

UP ON LITTLE RIVER.

Miscrants at Work at Night—Interesting Marriage Occasion.

Little River, Feb. 13.—Special: The farmers of this section have been making good use of the past week with their plows.

Our friend, I. E. Collins, is still very sick. It is hoped this good man may soon be well again.

Little Ruby Perry, who has been so sick, is better at this time, but her little sister, Naomi, is real sick now.

John Coward, of the Whitewater sector, passed through here on his way to Salem recently.

Mr. and Mrs. Major Crow had the misfortune to lose their baby. The cause was thought to be bold hives. The bereaved parents have the deepest sympathy of many friends in their sorrow. This was their first-born, which always holds a sacred spot in the parents' heart. The remains were buried the day following at Whitire's cemetery. "The Lord gave and the Lord hath taken away; blessed be the name of the Lord."

J. C. Shockley offers \$5 reward for proof to convict the parties who went to his saw mill the last of January and broke the glass off the steam gauge on his boiler and twisted withes and laid them, with clubs, in the darkey shack. This is poor bravery. Whoever did the work had better have been at home attending to their own business.

Thomas P. Alexander and Miss Bessie Smith, both of the Salem section, were happily married at the bride's home on last Sunday morning at 9.30 o'clock by Magistrate W. H. Talley. The parlor was handsomely decorated in holly and fern. After the ceremony the guests enjoyed some good jokes from Mr. Talley and some nice music by the bride on the autoharp. Most of the party then attended church at Whitire's. The bride and groom left early Monday morning for the home of the groom's parents, in the Old Pickens section. After a short time they will return to their home with Mr. and Mrs. L. Rogers, the grandfather of the groom. The bride is one of Salem's fairest daughters and is universally liked. She is the only daughter of R. E. Smith. The groom is a promising young farmer and numbers his friends by the score. We join with many others in wishing them a long and happy life.

\$136,825,199 TO SUPPORT NAVY.

Provision is Also made for Two 26,000-Ton Battleships.

Washington, Feb. 11.—Senator Hale, chairman of the committee on naval affairs, yesterday reported to the Senate the bill making appropriations for the support of the navy. It carries \$136,825,199 an increase of \$1,058,428 over the amount carried by the bill as it was passed by the House.

No change was made in the item providing for the construction of two 26,000-ton battleships. The Senate committee provided that no part of the appropriation for the marine corps may be expended unless the corps is continued in service as heretofore on battleships, cruisers and other naval vessels.

Husband and Wife Remarry.

Birmingham, Ala., Feb. 13.—After separation of 35 years, Major Charles Wheelock, prominent citizen of Birmingham, and Mrs. Eliza Wheelock, who has been living for many years in California, were remarried in Birmingham to-day.

Mr. and Mrs. Wheelock were first wedded in Los Vegas, Mexico, more than fifty years ago. Four children were born to the couple, the oldest of which is fifty years of age. Mr. and Mrs. Wheelock were separated 55 years ago, the husband coming to Birmingham, and the wife going to California, where she lived before the marriage.

In Birmingham, about 20 years ago, Mr. Wheelock again took a wife, whose death occurred about 12 years ago. Since that time the children have endeavored to bring their parents together, and their wishes were realized to-day. Major Wheelock is one of the prominent citizens of Birmingham, and the romance has proved a matter of exceeding interest here.

SOVEREIGN LOWE GUILTY.

Aiken County Man Convicted of Murdering His Wife.

Aiken, Feb. 11.—The jury in the case against Sovereign I wee, charged with the murder of his wife, Mrs. Rainey Lowe, rendered a verdict of guilty this afternoon, after having the case under consideration for less than two hours. The verdict carries with it a recommendation to the mercy of the court, and this will save the prisoner's neck. Lowe has not yet been sentenced, but he will receive a life sentence.

MRS. SARAH A. WILSON DEAD.

After Lingering Illness Aged Lady Passed Peacefully Away.

