WESTMINSTER IS GROWING.

Many Town Lots Being Sold—Matters of Personal Interest.

Westminster, March 24.—Special: We have come face to face with the fact that Westminster is growing, and that rapidly. Just a decade ago we were but a hamlet on the Southern. To-day we have a thriving town of not less than 2,500 inhabitants, including our manufacturing districts.

Westminster business men have awakened to the fact that real estate will sell here without difficulty. There is no doubt but that people are turning their eyes towards Westminster who have never done so before. Last Saturday J. S. Carter sold at auction over twenty building lots, and will sell nearly as many more to-day. Facts are stern realities. This tells the tale for itself.

On Wednesday Albert Zimmerman will sell a number of building lots. It is a good time to come to Westminster and see for yourself just what is being done. Real estate in Westminster will never sell for less than it is now. For health, loyalty and local position there isn't a better town in this section of the State.

On last Saturday evening the pupils of the 6th and 7th grades gave an entertainment at the school hall, the proceeds of which will go to the improvement of the stage. Miss Harper and her pupils are to be commended for the effort put forth in working up an entertainment at this season of the year.

On Friday the graded school will have field, day exercises at the ball park. The public is cordially invited to attend these exercises. This is the first time the school has attempted anything of this nature. As it is somewhat of an experiment, come out and help the pupils out with your presence. The program will be divided into ten sections so as to give all ages and sizes a chance to enter the event.

On Friday evening, beginning at 8 o'clock, in the school hall, will be the preliminary oratorical contest. In this twelve boys will speak. A treat is in store for all who come out. The judges for this contest are Wade C. Hughs and B. A. Bentley, of Walhalla, and Prof. D. F. Nicholson, of Seneca. The winner in this contest will represent Westminster in the Inter-High School Oratorical Contest in Greenville on April 10th.

On Saturday, April 11th, will be the high school track meet at the league ball park in Greenville. A bronze medal will be given to the winner in each standard event. A silver cup has been bought and will be given as a trophy to the track team winning the highest percentage of points in this meet.

The sick within our midst are rapidly improving.

Union services at Westminster on the fifth Sunday. Rev. S. A. McDaniel will preach at the Methodist church at 11 o'clock a. m., and Dr. J. J. Harrell at the Baptist church at 7:30 p. m. Public cordially invited to attend these services.

A. L. Gossett is rapidly improving now. We are anxious to see his genial face on our streets again.

Mr. Frank and Col. Taylor, of Anderson, are here this week assisting J. S. Carter in his auction sale.

M. Y. Jordan, of Canon, Ga., will be in town Wednesday in the interest of A. Zimmerman's auction sale of building lots.

At least ten delegates will go from Westminster to the Sunday School Convention in Union next week. Each Sunday school is entitled to one delegate for each 25 members or fraction thereof. Let other Sunday schools in the county take this matter up. It will do you good to send delegates to such a gathering.

Rev. J. R. Moore filled his regular appointment in Pendleton last Sunday.

The public meeting of the Sunbeam Society last Wednesday evening was quite a success. The little folks all did well. The theme of the program was "Allens or Americans."

The foundation of the store belonging to the England Bros. has been laid. This will be the first brick structure beyond the hotel. Later other stores will be built in this block, which will be quite an addition to the town.

K or Diseases of the Skin.

Nearly all diseases of the skin, such as eczema, tetter, salt rheum and barbers' itch, are characterized by an intense itching and smarting, which often makes life a burden and disturbs sleep and rest. Quick relief may be had by applying Chamberlain's Salve. It allays the itching and smarting almost instantly. Many cases have been cured by its use. For sale by J. W. Bell, Walhalla; W. J. Lunney, Seneca.

Items from Poplar.

Poplar, March 24.—Special: The church here was completed last week and is a neat and commodious structure.

Rev. C. D. Mann will preach at Poplar next Sunday at 11 o'clock a. m.

Mrs. E. F. Burton, wife of P. M. J. Burton, died March 23, 1908, aged 66 years. She leaves a husband and two children, M. V. Burton and Mrs. S. T. Cater, and several grandchildren. She was a member of the New Hope Baptist church for forty-three years. Her remains will be interred in the New Hope cemetery to-morrow. D. E. M.

SENECA'S NEW COUNCIL.

Election Passed Off Quietly—Social Side of the Town.

