Cured of Lame Back After 15 Years of Suffering.

"I had been troubled with lame back for fifteen years and I found a complete recovery in the use of Chamberlain's Pain Balm," says John G. Bisher, Gilliam, Ind. This liniment is also without an equal for sprains and bruises. It is for sale by J. W. Bell, Walhalla; W. J. Lunney, Seneca.

A Birthday Party.

"Master Derrill Darby, To greet you will be pleased From five to seven, Friday eve, At his home in Midway, To celebrate his fourth birthday."

Promptly at the hour designated a jolly throng of about twenty-five children gathered at the home of Mr. and Mrs. J. H. Darby, which was prettily decorated in green and red. Each child, as ushered into the front sitting room, was invited to pull out a plum from "Little Jack Horner's Pie," which, in reality, was a huge pumpkin, out of the top of which hung innumerable ends of red and green baby-ribbon. As each child drew a ribbon he or she found attached thereto a pretty little souvenir which delighted each child. From the corner so attractive the children were invited into the dining-room, darkened and lighted by candles. On the table in the center was the birthday cake on which burned four candles, two red, two green. Around this were dishes of delicious home-made bon bons, tiny iced cakes, and at each corner of the table was a small bouquet of smilax and red roses. Refreshing ice cream and cakes were served the small guests, after which the little host, delighted with the occasion, blew out the tiny candles.

Numerous and attractive were the presents received.

Conspicuous among the guests were Mrs. Fred Maxwell, of Anderson, with her three-year-old girl baby. After refreshments Mrs. Maxwell took snapshots of all the young children clustered prettily on the front steps.

All to soon the children had to leave amid much merriment and jollification.

Rabun Bald Apple and Nursery Co.

We make the following excerpt from an application for charter, published in the Clayton (Ga) Tribune of September 7th:

"The petition of A. Schilleter, Burns Gillison and Hale Houston shows to the Court the following facts to wit: They desire, for themselves, their successors, associates and assigns to become a body corporate and politic under the name of Rabun Bald Apple and Nursery Company, of Pine Mountain, Rabun county, Georgia, and under this name to have and exercise all the rights and powers given to corporations under the laws of said State, to sue and be sued, to have, own and possess property of all kinds, both real and personal. The particular business of said corporation shall be the growing and sale of all kinds of fruit and fruit trees, to deal in fruit in any way consistent with the laws in said State, to own and operate machinery of all kinds necessary to successfully carry out the purpose of said corporation. The capital stock of said corporation shall be six thousand dollars, fifty per cent of which has actually been paid in, and shall be divided into sixty shares of the par value of one hundred dollars each, but petitioners desire the right of increasing said capital stock at any time, by vote of the stockholders, to any amount not exceeding fifty thousand dollars. The principal place of business of said corporation shall be at Pine Mountain, in Rabun county, Georgia, but petitioners desire the privilege of establishing branch offices at such other places in said State as the directors may direct."

Mr. Schilleter and Mr. Gillison are both well known in Oconee. The latter is a son of John M. Gillison, of Bounty Land, and has been at Clemson College several years. Mr. Schilleter is the popular chef of Clemson College. We wish the new enterprise great success.

THREE JURORS CURED

Of Cholera Morbus With One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler, of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Ala. He says: "While there I ate some fresh meat and some more meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the box I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." For sale by J. W. Bell, Walhalla; W. J. Lunney, Seneca.

The Good Time Club.

The regular meeting of the Good Time Club was held last Wednesday with Miss Annie Crisp. Miss Mamie Harrison, the vice president, presided and what business was on hand was quickly disposed of, after which a very interesting contest was entered into. Quite a number cut for the prize, and Miss Eloise Strother, holding the lucky card, was presented with a lovely box of candy. Delicious cream and cake were served during the afternoon.

Cause of Insomnia.

