TRIBUTE OF RESPECT

To George Keels Maxwell, of Walhalla Lodge, K. of P., No. 67.

Whereas, Almighty God in His wise providence, has removed from our midst Brother George Keels Maxwell; and, whereas, we deplore his death and cherish his memory; and, whereas, in his death Walhalla Lodge, No. 67, Knights of Pythias, has lost one of its most devoted and zealous members; therefore be it resolved

First. That in the death of Bro. Maxwell this lodge, as well as the community in which he lived, has sustained a great loss.

Second. That in his daily life was exemplified in an eminent degree the teachings of our order; that he was ever faithful and true, and his influence abides for good.

Third. That we deeply sympathize with the members of his bereaved household, and commend them to the care of Him who doeth all things well.

Fourth. That a page in our minutes be dedicated to his memory.

Fifth. That a copy of these resolutions be furnished the family of our deceased brother, also to the county papers for publication.

No Use to Die.

"I have found out that there is no use to die of lung trouble as long as you can get Dr. King's New Discovery," says Mrs. J. P. White, of Rushboro, Pa. "I would not be alive today only for that wonderful medicine. It loosens up a cough quicker than anything else, and cures lung disease even after the case is pronounced hopeless." This most reliable remedy for coughs and colds, la grippe, asthma, bronchitis and hoarseness, is sold under guarantee by all druggists. 50c. and \$1. Trial bottle free.

A Gold Medal Offered.

A gold medal will be awarded to the county organizer of the School Improvement Association who brings about the most visible and practical results during this year. I hope that every teacher, trustee, patron and pupil in Oconee County will assist us in trying to place Oconee first on the list, thereby giving Mrs. Jasper Doyle the medal, the schools the benefit of the improvement, and the honor of leading in progress.

The more libraries we establish, the more special local taxes we vote, the more school furniture we purchase and the more we build or improve our old buildings, the more likely we will be to win the medal. I hope every district in the county will improve their schools in some, if not in all, of the above named ways.

A number of the districts have raised the ten dollars for a library very easily by having a box supper. I will be glad to attend any of these meetings and bring a speaker with me if you will let me know before the date is fixed definitely, so that I can arrange for the dates not to conflict.

It has been said that the reading people are destined to rule the world. If "the pen is mightier than the sword" this must be true. Henry Clay must have believed this when he said, "When I was a boy I was very poor, and my mother was very poor, but she was never too poor to buy her boy good books. To this one thing, more than to all things else, do I owe my success in life."

Respectfully,
C. L. Craig,
County Superintendent Education.

Dr. Thornton's Easy Teether passed the Pure Food and Drugs Act, June 30th, 1906. This our government guarantees as being pure and harmless. We guarantee it to cure teething troubles, flux, indigestion, stomach and bowel diseases, colds, worms, la grippe, etc. If Easy Teether fails to cure we will refund your money. It never fails and costs nothing to try it. Stonecypher Drug Co., Westminster, S. C.

DEATH OF MRS. O. I. WALKER.

Died at Her Home in Walhalla Last Monday After Brief Illness.

The many friends, here and throughout the county, of the family of the late O. I. Walker, will regret to learn of the death last Monday of Mrs. Walker, which occurred at her home in the Walhalla Highlands. Mrs. Walker had not been in robust health for some time, but few knew that she was critically ill until shortly before her death. Many anxious inquiries were made during Sunday and Monday, and about noon Monday she breathed her last.

Mrs. Walker was born January 24, 1844, and in 1865 was happily married to O. I. Walker, who died at their home at Madison on June 9, 1906. To Mr. and Mrs. Walker were born six children, two sons and four daughters—C. P. Walker of Walhalla, and Dr. C. M. Walker of Westminster; Mrs. A. Y. Davis of Toccoa, Ga.; Mrs. H. E. Rosser, of Westminster; Mrs. R. C. Carter and Miss Ruth Walker of Walhalla—all of whom survive to mourn the death of their mother.