Seneca, March 24.—Special: The election for mayor and aldermen passed off quietly, resulting as follows: Mayor, J. E. Sitton; Aldermen, Whit Livingston, J. H. Bryan, J. G. Huff, G. W. Ballenger, J. H. Burgess, J. P. Lawrence.

The meeting of the executive committee of the Civic Association, which was to have been held at the residence of Dr. E. A. Hines last Friday afternoon, was declared off on account of the rain. The meeting will be held next Friday afternoon instead, and it is hoped that the members will bear the date in mind, and will not fall of attendance. An all-absorbing business proposition is before the association and the attendance of as many of the members as possible is urged.

Seneca was never duller, socially. Mrs. Lee Carreuter and daughter, Miss Nina, of Greenville, visited Mr. W. S. Hunter last week.

Mrs. Terhune and daughter, Miss Anna, of New York who are pleasantly remembered by friends here, and at Walhalla, visited Mrs. B. E. Sloan last week on their way to Walhalla.

Mrs. L. R. VanDivers, of Savannah, spent last Sabbath with Mrs. C. V. McCaray.

Hon. T. D. Long, of Retreat, is visiting relatives and friends in Seneca. The business firm of Hunt & Harper made an assignment to-day to K. M. Tribble for the benefit of their creditors.

The friends of Mr. and Mrs. J. E. Clarkson and their daughter, Miss Etta, are pleased to learn of the latter's convalescence from an attack of diphtheria.

The fact that the Civic Association decided at its last meeting to hold a Flower Show this fall is being happily received by all flower growers here. Already orders are going out for chrysanthemums, and interest grows daily.

Mrs. J. W. Stribling visited in Anderson last week.

We are naturally all out of sorts over the result of the recent election. The whole "kit and posse" is selected from the other side, and all we can do is to grin and endure it. It is useless to say that the recent change in the town charter led us to believe that we would have a representation; hence our silence. Now it looks sorter like anaj judgment to us, and all we can do is to comfort ourselves over the fact that possibly "there's a better day a-comin'"—bye and bye.

R. M. Richardson is in Seneca, having arrived yesterday from Oklahoma.

It is thought that the peach crop is yet spare.

The organization of a music club by Miss Janie Gordon's music class is one of the delights of the young set. The club was delightfully entertained by Miss Carol Herndon last Friday afternoon. The next meeting will be held with Miss Verma Stribling.

J. H. Adams's milliner, Miss Linda Robinson, has arrived in Seneca, and is preparing to show the latest spring styles in millinery at the spring openings. Miss Robinson's popularity will doubtless draw a good share of trade to this old and reliable house.

S. K. Denny has returned from New York, where he purchased his spring and summer stock of dry goods.

The Once-a-Week Club was delightfully entertained by Mrs. J. H. Burgess last Thursday afternoon. The meeting this week will be held with Mrs. L. W. Verner.

Mrs. J. H. Adams returned last week from a visit to her old home, Washington, Ga. M. V. S.

Unequaled as a Cure for Croup.

Besides being an excellent remedy for colds and throat troubles, Chamberlain's Cough Remedy is unequaled as a cure for croup," says Harry Wilson, of Waynetown, Ind. When given as soon as the croupy cough appears, this remedy will prevent the attack. It is used successfully in many thousands of homes. For sale by J. W. Bell, Walhalla; W. J. Lunney, Seneca.

MATTERS FROM FAIR PLAY.

Happy Reunion—Family in Distress—Personal Paragraphs.

Fair Play, March 23.—Special: Mrs. S. C. Dobbs and two daughters, Mrs. W. A. Chastala, of Athens, Ga., and Mrs. M. K. Layton, of Macon, Ga., with her two interesting daughters, Misses Elsie and Margaret, arrived Saturday evening to be present at a family reunion given in honor of John E. Dobbs, his wife, Mrs. Hazel Dobbs, and little baby, Violet, who will reach Fair Play to-day from Los Angeles, California, to spend the summer with Mr. and Mrs. W. L. Dobbs. Mr. Dobbs, after an absence of seventeen years in the far West, has decided to return East to spend his remaining days with loved ones. It has been said by one of our philosophers, "Young man, your fortune is in the East." We extend to Mr. and Mrs. Dobbs a cordial welcome.

Our good neighbor, Thos. Compton, had the misfortune to lose a valuable mule last Saturday night. The loss falls heavily on Mr. Compton since mule flesh is so dear.

