

MY CLEAN SWEEP BARGAINS

My Clean Sweep Sale has been a success in every respect. We moved large amounts of Merchandise, but have plenty of Good Things left to go at the Clean Sweep Prices.

Remember all Spring and Summer Goods must go regardless of cost, for within the next Twenty Days I leave for the Northern Markets to buy my Fall and Winter Stock and will need the money and room. Come at once or you will miss a chance to buy Clean Dependable Merchandise at less than Factory Cost.

READ THIS AND READ IT TWICE.

It will pay you to investigate and see what we have and learn how easy you can furnish your home from Kitchen to Parlor.

Everyone knows that all kinds of Lumber and Material and Labor have advanced fully 50 per cent. in the last few months and in some places it is almost impossible to get either at any price. Consequently all Furniture will be fully 50 per cent. higher this fall than now. Realizing this I purchased, some months ago, four (4) solid cars of Furniture at the same old prices. Consequently I am in position to offer the trading public rare bargains, both in terms and prices.

With my Warehouse and Store chock full of Furniture, and a solid carload on the road, I am at a loss as to what to do.

So I make the following liberal offer for a limited time only:

If you need anything in the line of Furniture, Stoves, Sewing Machines or Organs, and it doesn't suit to pay now, I will sell at rock bottom cash prices on November 1st or December payments, without interest.

Prices Right, Terms Easy.

My prices are right and my terms are easy, so there is no use in your denying yourselves and waiting until you sell your Cotton. The company will come during the big meeting and you can make your homes more comfortable and treat your friends and relatives better.

Save fully 50 per cent. by buying now and have the use of the Goods from now till November or December.

Come to see me. My Stock is complete, and if you need anything in this line, get it. I have sold bills from \$1 to \$1,000 against the strongest competition, and I can please you in prices, qualities and quantities.
