MACON MEN SHOT BY NEGROES.

POLICEMEN TAKE NEGRO FROM MOB—MOB CHASING NEGROES OUT OF TOWN.

Macon, Ga., October 8.—Two prominent young white men, Will Sullivan and Horace Adams, were shot by two negroes at the fair grounds to-night, while the grounds were packed with visitors. A mob quickly formed and caught a negro who is supposed to have fired the shot. While the crowd was bringing him out of the fair grounds with cries of "Lynch him," the police got the negro away. The police arrested a white man who was shooting at the negro, but he was taken from the officers by the mob. The negro was hurriedly put in the patrol wagon and driven to the barracks. It is said that the negro who did the shooting has not been captured. The wounded men have been brought to the city in an ambulance. A riot call was sent to the police station and the militia may also be called out. There is intense excitement. The mob is chasing all the negroes out of town.

Officers Shot Dead in Tracks. Argenta, Ark., October 6.—Two Colum brothers, negro undertakers, are barricaded in their store here, across Arkansas river from Little Rock, and defy the police. Policeman Lindsay, of Argenta, is lying in front of the store badly wounded. With his father dead beside him. The Lindseys are white and were shot by the Colums. Some time ago a brother of the Colums was killed during a fight, which occurred during an inquest over a negro who had been killed by a white man. In this fight a brother of Policeman Lindsay was shot seriously, and is now confined to his bed. Posses are now being organized to take the negroes.

Little Rock, Ark., October 7.—The posse made a charge on the Colum establishment last night, but they had turned out the lights in the building and had skipped. A crowd of several hundred armed men gathered, and before it was known that the negroes had escaped, shots were fired through the building, and as a final resort the place was dynamited. The posse entered the building, but the negroes had escaped. The posse searched the home of the Colums, but they were not found there, and it is supposed that they have gone to an adjoining county, in which they formerly lived. The affair was not a race riot, but was caused through ill feeling of the Colums toward the Lindseys over the killing of Robert Colum. The grocery and undertaking establishment belonging to the Colums in Argenta is now burning. It is supposed that the fire is of incendiary origin.

Two Negroes Taken from Train and Lynched. Mobile, Ala., October 6.—A mob of 200 men, heavily armed and wearing masks, boarded the Southern train at Mount Vernon, Ala., thirty miles above Mobile, about noon to-day and took complete charge of the train, notifying the conductor and engineer that it must be run according to their orders. The leaders surrounded Sheriff Powers, taking possession of Thompson and Robinson, the negro assailants of white children. The word was given and the train with the mob on board, proceeded to a point three miles north of Plateau, a negro settlement, nine miles from Mobile, where the train was stopped in a dense forest. Begging piteously for their lives, the two negroes were carried from the train. The conductor was notified not to start his train until orders were given. Then the lynchers left the train and took the prisoners into the dense forest, where they are reported to have been lynched and their bodies riddled with bullets. Persons arriving here report that the negroes there are up in arms and trouble is feared. A later report says that while the negroes were being hanged strict orders from the leader rang out, "Boys, don't fire a shot, we are carrying out the will of the people."

Mob in Indiana on Negro Hunt. Bloomington, Ind., October 7.—Alfred Stephens, proprietor of a street lunch wagon, was shot and instantly killed by Edward Jones, a negro, here Saturday. Two attempts were made to take the negro away from the officers, but the negro was spirited away in a buggy and is now on the way to Bedford, Ind. The negro demanded a sandwich without payment, and upon being refused, shot Stephens. After the shooting a large crowd of excited people quickly gathered, and it was with much difficulty that the negro was safely landed in jail. No sooner had he been put behind the bars when another mob formed around the jail with the intention of taking the negro out and lynching him. Sheriff Hough spirited the prisoner away in a buggy and is thought to be on his way to Bedford, Ind. The crowd around the jail did not disperse for an hour or more after it was informed that Jones had been taken out of town. Circus Negro Shoots Three Whites. Columbia, October 7.—J. E. Gaillard, one of the three white men shot by Henry Adams, alias Sam Small, at Manning Friday evening, died from his injuries to-day. Adams was an employee of Cole Brothers' circus and became involved in a difficulty just as the train was departing for Sumter. At Sumter a mob was formed for the purpose of lynching the negro, but Sheriff Muldrow evaded the mob by taking the prisoner from the train and driving across the country to a station on the Seaboard Air Line, where he boarded the train for Columbia. Adams was placed in the penitentiary for safe keeping. Other members of the circus who were

arrested as witnesses are being held at Bishopville. The circus is scheduled to show at Sumter on Wednesday, but fearing trouble, an effort is being made to have the license revoked and prevent the circus from appearing in that city. Threats have been made that there would be trouble should the show go to Sumter.

Negro Kills White Man. Charlotte, N. C., October 7.—Superintendent R. H. Eubanks, of Lane Bros. Co. & Jones, contractors on the double tracking of the Southern Railway, was shot and instantly killed to-day by Oscar Gaddy, a negro, at the railway camps near Lexington. The deed was committed without provocation. Eubanks had gone to the camp to quiet the negroes, who were raising a disturbance. Many of them were under the influence of whiskey. Gaddy escaped. A posse of armed men, numbering two hundred, with bloodhounds, are scouring the county for him and if caught he will probably be lynched. A similar tragedy occurred in this community recently, when Foreman Beacham was shot and killed by a negro, who is under sentence to hang this month.
