### Lieutenant General Schofield Dead.

St. Augustine, Fla., March 5.—Lieutenant General John M. Schofield, United States army, retired, died at 8:20 o'clock last night. He was attacked Sunday morning with cerebral hemorrhage. His wife and young daughter were with him. With the death of Gen. Schofield the last surviving army commander during the Civil war has passed away.

### GEN. SCHOFIELD'S RECORD.

Washington, March 5.—Gen. John M. Schofield, who died last night at St. Augustine, Fla., was secretary of war during 1868-69 and his career was marked by a continuous service in the army from the time he entered West Point in 1849 until he retired September 29, 1895, with the rank of lieutenant general, the highest military honor then permitted by law of Congress. His command of the army extended from 1888 to 1895. Since his retirement from the army he has made frequent visits to Washington, though he made it a practice each year to spend the winter in Florida and the summer in the East. He was a well known member of the Loyal Legion and for two terms was its commander-in-chief. He was 74 years of age.

Eczema, Tetter, Salt Rheum, Itch, Ring Worm, Herpes, Barbers' Itch.

All of these diseases are attended by intense itching, which is almost instantly relieved by applying Chamberlain's Salve and by its continued use a permanent cure may be effected. It has, in fact, cured many cases that had resisted all other treatment. Price 25 cents per box. For sale by J. W. Bell, Walhalla; W. J. Lunney, Seneca.

### Legally Hanged.

Greenville, March 2.—Andrew Thompson was hanged in the jail yard here today shortly after 11 o'clock. The negro was convicted at the last term of the General Sessions Court of criminally assaulting Mrs. James, the wife of a farmer living near Taylor's Station, in this county. Lynching was narrowly averted at the time, but the execution today was regular and the law's own vindication. When taken to the gallows Thompson made a brief statement, in which he warned all of his race to keep away from mean whiskey and bad company, two things to which he attributed his unhappy end. Sheriff Gilreath sprung the trap at 11:36. The body dangled in the air for sixteen minutes, when the man was pronounced dead by the physicians. It was then cut down and turned over to the widow for interment. The hanging was as near private as the law permits. There was no demonstration.

### A GUARANTEED CURE FOR PILES

Itching, Blind, Bleeding, Protruding Piles. Druggists are authorized to refund money if Pazo Ointments fails to cure in 6 to 14 days. 50c.

### Murderer Will Hang.

Columbia, March 1.—Colquhoun Stokes, the Sumter county negro desperado who stabbed to death in a particularly vicious and fiendish manner Capt. D. E. Wells, on whose farm he was working at the time, is to hang for his crime, a decision filed in the Supreme Court today having affirmed the verdict of guilty in the lower court.

The sentence of five years against Constable William E. Roswell for killing Joseph C. Blount, a traveling man, at Florence, after quarrelling with Blount because he patronized a blind tiger, is also affirmed in an opinion filed today. Both of these killings attracted attention throughout the State at the time.

### NEWS FROM WESTMINSTER.

Westminster, March 6.—Mr. McKay, of Mississippi, is visiting his sister, Mrs. N. H. Jenkins, near here.

Mrs. John Carter, of Gainesville, Ga., visited relatives here the latter part of last week.

Preaching in the Methodist church next Sunday evening at 8 o'clock by the pastor, Rev. G. T. Harmon, Jr. There will be no services in the forenoon.

Dr. E. O. Taylor, of Boston, will deliver a series of lectures here, beginning on Thursday evening, March 22, on temperance from a scientific standpoint. One lecture will be delivered on each Thursday, Friday and Saturday night, and two on the Sabbath. The lectures will be given at the Baptist church.

On Wednesday, March 14, Dr. A. A. Willets, styled an "Apostle of Sunshine," will deliver the next regular course of lectures for the Westminster Lyceum Club. Dr. Willets has for the past half century occupied a front rank among the pulpit orators and lecturers. He is highly recommended by the clergy and press and it is natural to expect something for soul food from him. Rev. Dr. Hodge, pastor of the First Presbyterian church, Wilmington, N. C., has the following to say of Dr. Willets: "The lecture of Dr. Willets last night was to those who were fortunate enough to enjoy it, one of those rare treats to satisfy and charm without alloy. No man can lecture on sunshine and fill his audience with pleasurable emotions without being full of sunshine himself. It showed itself in a countenance of remarkable mobility, reflecting in its play of expression every varying emotion that he described in a sweet and sympathetic voice, in a mind garnished with the choicest gems of literature and sparkling wit and flashing with racy anecdotes, but above all in a heart full of kindness and love for his fellow men, that enjoyed all the good things of life, and with gratitude to the giver and desired to share them with everyone else. A lecture like this delights the mind and charms the taste and makes one feel not only happier, but better."

Miss Bennie Dilworth went to Atlanta Monday to see her brother, W. A. Dilworth, who is seriously sick.

Presiding Elder R. Herbert Jones, of Anderson, preached a fine sermon in the Methodist church Sunday evening. Rev. J. R. Moore, of the Baptist church, called in his appointment for services at that hour and his congregation worshipped with the Methodists.

The Baptist church here has sent a donation to the Japanese sufferers. It will be distributed through the Christian Herald's relief committee. Rev. Moore read a letter Sunday from Dr. Louis Klopsch, the proprietor of the Christian Herald, acknowledging receipt of the contribution.

### THE NEWS FROM SENECA.

Seneca, March 6.—There will be the usual twice daily services in the Baptist and Presbyterian churches next Sabbath.

We regret to note the prevalence of grip in our midst, there being at present a number of our citizens wrestling with it.

Mrs. W. J. Byrd has been confined to her room some days with severe a cold.