Fair Play has within its town limits a boy—an object of charity—who lies at death's door, and the family are without food and clothing. Now Brother P. S. or Sister P. S., as the case may be, as you won't ditch the town, nor wouldn't buy the fat, "I don't need it," why don't you send of your means to this afflicted family, and thereby add more stars to your crown. Instead of trying to get up a newspaper controversy with me, who only intended the pun on the town of Fair Play as an innocent joke. Just put a sack of meal or flour, or one of those little middlings from that big fat hog into your buggy and carry to this family, and they will be grateful indeed. Charity is love. It's very strange that some people can't take a joke, but you know, Mr. Editor, "it's the nit nound that always hollers."

Miss Anna Maretz has returned from Greenville.

E. C. Maretz is rapidly recovering from his long illness.

Miss Ethel Maretz had as her guest Miss Ada Simpson, of Westminster, last week. Both young ladies are pupils of the Westminster Graded School.

Mr. and Mrs. Joe Harbin left last Wednesday for Southwest Georgia, where they will make their home. We regret very much to give up Mrs. Harbin. As Miss Dora Glymph she will be greatly missed from our Sunday school and mission society where she has been such a faithful worker. May success and happiness attend them in their new field of labor.

Mrs. Martha E. Watson and Mrs. John Eskew, of Anderson, were visiting in our community last week.

Miss Elsie Layton, a bright student of the Lucy Cobb Institute, Athens, Ga., is the attractive guest of Mr. and Mrs. W. L. Dobbs.

Miss Mary Shelor, of Tugaloo, and Miss Janie Wylie, of Richland, were Mrs. S. P. Stribling's guests last week.

News has been received from Mounds, Indian Territory, that Robert Lee Barton lies at the point of death. We have heard no further particulars. We trust there has been a change for the better ere this.

Pied the Newspaper.

Rock Island, Ill., March 23.—This morning, by a dynamic bomb, the big press and office equipment of the Daily News, of Rock Island, were wrecked. The paper had been doing strong work for the anti-saloon party and in running the gamblers out of the city.

PANIC ON "L" CAR.

Deadly Third Rail, Knocked Out of Place, Causes Explosions.

New York, March 23.—Seventy-five feet of ripped-off third-rail dangling from the Broadway line of the Brooklyn elevated road last night caused numerous minor explosions as it came, highly charged, into contact with wires and metal fixtures, while the "L" car that left the tracks and detached the current conveying rail in the process hung suspended in a perilous position in mid-air, threatening every second to topple over into the street.

When the car stopped on the edge of the structure there was a rush for the rear door, causing a crush in which several persons were bruised and their clothing torn. The guards, however, kept the gates closed and would not allow the passengers to leave the train until another one was attached to it in the rear. The suspended car was then hauled back out of danger.

A police guard formed about the live rail on the street and kept the crowds back until the current was turned off and electricians had made hurried repairs. The entire line was tied up for an hour and a half.

Lame Shoulder.

Whether resulting from a sprain or from rheumatic pains, there is nothing so good for a lame shoulder as Chamberlain's Pain Balm. Apply it freely and rub the parts vigorously at each application, and a quick cure is certain. For sale by J. W. Bell, Walhalla; W. J. Lunney, Seneca.

THREE STATES STORM SWEEP.

Many Persons Injured—Washouts Along Railroads Cause Delay.

New Orleans, March 23.—As a result of a heavy wind and rain storm which has raged in portions of Louisiana, Mississippi and Alabama during the last 24 hours, much property has been injured and at least one person has been killed.

Cyclones have been reported from East Feliciana parish, Louisiana, and Jefferson Davis county, Mississippi while much damage has been done in the neighborhood of Flowton, Alabama, by heavy rains. Washouts along the line of the Louisville and Nashville railroad north of Mobile have seriously delayed traffic. All telegraph and telephone wires in the sections visited by the storm have been prostrated and deals regarding the damage done are in many instances lacking.

Florida Senator Dies of Typhoid.

Washington, March 22.—United States Senator William James Bryan, of Florida, died at Providence Hospital at 8:30 o'clock this morning of typhoid fever. It was only 73 days since he took his seat as the successor of the late Senator Stephen R. Mallory, who died December 23, and 33 days of that time were spent in his fight against disease. Several times during Mr. Bryan's illness his friends despaired of his recovery, but as late as last night the report was given out that his condition had taken a turn for the better. His death to-day, therefore, came as a surprise and a distinct shock.

In Mr. Bryan the Senate loses the seventh member by death since the adjournment of the Fifty-ninth Congress on March 4, a year ago. Mr. Bryan was less than 32 years of age.
