

### TRouble FOR RICHARDSON.

Another Warrant is Issued for Alleged Forger in Jail at Lexington.

Lexington, Feb. 18.—There is still more trouble in store for S. L. Richardson, the alleged forger, who has been in jail here for the past several months. Sheriff Corley yesterday received a warrant from Sheriff W. M. Kay, of Oconee county, requesting him to arrest Richardson for him as soon as the charges resting against him here are disposed of. The warrant accuses Richardson of "selling property on which lien existed" to T. F. Fowler.

This warrant makes about a half dozen which the Lexington sheriff has in his possession, besides the one upon which he is being held here, sworn out by the Citizens' Bank of Batesburg, charging him with forgery. All of the warrants, however, except the one received yesterday, accuse Richardson of forgery and obtaining money under false pretences. He was not tried at the Sessions Court here week before last, for the reason that Magistrate Shealey, of Leesville, had granted a preliminary at the request of Richardson's attorneys.

It is said that Richardson has changed his demeanor somewhat since the conviction of Tom Craft for the murder of Garfield Hutto. He had been praying for the acquittal of Craft, it is said, and that his prayers were of no avail seemed to disappoint Richardson very much. As has been stated in this correspondence, Richardson belongs to the religious sect known as the "Unknown Tongue," and passes the time reading his Bible and in prayer. It is stated that he is of the opinion that "the Lord will come down from above and open the jail doors and release him from custody."

Mrs. Richardson writes to her husband every day, assuring him of her confidence in him, and expressing the belief that it will not be long until he can return to her a free man.

### Seneca's Electric Lights.

(Anderson Mail.)

The Piedmont Electric Company of this city has been awarded the contract for installing machinery, wiring, poles, etc., at the new electric lighting plant of Seneca. The contract will amount to something like \$10,000, and the work will be begun as soon as the materials necessary, which have been ordered, can be placed on the ground. The Seneca Electric Company will spend between \$2,000 and \$5,000 for the building and equipment besides the amount of the contract with the local company.

L. M. Felton stated to-day that the work will be done under the direction of B. D. Gallard, and will be pushed as rapidly as possible. It is expected that it will be completed about the first of June if no unseen circumstance arises to prevent, and it is possible that the job will be done.

### Atlanta Woman Commits Suicide.

...18.—In the presence of Mrs. Powers, a ... three-months' ... Maund, twenty-one years of age, of 541 South Pryor street, this afternoon sent a bullet crashing through her heart. Death was instantaneous. The health and the fact that her husband, who is a traveling salesman, could not be with her all the time are given as the cause of Mrs. Maund's act.

Mrs. Maund left a note which was written in the presence of Mrs. Powers, who was rocking the young baby in a crib at the foot of the bed on which Mrs. Maund was lying at the time. The note reads as follows: "To whom it may concern—Oh, God, forgive me. I am so tired of this miserable life. No friends, and if my poor soul is lost, I cannot help it. P. H. be a good man. Pray for Annie. Hun, you would have stayed with me had you known this, but it is too late."

Her husband is Preston H. Maund, a traveling salesman.

### LIEN LAW ABOLISHED.

Twenty-Four Senators Vote to Repeal Law and 12 Oppose It.

Columbia, Feb. 17.—The Senate to-night by a vote of 24 to 12 passed the lien law repeal bill, which has been under consideration for the past two days. Nearly every Senator has had a say on this measure. It was thought that a vote would be reached immediately on this bill on which all Senators naturally had their minds made up. Senator Kelley was willing for vote to be taken at once, but discussion arose and continued for the past two days and nights. The House passed the bill by a vote of 85 to 35.

The vote in the Senate stood as follows upon Senator Kelley's motion to table Senator Montgomery's motion to strike out the enacting words of the bill:

Yeas—Appelt, Carlisle, Carpenter, Christensen, Crosson, Earle, Graydon, Hardin, Harvey, Hough, Johnson, Johnstone, Kelley, Lide, Mauldin, McCown, Muckenfuss, Rainsford, Stewart, Sullivan, Summers, Walter, Weston, Wharton. Total 24. Nays—Bass, Black, Croft, Griffin, Laney, Montgomery, Otts, Rogers, Sinkler, Spivey, Walker, Williams. Total 12.

So the enacting words of the bill were not stricken out. When the vote was announced there was a storm of exceptions of counties to be exempt coming under Senator Montgomery's amendment to exempt the county of Marion. The exemptions came thick and fast, including Lancaster, Charleston, etc., etc. The amendment was tabled on a ye and nay vote by 19 to 17, thus bringing all counties under the provisions of the bill.

Senator Weston, speaking on the bill, pointed out the fact that the South furnishes three-fourths of the cotton of the world. "In spite of this we are the poorest people in the world to-day," he said. "The poor man has the sympathy of all, and legislation should be directed to help him out as far as possible." He referred to the work done by the Southern Cotton Association and the Farmers' Union. He praised these organizations, which have done so much for the farmers. He called attention to the methods by which those who wished to control the cotton market obtain knowledge of the time liens were due, and the cotton had then to be put on the market.

"We have become a one crop people," said Mr. Weston, "and because of the impetus given by the lien law, it will go a long way toward making our people independent of the corn and meat now received from the West. There may be hardships at first, but in the end it will bring happiness and prosperity."