Mrs. Walker was an excellent woman, a thorough, consecrated Christian, and will be sadly missed in family, church and community. She was a devout member of the Presbyterian church, and was greatly interested in the work of the church in its various branches, though of late years her active work was interrupted through failing health.

Her remains were taken to Tugaloo Monday, where, in the presence of a large concourse of sorrowing friends, they were gently lowered to the grave beside her husband.

To the sorrowing relatives is extended the sympathy of hosts of friends in their bereavement.

Card of Thanks.

Editors Keowee Courier: We desire through your columns to thank those friends who, in our recent distress and bereavement, rendered so many services and showed their sympathy by words and deeds of kindness. We appreciate also the kindness of those colored people who in the long night vigil and search for our loved one rendered their assistance. The many words and deeds of sympathy and kindness will ever be gratefully remembered.

Mrs. G. K. Maxwell and Family.

Death of M. J. Symes.

Mountain Rest, March 2.—Special: Manson Jolly Symes will no more appear among the scenes of man, for on the 26th of February, 1908, the Death Angel came for him and carried the immortal part of him to "a land that is fairer than day," and his body, precious to his loved ones, was laid to rest at Double Springs, where he had long been a member of the Baptist church. He had been suffering very severely for several months, even years, and it seemed as if he was on the "made perfect through suffering." He told his faithful, loving wife that he was ready to go, that it would be a happy exchange for him. May the God of the widow and fatherless sustain and comfort the bereaved wife, and be a guide to the orphan child and shield them through life's storms and tempests until they rejoice in the "Home of the Blest."
M. F. P.

(Mr. Symes was about 37 years of age. He was an honest and upright citizen, and will be missed from his community, and especially by his family and immediate relatives and near friends. He was married in 1892 to Miss Ida Vissage. He leaves, besides his wife and child, one brother, Robt. L. Symes, of Mountain Rest, and a sister, Mrs. Burt Mann, of Atlanta, to mourn his death. To the bereaved ones the sympathy of many friends goes out in their hour of sorrow.—Editors Courier.)

BRADLEY WINS THE FIGHT

In Kentucky—Republican Candidate Beats Beckham L. Four Votes.

Frankfort, Ky., Feb. 28.—Former Governor Wm. O. Bradley, a Republican, was to-day elected United States Senator after an exciting joint session of the General Assembly, receiving four Democratic votes in addition to the votes of all Republicans present.

It had been held from the beginning of the contest over six weeks ago, that a majority of a quorum was sufficient for an election. With 126 members present to-day it required 64 votes to elect. The votes of four Democrats who have steadily refused to vote for former Governor Beckham were transferred to-day from the various Democrats on whom they had sought to make their party associates until to the Republican caucus nominee and his election promptly followed.

Beaverdam Educational Campaign.

Westminster, Feb. 27.—Special: At the request of Dr. Poteat, Bro. Stone, Moderator of the Beaverdam Association, called a meeting of the Executive Board to be held at Westminster Friday, before the second Sunday in February, to apportion among the churches the amount asked of us for the special campaign for Furman University and Greenville Female College. Only three members of the Executive Committee were present—Bros. A. P. Maret, T. M. Elrod and J. B. Harris. Bro. Stone and Blackburn and the writer met with these by request. After discussing the relative ability of the churches and the general effect of an effort to apportion, it was decided to make the apportionment, but the writer was requested to write each pastor, setting before the churches, through them, the importance of this movement, and asking that the matter be given due consideration by each church. It was further decided to arrange for a campaign in July—the most leisure time—when by grouping churches, a rally can be held in each and every church. Due notice of time and place of each will be given in the county papers.

It was further requested of the writer that he make this subject a special feature at the next union meeting, to be held with South Union church, fifth Saturday and Sunday in March. We request that all who are willing to speak on this subject come prepared. (See program for union in county papers.)

The pastors are hereby urged to give this matter due consideration at each of their churches.

BIG AUCTION SALE OF REAL ESTATE

At Westminster, S. C., March 25th.

WHY? Well, I will TELL you.

About six or eight years ago WESTMINSTER was a very small village, and two or three men owned most of the property, which, of course, was very cheap at that time.

