G. W. Gignilliat. —The election held last Saturday on the question of levying a 4 mill tax in Walhalla School District, No. 20, wont in favor of the levy. The vote was small, only 42 ballots being cast—31 for the extra levy, 11 against it. It is said a 4 mill levy in the district will raise about \$1,600. It must be taken into considera-tion that the citizens of Walhalla obli-gated themselves for sufficient funds bor-rowed to run the schools during the prest session. When this loan is liqui-dated from the district funds the levy, it is thought, can be reduced to 3 mills, and possibly as low as 2 mills.

#### **Common Colds are the Cause of Many Serious** Diseases.

Physicians who have gained a national reputation as analysts of the cause of various diseases, claim that if catching cold could be avoided a long list of dan-gerous ailments would never be heard of. Killing in Spartanburg.

Spartanburg, February 17.-Jesse Bush, white man about 37 years of age, shot and killed James Israel, near Peary Cudd's place, about three miles from the city, Friday about 9.30 o'clock. A little later Busch came to the city accompanied by a friend and surrendered to the sheriff, pending an investigation. It is learned that a young daughter of Bush became a mother last night, which is said to have brought on the difficulty that resulted in the tragedy. It is claimed that Israel attacked Bush with a pitchfork. Israel was the principal in a sensa

### **Dispensary Investigation to Continue.**

Columbia, February 20.-An erroneous impression prevails in many parts of the State that the dispensary investigating committee has concluded its labors so far as taking testimony is concerned. On the contrary the most important and interesting hearings are yet to come, and the fireworks will open up from these in about two weeks. The "livest" part of the show has been reserved for the last. The Richland Distillery matter is yet to be gone into and the ex-members of the board of directors are to be put on the stand, and the "Newberry situation" is again to be presented to the committee.

I desire to return my sincere and tional case here last week. He was ar-heartfelt thanks to those who so kindly rested on a warrant sworn out by a

young woman following a drive in the country The case never came to trial, having been patched up. The accused man lived on Cudd's place for several years and was never known to have had trouble before. He was generally regarded as a peaceful citizen.