He argued that lien givers are rarely ever able to pay out entirely. The man who gives a lien is in bondage for a while, and then he has to give up his business entirely. The organizations mentioned have both declared themselves to be in favor of abolishing the lien law. "Why should we say we know more about this business than the farmers themselves?" he asked.

### WHAT THESE PEOPLE SAY OF NOAH'S LINIMENT:

#### SCIATIC RHEUMATISM.

East Providence, R. I., March 31, 1908.—I have been confined to my room with sciatic rheumatism for the past three months, unable to walk and suffering the most intense pain in my right hip and leg continually. Recently a relative sent me a bottle of Noah's Liniment to try, and I found it drove the pain wherever applied. Now I am so I can walk around the house and have no doubt it will perform a permanent cure. W. H. FLOOD.

#### USED AT LARGEST STABLE IN THE WORLD.

Richmond, Va., Feb. 28, 1908. I have been using Noah's Liniment at these stables for the past two months with the greatest satisfaction, and consider it one of the best. I have given out several bottles to horse men who have also used it with good results. A. H. TURNER, With Smith Bros.-McCleary-McClellan Co.

#### RHEUMATISM.

Swansboro, Va., Oct. 31, 1908. About six weeks ago I suffered an attack of rheumatism in my right leg, and it was hard for me to get about. I saw Noah's Liniment advertised and I thought I would try it, and I found that it did me a whole lot of good, in fact, it took all the pain and soreness away. I have worked at the iron trade (Old Dominion Iron and Nail Works) for about fifty years, and I get bruised frequently. I find Noah's Liniment takes all soreness out immediately. I recommend Noah's Liniment to any who suffer aches and pains. EDWARD RYAN.

#### SUFFERED TEN YEARS.

Point Eastern, Va., June 18, 1908. I suffered ten years or more with a dreadfully sore pain in my back and tried different remedies, but had a return of the pain and soreness till I tested the "Noah Liniment," of which less than half a bottle seems to have made a perfect cure. I am much stronger indeed. I think it is just grand, and I do hope all suffering with rheumatism and all other pains and soreness will test its curative powers, especially the aged, and be healed. I used it externally only. I shall always keep it on hand. MRS. J. D. BILLINGSLEY.

#### BACKACHE AND STIFF JOINTS.

Abbeville, S. C., Jan. 9, 1909. I purchased a 25c. bottle of Noah's Liniment of C. A. Milford & Co., and used it for rheumatism, stiff joints and backache, and I can say it did me more good than any pain remedy I ever used. It has also been used in my family for coughs, colds, cramp and colic, always giving immediate relief. REV. GEO. W. SMITH.

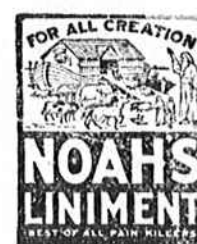

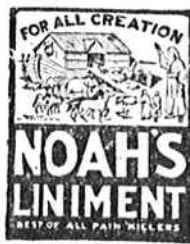

#### NEURALGIA AND TOOTHACHE.

Hodges, S. C., April 23, 1908. My wife suffered for several years with neuralgia and toothache. She used half a bottle of Noah's Liniment and got immediate relief. I would not be without it in my house at any cost. J. S. FISHER, Policeman.

NOAH'S LINIMENT IS THE GREATEST REMEDY KNOWN FOR ALL FORMS OF RHEUMATISM, NEURALGIA, STIFF JOINTS, LAMENESS, BACKACHE, TOOTHACHE, STRAINS, AND SPRAINS, CRAMPS, COLIC, SORE THROAT, COLDS, ETC.

### EXPRESS THIEF CAUGHT.

O. R. Hull, Charged with Stealing Money Orders, Captured in Canada.

Savannah, Feb. 17.—O. R. Hull, the relief agent of the Atlantic Coast Line, who stole, it is alleged, a book of express money orders of the Southern Express Company, and then, after filling them out for various amounts, sowed them over Savannah and fled, has been captured, his arrest taking place in Revelstoke, British Columbia, Canada, where he attempted to have one of the money orders cashed.

The order blanks were stolen from the office of the express company at Winokur, Charlton county, Ga. The express company achieved the capture. Many thousands of descriptions with pictures of Hull were spread over the whole of North America, and its islands, and then over Europe. He will probably be indicted to-morrow and extradition papers will be sought. Hull's long flight and his capture mark his case as unusual, as well as the freedom and boldness with which he is said to have scattered the stolen money orders. It is not expected that there will be any difficulty about bringing him back to Georgia.

Hoarse coughs and stuffy colds that may develop into pneumonia over night are quickly cured by Foley's Honey and Tar, and it soothes inflamed membranes, heals the lungs and expels the cold from the system. J. W. Bell, Walhalla; Stonecypher Pharmacy, Westminster.

### Three Burned to Death.

Wheeling, W. Va., Feb. 18.—Fire destroyed a Slavish miner's home, following a powder explosion at the Findlay Coal mines at Collier's, W. Va., a few miles from here, to-day. Three persons were burned to death, and a fourth fatally injured. Their family names are Kupfloski.
