—One of the greatest improvements made on Main street in many months was the removal last week of the old buildings at the corner of Main and Tugaloo streets. W. M. Brown purchased the property some time ago, and the tearing away of the old ramshackle wooden buildings is the beginning of his improvements on this valuable property. We congratulate Mr. Brown and the town of Walhalla on the removal of these eyesores. It is to be hoped that others will follow his example.

—If the party who picked up a lady's brown purse on the yard at Seneca depot or in waiting room on Saturday afternoon, August 21st, 1909, shortly after 5 o'clock, will return same with contents to the owner, Mrs. Nannie Barron, Westminster, S. C., it will be very much appreciated and no questions asked. The parties who found it are known, however, and I ask this favor to avoid further trouble, as all I want is to recover my property. My card was in the purse, and the party who picked it up saw me drop it, so it would have been no trouble to have restored it to me as soon as found. The purse contained two one-dollar bills, one 50-cent piece, three nickels, a trunk key tied with blue ribbon, two baggage checks from Seneca to Westminster (Nos. 544,503 and 191,290); also several visiting cards with Mrs. Nannie Barron engraved on them. I will wait for a few days for a reply to this card before making any other effort to recover the purse.

—H. A. Johnson, Esq., of Perry, Oklahoma, is visiting at the home of Mr. and Mrs. T. M. Elrod, in the New Hope neighborhood. Mr. Johnson is a half brother of Mr. Elrod, and both are natives of Anderson county. Mr. Elrod moved to Oconee about 22 years ago, and it has been 16 years since Mr. Johnson moved to Oklahoma. He finds that while Oklahoma and the far West, over which he has traveled extensively, have some advantages to offer, that the Piedmont section of South Carolina is far preferable for a home, as to health and climate. Mr. Johnson has spent several weeks in Anderson, Pickens and Oconee on this visit, and will be here until the middle of September. Only last week he received a letter from a Circuit Judge in his adopted home, in which congratulations were offered on his good fortune in not being now in Oklahoma, where the thermometer is registering 107 in the shade and crops are parching. Mr. Johnson is an interesting talker, and his visit with Mr. Elrod to The Courier was greatly appreciated.

—We are reliably informed that West Union is soon to have a new passenger depot. Walhalla will also have a new depot just as soon as the Railroad Commission can be prevailed upon to issue an order compelling the Blue Ridge to do what has been needed for the past ten years, and what the railroad promised to do almost three years ago. We hope West Union will fare better at the hands of the Blue Ridge than Walhalla has.

—The Emery Circle was delightfully entertained Tuesday afternoon last by Mrs. C. W. Bauknight. The guests assembled on the spacious east veranda, where a most pleasant hour was spent in exchanging ideas in fancy work, after which the hostess, assisted by her sister, Miss Annie Verner, served a delicious salad course, with iced tea. Several of the members being out of town, the attendance was not as large as usual, but three charming visitors added much to the pleasure of the meeting. Those present were Mesdames Darby, Bell, Lucas, Bauknight and Seaborn. Visitors: Mrs. Shanklin, of Clemson College, and Mrs. Tatum and Miss Tatum, of Bishopville.
