Soap Caution.

It is needless, perhaps, to caution people against using impure Toilet and Bath Soaps. No one uses harmful soaps willingly, but many use them unwittingly. You are most apt to get right soaps at a reliable drug store --for instance, you never in your life saw a bit of genuine Castile soap sold anywhere but at drug stores.

I am something of a crank in this matter of purity, and guarantee the quality of every soap I sell. The price you will find right, too.

The jury at Carnesville, Ga., has failed to find any evidence against any party connected with the Ware lynching. The body worked on the case two days and exhausted all means to get any proof against any party connected with the lynching mob.

Better Than Pills.

The question has been asked, In what way are Chamberlain's Stomach and Liver Tablets superior to the ordinary cathartic and liver pills? Our answer is, they are easier and more pleasant to take and their effect is so gentle and so agreeable that one hardly realizes that it is produced by a medicine. Then they not only move the bowels, but improve the appetite and aids the digestion. For sale at 25 cents per bottle by J. W. Bell, Walhalla; Seneca Pharmacy and W. J. Lunney, Seneca.

The citizens of Seneca will be pleased to learn that when the new bank building is completed the second story will be equipped for an opera house and city hall, which, it is hoped, will be leased by some one in the city who will take interest enough to get a number of good plays for the long winter evenings. This would also afford amusement for the people out of town during the winter months. It is with a great deal of pleasure that we make this announcement.

This is a start.

T. E. Dickson, of Columbia, spent a few days with relatives and friends here this week.

Our streets were thronged with cotton wagons the past week. Good prices and a fairly good yield make many smiling faces this fall.

Rumor has it that another important manufacturing enterprise will be established in Seneca in the near future.

The many friends of Jesse W. Stribling will regret to know that he is quite ill.

Mr. Stribling's illness has continued for the past four or five weeks. His absence from the bank and other business and municipal affairs is deeply deplored. His host of friends wish for him a speedy recovery.

Rev. E. S. Jones closed the meeting at the Methodist church last Friday evening. These meetings were largely attended and greatly enjoyed by our people. Mr. Jones is an eloquent speaker and is very popular in Seneca.

The new Methodist church, which was dedicated a short while ago by Bishop Candler, of Georgia, is quite an ornament to Seneca. The completion of this handsome little building reflects great credit upon the members of this church and their friends. The public generously and cheerfully aided in the effort the little band of Methodists were making to rebuild their church, and the result is a tasteful gothic chapel, which is a monument to the Christians of all denominations in Seneca.

Cards have been received in Seneca to the marriage of Miss Isabel Foster and Louis Merriman Jordan, both of Union. The ceremony will be performed in the First Presbyterian church of Union on the 12th of October. This marriage is of deep interest to a large circle of friends of both bride and groom, as both are extensively known throughout the State. Miss Foster is the eldest daughter of Capt. A. H. Foster, one of the most prominent citizens of Union. She is highly cultured, has traveled extensively both in Europe and America, and is greatly beloved in her native town. Mr. Jordan spent his entire boyhood in Seneca. His sterling worth and high moral character won for him the friendship and respect of every one. For the past five years he has resided in Union and has held the responsible position of general manager of the extensive mercantile department of the Union Cotton Mills. His many friends in Oconee are congratulating him upon his approaching happiness. Mr. and Mrs. Jordan will spend a short while here with Mr. Jordan's mother after they return from their bridal tour.

The reassembly of the Once-a-Week Club was held last Thursday afternoon. This club always suspends with its meetings during the summer months. Mrs. J. W. Todd entertained in honor of the occasion at her pretty home on Fair Play street. The meeting was of a social nature, as a set program was dispensed with. Miss Frierson, of Anderson, and Mesdames Coleman, Jordan and Burgess were guests of the club. A very pleasing musical program was rendered by Mrs. R. Anderson, of Seneca, and Miss Frierson, of Anderson. Delicious refreshments of ices and cake were served by the hostess, and altogether a most delightful afternoon was enjoyed by the club and its friends. The club will study the Bayview course on Germany the coming year. With this meeting the club was ushered into its seventh year. Each year finds the members more loyal and appreciative of the wide influence of this little organization—both in a cultural and intellectual way. It is hoped that the department of village improvement will again be taken up, as much good was accomplished on this line a few years ago by this club.

There is a petition on foot to change the post office to the building in rear of Richardson's Hotel. This will place the post office more centrally, and is a change that will be greatly appreciated by all of Seneca's citizens. Postmaster Harper is ever willing to do anything in his power to accommodate the people.

Cause of Lockjaw.

Lockjaw, or tetanus, is caused by a bacillus or germ which exists plentifully in street dirt. It is inactive so long as exposed to the air, but when carried beneath the skin, as in the wounds caused by percussion caps or by rusty nails, and when the air is excluded the germ is roused to activity and produces the most virulent poison known. These germs may be destroyed and all danger of lockjaw avoided by applying Chamberlain's Pain Balm freely as soon as the injury is received. Pain Balm is antiseptic and causes cuts, bruises and like injuries to heal without maturation and in one-third the time required by the usual treatment. It is for sale by J. W. Bell, Walhalla; W. J. Lunney and Seneca Pharmacy, Seneca.

Adam Ferguson shot and killed William Lovely at Moncks Corner last Thursday night at a hot supper. He is in jail. Both negroes.
