

No Contest in Sheriff's Race.

Last Friday Treasurer J. R. Kay withdrew his protest against the conduct of the recent primary election at several precincts. His action is commended generally by his friends, who felt that the protest, no matter what the real or imagined grounds for it might be, was a mistake. Mr. Kay's withdrawal will relieve the county executive committee of a great deal of worrisome and thankless work, and will be the means of avoiding much unpleasantness and division. There is no question, however, that the rules governing the party primaries should be revised and bettered and in the future carried out to the letter. Let every good citizen stand firmly for purer methods in politics.

Mr. Barnett Also Withdraws.
Just as we are going to press a telephone message from County Chairman Stirling announces that Mr. Barnett has also withdrawn his protest. There will, therefore, be no meeting of the County Executive Committee on the 7th instant.

Mr. Norris Returns to Seaboard.

Greenwood News and Views: R. B. Norris is again with the Seaboard Air Line as agent at this place. The people of this city will be glad to know that Mr. Norris again has charge of the Seaboard here, as he is a popular man and a good agent. The Seaboard authorities made a mistake in their effort to cut down expenses and not furnishing sufficient facilities for the proper disposition of the road's increasing business here, thereby causing the resignation of one of the most efficient and most highly esteemed men the Seaboard has ever had employed at Greenwood.

Got \$5,000 for Injuries.

Anderson Math: The friends in Anderson, his old home, of J. C. Keys, will be interested to learn that in the Circuit Court at Wainsboro last week he was awarded damages in the sum of \$5,000 for the injuries received two years ago at the quarry of the Wainsboro Granite Company, when he was acting as quarry superintendent. Through some defect he fell from a tall derrick and was badly hurt, his leg, arm and two ribs being broken. Mr. Keys brought suit for damages, and the matter has been dragging itself through the courts. He has recovered from the immediate effects of his injuries, but his constitution was permanently injured, and he can never get over the results of the injury altogether.

Chamberlain's Cough Remedy.

No one who is acquainted with its good qualities can be surprised at the great popularity of Chamberlain's Cough Remedy. It not only cures colds and grip, effectually and permanently, but prevents these diseases from resulting in pneumonia. It is also a certain cure for croup. Whooping cough is not dangerous when this remedy is given. It contains no opium or other harmful substance and may be given as confidently to a baby as an adult. It is also pleasant to take. When all of these facts are taken into consideration it is not surprising that people in foreign lands, as well as at home, esteem this remedy very highly and very few are willing to take any other after having once used it. For sale by J. W. Bell, Walhalla; W. J. Lunney and Seneca Pharmacy, Seneca.

To the Churches of the Beaverdam Association: We have good reports from some of the churches that are raising money to erect a monument to the memory of Rev. A. W. McGuffin. We urge that contributions be made and sent in not later than November 15, as the committee wishes to place the monument on November 20th. We thank the people and the churches for their contributions. Between \$20 and \$30 have been raised. We want at least \$75. The brethren will please give this subject their attention.

Horrible Crime by Negro Brute.
Lying in a briar patch beside the railroad track, gagged and with her arms and limbs securely lashed with straps which all but cut through the tender skin, Clara Tippen, a little nine-year-old negro girl, who lives at 23 Wallace street, was accidentally discovered by an unknown person walking along the track in the rear of the girl's home, Thursday morning. Almost lifeless from exhaustion and fright the girl could hardly speak when released. Her story, when finally told in broken sentences, was unacceptably horrible. Overtaken by a negro man, she was beaten into submission, outraged and then tied to the track by the fiend, who evidently thought that the oncoming train would hide the signs of his awful crime. After leaving his victim for a few minutes the demon returned for some unknown reason—perhaps his nerve failed him—and cutting the straps which held the child to the rails he lurled her body in the nearby thicket. The matter has just been reported to the police and detectives are now at work upon the case. The victim lies at her home in a precarious condition and her recovery is doubtful.—Atlanta Journal, September 29.

The Presbytery of South Carolina.

The Presbytery of South Carolina met at Johnston, Edgefield county, South Carolina, September 29, 1904, at 8:30 o'clock p. m., and was opened by a sermon, 1st John, 4:16, by Rev. W. J. Wyly, now of Honea Path, Anderson county, formerly an Oconee boy.

Presbytery was called to order by Rev. W. J. Wyly, retiring moderator. Rev. F. W. Cragg, of Pendleton, was chosen moderator; Stated Clerk, Rev. H. R. Marchison in the clerk's chair; also, Rev. W. J. Wyly was chosen assistant clerk.

There was present only one delegate from Oconee, the undersigned presbyter. One candidate for ordination, J. W. Brown, presented himself for examination and after the usual searching questions were asked and satisfactorily answered, a commission was appointed to install him pastor of a group of churches.

J. E. Ward, formerly principal of Seneca High School, was examined as a licentiate. We need not say his examination was satisfactory.

The undersigned presbyter had the honor of being on the examining committee as well as on the auditing and finance committee.

The usual committees made their reports which see in minutes of Presbytery.

Rev. G. G. Mays, of Greenville, made a very strong appeal to Presbytery in behalf of Chicora College at Greenville, S. C.

All the churches of Johnston were supplied with preaching by Presbytery on Sabbath, September 26th. The sacrament of Lord's Supper was observed in the Johnston Presbyterian church after a sermon by Rev. H. R. Marchison.

The third day's session was convened on Monday, September 28th, and the remaining unfinished business of the session concluded.

The next meeting of Presbytery will be held with Mt. Carmel church in Abbeville county.

Presbytery adjourned to meet in Clinton church, Laurens county, during the session of Synod, at the call of the moderator.

620 Students at Clemson.

Clemson College, September 30.—Six hundred and twenty students have matriculated up to date. This is the largest attendance in Clemson's history, and is probably the largest enrollment any college in South Carolina has ever had. A few vacancies have been caused by the failure, for one reason or another, of certain applicants to claim or keep their places and enough others on the waiting list have been notified to report.