Some of these men decided that to sell off some of their property, thereby giving encouragement to others to come, would be expedient, or the growth of the town. They did so, and just then the little town started upward.

She grew, and she grew. Homes sprang up, business houses were added, and enterprises of different kinds started, and today we doubt if there is a town in the whole State of South Carolina that can show such a marvelous and substantial growth in the past six or eight years as the

Town of Westminster,

which has sprung from a small town of three or four hundred to a growing and prospering city of nearly three thousand souls, with sounds of rushing business on every hand, the roaring of the big Cotton Mills, the hum of the busy Oil Mill, the buzz of the Knitting Mills, the whirr of the Shuttle Mills, the songs of the Jamming Mills, the chiming of whistles, the clash of the hurrying teams, the click of the opening bank vaults, the call of the big school bell—all speak success and progress.

NOW?

The demand is for more residences, more business houses. People are wanting to come in and share the benefits and prosperity of this town and be accessible to one of the best schools in the State, as WESTMINSTER has a large and beautiful brick school building, well equipped, and a corps of teachers that cannot be excelled in the South.

And to satisfy this demand and encourage a continuation of

the growth of this place, I AM GOING TO PUT ON THE MARKET, FOR SALE TO THE HIGHEST BIDDER, ABOUT FIFTY OF THE

Choicest Residence Lots

IN WESTMINSTER, being located on the prettiest street in the city (PARK STREET), running from the railroad straight to a proposed Park. Every lot is a nice, level, smooth lot, and would make an ideal location for a beautiful home. These lots will be sold on the easiest of terms, only one-fourth cash, one-fourth in one year, one-fourth in two years, and one-fourth in three years.

You can't afford to miss this opportunity to buy one or more Residence Lots. As a matter of fact, this property, when cut into lots and sold, will begin to advance in price, and if bought for investment only you certainly should realize 25 to 50 per cent gain in twelve months.

Can you invest your money in a more profitable way? We think not! See this property and you will be interested.

I also have to sell, at the same time and place, on the same terms, to the highest bidder,

One of the Prettiest Two-Story, Nine-Room RESIDENCES.

situated in the very heart of the residence part of town, only a few steps from the depot. This house is built of the best original forest lumber, wainscoted and plastered first story, wains-

coted and celled second story; has six fireplaces, four large 18-foot rooms; other rooms 16x16 and 10x18; covered with the best heart shingles; ornamented and painted beautifully on the outside; large, level lot. This is a beauty, and would make an ideal home for the most exacting. See this property.

I also have to sell, at the same time and place, on the same terms,

A BEAUTIFUL LEVEL, SMOOTH FARM OF 175 ACRES,

just outside of town limits, on West Side, near the Knitting Mills. Will sell all together or in 5 to 50 acre tracts. This is the place for some man to make big money. The town is fast coming this way—in fact it is here now. There are the Knitting Mills and the Shuttle Factory right on our side, where you will find ready sale for wood, milk, butter, eggs and all kinds of vegetables and farm products at a good price. The wood on this land will make the payments if properly handled. This would be an ideal place for a truck and dairy farm, being well watered. This is a snap. See it before the sale.

WE ARE GOING TO HAVE A BIG DAY IN WESTMINSTER ON MARCH 25TH.

I will have the best brass band that can be procured and our sale will be interspersed with sweet music, which alone would be worth a ten-mile drive.

I am going to have an Auctioneer that can't be beat in the South, and you may come with your laughing clothes on, for he will make you split your sides laughing.

The merchants of WESTMINSTER will have their spring and summer goods on full display and the town will be floating colors from center to circumference. You can't miss it—don't miss it. Come yourself and tell your friend to come and bring his friend, and we will all have a good time. The ladies have a special invitation.

Watch for my Circulars Describing this Property More Fully, and be on Hand March 25th, Rain or Shine. Any information wanted relative to any of the above-mentioned property, I will gladly give for the asking.

M. Y. JORDAN, CANON, GEORGIA.
