The one presenting the next largest amount will receive the second prize, and so on until the fifty-eight premiums have been given away.

It matters not whether you buy or not, just so the bills are for goods purchased at our stores. Either Cash or Charged Sales will count in DRY GOODS, CLOTHING, SHOES, FURNITURE, GROCERIES, or FERTILIZER, just so the purchase was made at this Store, and the bill dated between September 15th, 1909, and April 15th, 1910.

Ask your neighbors to help you, ask your friends to help you; just so you present the bills you will receive the presents as advertised.

No one connected with the Store will be allowed to enter the Contest. Remember this is a straight, fair deal.