Whitewater, Feb. 10.—Special: After a lingering illness Mrs. Sarah Ann Wilson died last Thursday morning, February 5, at 3 o'clock. She had long been afflicted with heart and stomach troubles, but it was not thought the end was so near. For the last two weeks, however, she grew steadily worse. She bore her sufferings patiently, like a true Christian. Mrs. Wilson was in her seventy-fifth year having been born on the 9th of June, 1834, making her 74 years, 7 months and 27 days old. In early life she united with the Methodist church, and was a consistent member until her death. Her maiden name was Moody, she being a daughter of the late Martin Moody. She was twice married. When about 16 years old she married George Coward, of Jackson county, North Carolina. Five children were born to them. When the war came on George Coward enlisted and never returned, dying from fever in Richmond, Va. After the war she married Wm. Wilson. Three children were born to them. All the children but two, of both unions, are left to mourn her death. Besides a large family connection, extending over several States, out of a large family of brothers and sisters there are but two left—B. J. Moody, of Salem, a brother, and Mrs. Elizabeth Rochester, of Ocala, N. C. After a long and useful life may she rest in peace. Friend.

Statue of Calhoun.

F. W. Ruckstuhl met the Calhoun Statue Commission in Columbia last week and submitted photographs of the clay model for the Calhoun statue. After duly examining the photographs the commission expressed itself as highly pleased with the work as far as it had been carried out.

The clay model, which was cast into plaster in Paris, is now in Italy and is being carved in marble. The carving will take about six months. Mr. Ruckstuhl will leave New York for Florence, Italy, in April and will himself finish the carving there.

The statue will be seven feet high and stand on a pedestal about three and a half feet high, a total of about ten and a half feet in height.

It will be placed in position about September 1 in the Capitol at Washington and be unveiled with appropriate ceremonies early in December of this year.

Shot Into Crowd of School Girls.

Spartanburg, Feb. 10.—A special to the Journal from Landrum, in the upper edge of this county, says that two boys visited the Bennett school near that place several days ago and frightened the girls by their outrageous conduct, which was extremely disgusting.

One of the boys fired a shot gun into the crowd, several of the shot striking Miss Smith, a pupil of the school in the face. Fortunately the young lady was some distance away when the shot was fired and was not badly hurt.

SAVED FROM AN OPERATION

By Lydia E. Pinkham's Vegetable Compound

Louisville, Ky.—"Lydia E. Pinkham's Vegetable Compound has certainly done me a world of good and I cannot praise it enough. I suffered from irregularities, dizziness, nervousness, and a severe female trouble. Lydia E. Pinkham's Vegetable Compound has restored me to perfect health and kept me from the operating table. I will never be without this medicine in the house."—Mrs. SAM'L LEE, 3523 Fourth St., Louisville, Ky.

Another Operation Avoided. Adrian, Ga.—"I suffered untold misery from female troubles, and my doctor said an operation was my only chance, and I dreaded it almost as much as death. Lydia E. Pinkham's Vegetable Compound completely cured me without an operation."—LENA V. HENRY, R. F. D. 3.

Thirty years of unparalleled success confirms the power of Lydia E. Pinkham's Vegetable Compound to cure female diseases. The great volume of unsolicited testimony constantly pouring in proves conclusively that Lydia E. Pinkham's Vegetable Compound is a remarkable remedy for those distressing feminine ills from which so many women suffer.

DAYS OF DIZZINESS

Come to Hundreds of Walthalla People.

There are days of dizziness; Spells of headache, sideache, backache; Sometimes rheumatic pains; Often urinary disorders. All tell you plainly the kidneys are sick. Doan's Kidney Pills cure all kidney ills. Can Walthalla residents doubt this statement?

Mrs. Clara Hines, 200 Townes street, Greenville, S. C., says: "About fifteen years ago I began to suffer from kidney trouble and although I doctored extensively, I obtained only temporary relief. The aching in my back was almost constant and was often accompanied by a pain in my sides. Dizzy spells and headaches were frequent, and at times my eyesight became impaired. I was very nervous and was bothered by the irregular passages of the kidney secretions. About a year ago I decided to try Doan's Kidney Pills and obtained a box. They helped me at once, and after using them a short time, I was entirely relieved. Since then my kidneys have been normal and I have been in excellent health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

This Man Spanked Roosevelt.

