HOPEWELL.
 April 11.—Quite a crowd of patrons and visitors gathered at the Hopewell church on March 30th to witness the closing exercises of their school.
 Some of the young people of the community helped decorate, and the effect of green boughs and bright spring flowers was quite pleasing.

 Last Monday a number of the school boys and girls thought they would enjoy a holiday, as it was so near the first day of April. At morning recess they gathered their lunch baskets and fled to the river, where they report having spent a real jolly day. The teacher pursued them for a short distance, but soon returned in order to look after those remaining.

 Letter to Chas. Finkenstadt, Walhalla.

Dear Sir: Here's a story with a point to it.
 Devoe lead-and-zinc is a cheaper paint than lead-and-oil; costs less, goes further, wears twice as long. But this last don't belong to the story we're going to tell this time.
 One of the best painters in Un'outown, Pa., is L. O. Rutter; does all the best work. We told him Devoe goes further than lead-and-oil or mixed paint.
 He said: "I've known it for two years, and have increased my business by it. I take a job for less money than anybody else, and get my pick of the work. Don't give it away; for nobody knows how I do it."
 The name to go by is Devoe.
 Yours truly,
 F. W. Devoe & Co.
 P. S.—J. W. Bell, Walhalla; Seneca Mercantile Co., Seneca, and Matheson Hardware Co., Westminster, sell our paint.
 Left Husband and Children.

Spartanburg, April 6.—C. E. Boyd, a stone cutter of this city, and Mrs. Sallie Crackum, the wife of a stone polisher, were arrested in Atlanta Tuesday afternoon by the police of that city, on complaint of the woman's husband, who was employed in the marble yard with Boyd. Mr. Crackum has gone to Atlanta, and it is said that he intends to prosecute his wife and Boyd. Both Boyd and Mrs. Crackum left young children in Spartanburg.

State Democratic Convention to Meet May 16.
 Columbia, April 6.—At the regular meeting of the State Democratic Executive Committee, held last night, resolutions were adopted calling for the May State Convention to be held on the 16th of that month, and directing the county chairmen throughout the State to call club meetings on the 23rd of April for the purpose of electing delegates to the county conventions, which will meet on May 7, to elect delegates to the State convention, each county being entitled to double the representation it has in the General Assembly.
 A resolution, by D. H. Magill, of Greenwood, caused some comment. It denounced as untrue the statement in Tom Watson's Magazine for March that it makes no difference whether the South's representation in Congress and the Electoral College is reduced, as proposed in the bill of Congressman Keifer, of Ohio, and went on to "denounce the author and those who go hand in hand with him along such lines, as enemies of the South and the Southern people, such declarations being unbecoming a Southern white man."
 Mr. Magill defended his resolution with warmth and earnestness, but other members of the committee took the view that as Tom Watson is not a Democrat anyway, to adopt the resolution would be undignified and would give him undue prominence and his magazine undeserved advertising.
 A motion was made to table the resolution, but Senator Cole L. Blease, of Newberry, wanted to save the committee voting on the subject and moved to adjourn. This inspired Mr. Magill to relieve the situation by withdrawing the resolution.
 Tom Watson got one vote when he ran for President in the last National Convention. This vote came from Spartanburg, but the voter never made himself known.

The Original.
 Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. J. W. Bell.

Claussen and Company's Doors Are Closed.
 Charleston, April 7.—J. C. H. Claussen & Co. were closed to-day on a mortgage, held by B. I. Simmons. The firm is said to have been in trouble for some time. The amount of the mortgage is \$4,000. The foreclosure of the mortgage resulted in the entire suspension of the bread and biscuit factory.
 It is not difficult to relieve blind, bleeding, itching or protruding piles with Manzan, the great pile remedy. It is put up in collapsible tubes with nozzle, and may be introduced and applied at the seat of the trouble. Stops pain instantly. Sold by Dr. J. W. Bell, Walhalla; W. J. Lunney, Seneca.

Carnegie Kiss the Proper Stuff.
 Atlanta, Ga., April 8.—"The Carnegie kiss leaves nothing to be desired," is the verdict of Mrs. Eichberg, of Atlanta, whose lips were glued to the lips of the canny Scotchman for a brief interval at the reception given the iron master when he was in Atlanta. "Mr. Carnegie as a kisser is unexcelled," continued Mrs. Eichberg. "The pressure of his lips on one's lips is satisfying in every respect. His kiss thrills and at the same time soothes. He is not hasty in kissing, which accounts in a measure for the delight which follows the pressure of his lips. His lack of haste in removing his lips, enables the recipient of his kiss to extract all that is possible from osculation. To my dying day I shall never forget the joyful sensation I experienced while Mr. Carnegie's lips were on mine. Mr. Carnegie may be old in years, but he is still young in his ability to kiss."
 "How does the Carnegie kiss compare with the Hobson article, Mrs. Eichberg?" "The Carnegie kiss is superior to the Hobson kiss in every way," said Mrs. Eichberg. "I was kissed by Capt. Hobson when he was in Atlanta some years ago, but I got no special pleasure from it."

Gift to Newberry College.
 Newberry April 8.—President James A. B. Sherer announces that Dr. D. K. Pearson, of Chicago, offers to give \$25,000 to the endowment fund of Newberry College on the usual terms. Dr. Pearson has long been known as a particular friend of the distinctively Christian college. This proposition crowns his 86th birthday and signals the semi-centennial this year of Newberry College.
