## Reed Smoot Wins Contest for Seat.

Washington, Feb. 22.—The four years' contest against Reed Smoot being permitted to retain his seat as Senator from Utah was ended on the 20th instant by a vote of 42 to 28 in favor of Smoot. Eighteen Senators paired. Senator Smoot did not vote and Senator Westmore was absent.

The Smoot resolution was called up soon after the Senate convened. Every seat in the gallery was filled and during the voting standing room on the floor was crowded by the members of the House and the Senate employees. Seldom have proceedings affecting the standing of a Senator attracted such marked attention. Senators Dubois, Honsbrough, Newlands, Bacon and Burroughs spoke against Smoot, and Beveridge, Dolliver and Foraker for him.

Throughout the entire speech-making Smoot listened attentively, but when actual voting began he retired to the cloak room awaiting the result.

As amended the committee resolution voted on was:

"Resolved, Two-thirds of the Senators present concurring therein, that Reed Smoot is not entitled to a seat as a Senator of the United States from the State of Utah."

Of the forty-two votes for Smoot three were by Democrats—Blackburn, Clark of Montana and Daniel.

Later Smoot was given a hearty reception in the cloak room.

In the salary bill the following provision has been added for Oconee county: "None of the county officers shall charge or collect from the county any bill for postage or fuel, and the County Board of Commissioners are prohibited from paying such."

The salaries of Magistrates in Oconee county were increased as follows: At Walhalla from \$125 per year to \$250.

## Congressman Aiken and the Mail Carriers.

Representative Wyatt Aiken, after an absence of several weeks at home, on account of the serious illness of a member of his family, has again joined the other members of the South Carolina delegation in Congress.

"I am glad," said Mr. Aiken today, "to see that the committee on post offices and post roads has agreed that the rural delivery carriers throughout the country should have their annual pay increased to \$840 each. That, however, is not enough for them. I think they ought to have at least \$900 a year. If all the carriers work as hard and are as faithful as those in my district, there is not a harder worked class of men anywhere, and I firmly believe they are entitled to receive \$900."—Columbia Record.

## "Expects to Stay Drunk."

Columbia, S. C., Feb. 21.—In the Circuit Court here to-day T. S. Travis, the young Elko, Ga., telegrapher, who deserted a bride in Columbia and skipped, after cashing two forged express money orders, aggregating \$86, pleaded guilty to two counts of forgery, and was given five years in the penitentiary.

After he cashed the forged orders, Travis, who had been working as a train dispatcher here temporarily, spent the night in the tenderloin, getting riotously drunk and spending his money freely. He was caught in Jacksonville, Florida, a few days later.

From Florida he sent his bride this telegram: "I am drunk and expect to stay drunk. Goodby."

## Dispensary Commission Getting to Work

Columbia, Feb. 21.—The new State dispensary commission is proceeding with great caution in taking hold of its new job. There were more conferences to-day with the Attorney General and the Governor.

The commission has employed Ex-Speaker W. F. Stevenson, of Cheraw, as attorney, preferring an out-of-town man so as to be safe from many local influences. It will get the State dispensary books certified to and then have them re-audited carefully. There will be a carefully verified stock-taking at the State dispensary at once and similar stock-taking in the sub-dispensaries where the books do not tally with the State dispensary books and the sub-dispensaries' stocks will be sold to the county boards organizing under the Carey-Cotbran act, the basis of settlement being weekly cash installments. In addition to this the force of hands at the State dispensary will at once be reduced and the salaries of those retained cut down, though as yet it has not been decided just who is to go. Commissioner Tatum will likely be retained at a reduced salary.