Miss Eloise Hamilton is a victim to la grippe.

Miss Minnie Kirkpatrick has been quite sick, but is thought to be better to-day.

Mr. and Mrs. S. K. Dundy are nursing two right sick children—little Josie and Louise. Their friends hope the illness may not prove serious.

Miss Bessie Wilson is in Seneca again to the great pleasure of her friends here.

Mr. and Mrs. Wm. Carey, formerly of this place, but recently of Lockhart, are located in Seneca again. We extend a hearty welcome to these good people and their interesting family.

Mrs. John L. McWhorter and Master Willie are visiting R. S. Verner, near Richland.

Mrs. Laura W. Bates visited Atlanta last week.

Pomeroy Brown and family are occupying their new residence on Fair Play street.

Miss Janie Frierson, of Anderson, visited Mr. and Mrs. J. W. Todd last week.

Judge J. J. Lewis, of Pickens, visited here last week.

Mrs. Chas. Gignilliat leaves this week for a visit of some length to Greer, Charleston and Sumter.

W. O. Hamilton has returned from a recent trip to Alabama.

Our show-going citizens have a full and varied calendar from which to select something to their taste this month. On Wednesday night, the 7th instant, the Herald Square Comedy Company, sixteen strong, will appear at the opera house. This is a higher priced show than is generally brought here, but Manager Carey has secured it at reasonable prices, viz: 50 and 75 cents. The cast is strong and carries an extensive repertoire, from which "A Trip to India" has been selected for presentation here. This is the highest grade comic opera that has been seen here and there will doubtless be a full house.

On the 13th instant Cole and Rogers Railroad shows will be pitched here for two performances and street parade. The show promises trained ponies, dogs and a display of wild animals, with also acrobatic and gymnasium features. Already the bill boards are being haunted by the small boy.

We are pleased to note that recently, in Charlotte, Master James Lanham Mason tied for the first prize at the Baby Show, which was given under the auspices of the Carnival of Hearts. This will prove of interest to a large circle of friends here and elsewhere in the State, as Dr. and Mrs. R. E. Mason, the proud parents of this young man, are native South Carolinians, the doctor himself having lived in Seneca a number of years. Mrs. Mason is pleasantly remembered as Miss Lucille McKee, she having paid repeated visits to Mrs. E. A. Hines, and was greatly admired for her beauty and charm of personality. We congratulate the young parents heartily in the possession of this handsome specimen.

The members and those interested in the Civic League will bear in mind the meeting called for next Friday afternoon at 3:30 o'clock at the President's home, Mrs. E. A. Hines.

The machinery for the ice factory, being built by Stribling & Livingston, is arriving, and work will be begun on the enterprise in a few days. The side track,

being built for the use of the ice mill, is being placed.

The side track is also being built for use on the Southern Railroad and when finished will extend about half a mile in length. The grading for this is finished.

The cottage being built by A. W. Thompson on North Fair Play street is going up rapidly and will be an attraction to the neighborhood when finished.

Mrs. Mattie Huffman Floyd, of Spartanburg, is visiting relatives here.

Miss Annie Reid, of Walhalla, is in Seneca with relatives.

The friends of Mr. and Mrs. Oscar Ashe will regret to learn of the serious illness of the latter in Atlanta. Mrs. Ashe is, however, reported better at this writing.

We note the planting of shade trees by some of our property owners here, which is indeed a sign of the times.

The finance committee of the Civic League is doing some fine work. The subscriptions for the purpose of making improvements at the cemetery are liberal and for the most part general.

The coming of Barlow and Wilson's Greater New York Minstrels, which is billed for March 12th, is being anticipated by our show-going, fun-loving people. The cast is forty strong and includes The Dixie Quartette, which is said to be a popular feature, giving plantation melodies and popular ballads. A military band of twenty-five members is also an attractive adjunct. Popular prices will prevail.

### DR. E. O. TAYLOR COMING.

Rev. E. O. Taylor, D. D., of Boston, Mass., will give a course of lectures here, beginning Thursday night, March 15th, and continuing through the 18th, making in all five lectures. The five lectures, the subjects of which are given below, treat of good citizenship and temperance from a scientific standpoint. Dr. Taylor being a distinguished scientist, text book author and lecturer on alcohol, is regarded as authority on the latest facts of science on that subject. In inviting Dr. Taylor here our people have brought to them one of the finest lecturers on the platform to-day and the hearty co-operation of our intelligent citizens is asked and confidently expected. The program given here is as follows:

Thursday night, 15th—That Boy of Yours.

Friday night, 16th—Microbes and Men.

Saturday night, 17th—A Glass of Beer Analyzed.

Sunday a. m., 18th—Citizenship in the Light of Christ and Paul.

Sunday p. m., 18th—God's Message in Seneca to Thinking Men. M. V. S.

### A Scientific Wonder.

The cures that stand to its credit make Bucklen's Arnica Salve a scientific wonder. It cured E. R. Mulford, lecturer for the Patrons of Husbandry, Waynesboro, Pa., of a distressing case of piles. It heals the worst burns, sores, boils, ulcers, cuts, wounds, chilblains and salt rheum. Only 25c. at all druggists.

### Woman Burns to Death.

Columbia, March 1.—Miss Maggie Swartz, whose home is in this city, was the victim of a horrible death by fire at Killians, in this county, yesterday. She was visiting near Killians at the time and was out watching a number of men burn off a right of way for a tram road. She was asked to extinguish a fire in a turpentine box which caught fire near her, and in throwing an apron full of sand on it, the flames shot out and enveloped her and set fire to her clothing. She ran screaming and before she could be overtaken she was dead. The body was found in underbrush a short distance away, not even her shoes being left.