Indigestion nearly always disturbs the sleep more or less and is often the cause of insomnia. Many cases have been permanently cured by Chamberlain's Stomach and Liver Tablets. For sale by J. W. Bell, Walhalla; W. J. Lunney, Seneca.

Attacked by a Mob

and beaten in a labor riot until covered with sores, a Chicago street car conductor applied Bucklen's Arnica Salve, and was soon sound and well. "I use it in my family," writes G. J. Welch, of Tekonsha, Mich., "and find it perfect." Simply great for cuts and burns. Only 25c at all drug stores.

Art Exhibit.

Miss Alice Strong's art class, consisting of Misses Helen Fant, Irene Strother, Mamie Harrison and Loo Loo Perry, gave an exhibition of their work Friday afternoon from 4.30 to 6.30 o'clock in the studio in the graded school building. The work consisted of still life studies and copies in charcoal, crayon, pen and ink, pencil, oil and water colors. A large number of friends enjoyed the reception and all expressed delight at the excellency of the work and the amount accomplished in so short a time. Miss Strong is to be congratulated on the success of her pupils' advancement.

Are You Engaged?

Engaged people should remember that after marriage many quarrels can be avoided, by keeping their digestions in good condition with Electric Bitters. S. A. Brown, of Bennettsville, S. C., says: "For years my wife suffered intensely from dyspepsia, complicated with a torpid liver, until she lost her strength and vigor and became a mere wreck of her former self. Then she tried Electric Bitters, which helped her at once, and finally made her entirely well. She is now strong and healthy." All druggists sell and guarantee them at 50 cents a bottle.

Oconee to Vote on the Dispensary.

On Tuesday afternoon a petition was filed with the County Supervisor praying that an election be ordered on the question of removal of the dispensaries from Oconee county. The petition contains the names of 1,026 registered voters, and the County Board of Registration certifies the number of qualified electors in the county to be 3,582. For the past week the board has been engaged in the revision of the books as the law requires. The names of those who have died, removed from the county, or in any way become disqualified, as shown by satisfactory evidence, have been erased, so that the list is as nearly correct as it can well be made. At the same time a committee, headed by Rev. C. Wardlaw, have been carefully comparing the names on the petitions with the books of registration, and all names not appearing on the books were dropped. It has been a tedious task, but the work has been done, and after careful pruning, it has been found that more than the requisite one-fourth has been obtained, and the election will be ordered. It will be held on Tuesday, the 24th day of October next, in accordance with the requirements governing general elections. The usual notices and names of the managers of this special election will be published next week by Commissioners of Election for State and County Offices.

The Seneca Mercantile Company

THE SENECA MERCANTILE COMPANY. THE SENECA MERCANTILE COMPANY. THE SENECA MERCANTILE COMPANY.

Wishes to extend their thanks for the large patronage extended them. We have exerted ourselves to live up to our motto of "The Best Goods for the Least Money," and the large increase in this business shows conclusively our efforts have been appreciated. July and August are usually dull, but not so with us. Our entire force of six sales-people are usually kept on the jump from opening and closing. The business is gradually beginning to run as smooth and even as a machine. The steam is gradually being turned on and the speed attained is very gratifying indeed, indicating a business of \$40,000 per annum. That's a nice little business, it's true, but we have our stakes set for \$100,000 per annum, and we give our sales just six months to reach that point—and we do not expect one dime's more of trade than we deserve. Our system of running this business prevents errors, takes care of the interests of both the public and ourselves. Our purpose is to make it a pleasure for you to trade with us. Now, it is very clear, the more goods we sell the smaller the margin of profits we can work on. That is the principle we purpose to work on in building up this business. "You watch us!" We expect to let you know how near we come to the \$100,000 per annum.

The best goods for the least money, speed, accuracy, politeness are the foundation stones. This concern is capitalized at \$10,000, but that's not all! Our main capital is integrity, experience, ambition.

Bargains every day. "If we please you tell others, if we don't, tell us." Yours for business,

The Seneca Mercantile Company.