Greely, Colo., Feb. 15.—Ernest Minckwitz, formerly chemist in the Windsor sugar factory, enjoys the distinction of being the only man in Colorado who spanked Theodore Roosevelt, when the latter was a boy. He says President Roosevelt was 14 years old, his mother placed him in the Minckwitz family at Dresden, Germany, to learn German. One day young Roosevelt put on some boxing gloves and gave the German lad a punch, saying: "This is the way we do it in America."

Whereupon the stout German lad took him across his knee and administered a spanking, saying: "This is the way we do it in Germany."

Minckwitz says that three years ago he was at the White House, and President Roosevelt recalled the incident.

PUT YOUR MONEY IN A GOOD ROOF

Counterfeit money is good enough for counterfeit roofing, but when you spend real money, get REAL ROOFING!

Our Vulcanite Roofing is fire-resisting, (taking the same insurance rate as slate or metal) water-proof and rot-proof. It will outlast the building, and assures absolute protection to contents. For 60 years it has constantly proven its superiority over everything of its kind. If your dealer hasn't it, write us direct.

Before you buy or repair, write for our free booklet, "The Right Roofing and the Reasons Why."

VULCANITE ROOFING

12,814,000 BALES TO FEB. 6.

Report is Issued by National Ginners' Association.

Memphis, Tenn., Feb. 12.—The amount of cotton ginned to February 6 is placed at 12,814,000 bales by the National Ginners' Association in a report issued Wednesday. This amount as compared with 10,593,000 bales ginned to February 8 of last year. The amount ginned since the date of the last report, January 16, is placed at 147,000 bales.

Continuing, the report declares that ginning is completed in all except six counties in Mississippi, five in Arkansas and six in Texas. Oklahoma has yet some scattering cotton to gin, but the majority of the gins have closed down.

The Kind You Have Always Bought

A CO-OPERATIVE COTTON MILL.

Every Employee will Share in Profits of \$1,000,000 Boston Plant.

Boston, Feb. 11.—One million dollars worth of stock will be offered to the public within a few days by Eugene N. Foss and his associates to finance the building of the great cotton mill and power plant in East Boston, to be known as the "Reciprocity Mills."

The promoters of this immense industry, which they say is bound to work wonders in the upbuilding of Boston's trade and commerce, announce that every employee of the mills will share in the profits. The help will also be represented in the board of directors of the corporation.

His Conundrum.

(Chicago Post.)

"What is the difference," asked the man with the erratic eyebrow, "between a tall, stout man whose wife has purchased for him a pale pink smoking jacket with yellow facing and a pocket that is utterly out of convenient reach at a dry goods store late in the afternoon of the day before Christmas, after having put off the purchase for two weeks because she had to attend half a dozen bridge parties and a large jovial Russian nobleman who has been convinced of the brotherhood of man and who is devoting himself to the laudable work of converting the people on his estates?"

"How's that?" asked the man with the dilatory moustache.

The man with the erratic eyebrows repeated the query, and the other man, of course, refused to answer, saying that if he replied to hypothetical questions he must demand an expert's fee.

"Oh, well," exclaimed the man with the erratic eyebrows, "It is simple enough. One pays for the present and the other prays for the peasant."

Hexamethylenetetramine.

The above is the name of a German chemical, which is one of the many valuable ingredients of Foley's Kidney Remedy. Hexamethylenetetramine is recognized by medical text books and authorities as a uric acid solvent and antiseptic for the urine. Take Foley's Kidney Remedy as soon as you notice any irregularities, and avoid a serious malady. J. W. Bell, Walhalla; Stonecypher Pharmacy, Westminster.

Greeks Supplant Negroes.

Spartanburg, Feb. 12.—Failing to find colored labor satisfactory, J. C. Dunn, contractor of the Carolina, Clinchfield and Ohio road, has engaged 100 Greeks to work at his camps near Pacolet and Broad river. Forty Greeks arrived in the city last night and were sent out on the road this morning. Monday morning 60 additional Greeks will reach here to start work. Mr. Dunn said that colored labor was too uncertain, causing too much delay.
