This store is eighteen years old. It has served the community long and well. It is a full-grown drug store and its growth has been along progressive lines. Its trade is founded on confidence—a confidence that has grown with years because there has been this basis for it—

She was the wife of William Bibb and passed away at their home, three miles below Westminster, on the Fair Play road, at 6 o'clock Sunday morning, November 6. Mrs. Bibb was a model Christian woman and bore her affliction with an intense love for her Saviour, an unflinching faith in the Providence of God and the life beyond the grave. She was ill only two weeks. Mrs. Bibb was a daughter of Hugh and Julia Blair, whose mortal remains were buried in the cemetery of the Old Westminster Baptist church some years ago. She leaves her husband and two children, Mrs. S. V. Jamerson, of Atlanta, and James Hugh Bibb, a postal clerk of the railway mail service. Good Health to the Children

Children especially are fond of dainties, and the housekeeper must look carefully to their food.

As good cake can be made only with good eggs, so also a cake that is healthful as well as dainty must be raised with a pure and perfect baking powder.

Royal Baking Powder is indispensable in the preparation of the highest quality of food. It imparts that peculiar lightness, sweetness and flavor noticed in the finest cake, biscuit, doughnuts, crusts, etc., and what is more important, renders the food wholesome and agreeable to young and old.

No Poison in Chamberlain's Cough Remedy.

From Napier, New Zealand, Herald: Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had; and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. This remedy is for sale by Dr. J. W. Bell, Walhalla; W. J. Lanney, Seneca.
