Mrs. Hamilton, of Buford, Ga.; Mrs. E. M. Cudworth, of Charleston; Dr. C. M. Walker and Mr. J. W. Matheson, of Westminster; Mr. J. C. Cummings, of Greenville; the ministers, of Anderson; Miss Kate Sharp, of Townville.

It was very regretted that Dr. J. H. Thorndell, of Fort Mill, and Mr. Wm. Goldsmith, of Greenville, two prominent Grand Lodge Knights, were unable to attend. Their presence is always an inspiration to the Knights of the local lodges.
 That the banquet was a great success is evident from the samples of compliments made by guests, both as to the spirit of the entertaining Knights and the excellence of the banquet furnished by Mr. Devoe.

Card of Thanks.
 Lockhart, S. C., February 24.—Editors Keowee Courier: We desire, through your columns, to thank the friends at Wallhalla and of Oconee county for their kindness shown to our dear brother Christopher T. Hunsinger, and for the sympathy extended to us. We appreciate your kindness and loving remembrance, dear friends, and pray that our Father, who doeth all things well, may abundantly bless each and every one of you.
 His Mother and Sisters.

Card of Thanks.
 Editors Courier: I wish to thank my friends and neighbors through your columns for their kindness to me in the sickness and death of my wife. To each and every one I wish to extend sincere thanks, and I hope that God's richest blessings may be theirs. Your kindness will ever be remembered.

Working Overtime.

Death of Mrs. W. R. King.
 After having suffered for several years with an acute cancer, Mattie King, wife of Mr. W. R. King, departed this life on the 26th of February, 1903. She was a daughter of Mr. and Mrs. Elias Manning, Mason, Jesse, and John. She was for several years an active member of the M. E. Church, South, having joined in early childhood. In later years she became identified with the Wesleyan church, of which she was a member when she died. She was a devoted wife and a loving and attentive mother. Her main and greatest object in life seemed to be the promotion of happiness to all with whom she came in contact. She leaves a husband and five children, all of whom she has provided appropriate funeral services her remains were borne to their last resting place, where, in the presence of a multitude of friends and relatives, the last rites were performed at the Wesleyan cemetery at Oakway church. Truly it can be said a Christian has found peace in her faith in the great "I Am." A Friend.

Letter to Mayor Austin, Seneca, S. C.
 Dear Sir: You are interested in the property of your town, and every dollar anybody saves adds to the wealth of the place.
 People can save half their money on paint—more than half. Devote Lead and Zinc takes fewer gallons than mixed paints to cover a house, and lasts twice or three times as long as lead and oil. Paint is saved; labor is saved; and the "painting nuisance" is made half as frequent.
 When Devote Lead and Zinc is established in Seneca, Seneca will get more out of it than we shall. Yours truly,
 F. W. Devoe & Co., New York.
 P. S.—G. W. Gilliland sells our paint.

Everybody ought to know it's the only sure cure for coughs, colds and all lung diseases. Guaranteed by all druggists. Price 50c. and \$1. Trial bottles free.

Proverbs
 "When the butter won't come put a penny in the churn" is an old time dairy proverb. It often seems to work though no one has ever told why.
 When mothers are worried because the children do not gain strength and flesh we say give them Scott's Emulsion.
 It is like the penny in the milk because it works and because there is something astonishing about it.
 Scott's Emulsion is simply a milk of pure cod liver oil with some hypophosphites especially prepared for delicate stomachs.
 Children take it naturally because they like the taste and the remedy takes just as naturally to the children because it is so perfectly adapted to their wants.
 For all weak and pale and thin children Scott's Emulsion is the most satisfactory treatment.

Seneca, S. C.
 This is the season when all good house-keepers are planning for their spring clothes, and when they can take a day off and go to one store where they can get all they want and know they are getting value as well as right prices. Such a place we are doing our best to keep. And then the landlord wants to place his business where he knows all his wishes can be gratified without having his business scattered; where he can get good Fertilizer, good Agricultural Implements, and tools of all kinds, and when he wants Flour he gets the good old-fashioned kind that is not sticky. The Coffee he buys of us carries him back to his happy boyhood days when it was "fit for a king." We make a study of these things, and if you will do yourself the justice to look through our stores before buying, we will promise to give you the best service possible and show you a stock of high-class goods—second to none in the up-country.
 Yours, anxious to please,

 This is the season when all good house-keepers are planning for their spring clothes, and when they can take a day off and go to one store where they can get all they want and know they are getting value as well as right prices. Such a place we are doing our best to keep. And then the landlord wants to place his business where he knows all his wishes can be gratified without having his business scattered; where he can get good Fertilizer, good Agricultural Implements, and tools of all kinds, and when he wants Flour he gets the good old-fashioned kind that is not sticky. The Coffee he buys of us carries him back to his happy boyhood days when it was "fit for a king." We make a study of these things, and if you will do yourself the justice to look through our stores before buying, we will promise to give you the best service possible and show you a stock of high-class goods—second to none in the up-country.
 Yours, anxious to please,
