The committee will award the prizes on the first day of August, or as soon thereafter as practicable.

LOCAL MATTERS FROM SENECA.

Floral Show November 1st and 2d Matters of Interest.

Seneca, Oct. 24.—Special: Seneca will be well represented at both Greenville and Anderson, the attraction being Ringling Bros.' shows on the 27th and 28th, respectively.

The floral show, which is set for the 1st and 2d of November, is the absorbing topic in feminine circles here now. J. E. Sifton comes to the front this week with a handsome donation—the coffee used in the refreshments and a cake plate for the best layer cake. The committee begs exhibitors to bear in mind the following rules, which have been adopted regulating entries, etc.:

1. All plants and household displays and farm products must be entered on the day before the show. None will be received later than Wednesday afternoon of that day. 2. Cut blooms must be entered by 10 a. m. the first day of the show. Exhibitors are notified that committees will receive exhibits at the door. 3. Exhibits cannot be removed from the exhibit hall until Saturday, following, when they will be checked out. 4. Exhibitors desiring to sell blooms the last night of the show can check them out at 6 o'clock for that purpose.

The committee has also decided to allot space for the purpose of placing cut blooms for sale. Exhibitors wishing to sell blooms which are not classified will have opportunity to do so. It is the wish of the management that the flower show be regarded as a county affair and not in any sense confined to Seneca and community. Flower growers throughout the county are solicited and urged to bring flowers for exhibition; housewives to bring something for the household department, and farmers to contribute to the farm and orchard display.

Prof. Daniel of Clemson College, has consented to speak on Tuesday night, and on Wednesday night Mrs. Cora Ligon, of Anderson, will render a music program, which will be supplemented with selections by local talent. Refreshments will be served both days. Admission, 10c.

RICHLAND NEWS BRIEFS.

A Unique Party at Which Five of the Guests were Over 75.

Richland, Oct. 24.—Special: Issaquena Sunshine Society met last Sunday afternoon at Rock Springs church and elected the following officers for the coming year: Mrs. J. P. Blackwell, president; Mrs. J. C. Foster, vice president; and Mrs. J. D. Shanklin, treasurer. Miss Cornelia Foster was re-elected secretary.

L. M. Berry spent last Tuesday in Greenville on business.

Mrs. S. N. Hughs and children left last Wednesday morning for an extended visit to her brothers, who reside in Arkansas.

Mesdames Cunningham and Neens and children, of Greenville, spent the week-end at the home of L. M. Berry. Charles Ballinger returned to Greenville Wednesday after a ten day's visit to homefolks at this place.

Mrs. Lucy Barriss left Saturday for a several weeks' visit in Anderson.

Mrs. M. T. Hughs and Miss Lillie Hughs, of Walhalla, spent Tuesday in Richland and attended the quilting at the home of Mr. and Mrs. W. H. Hughs Wednesday.

J. P. Stribbling, as delegate from Richland church, attended synod at Newberry several days during the past week.

The chief event of the past week was an "old fashioned quilting" given by Mrs. W. H. Hughs. As the guests arrived they were ushered into the different quilting rooms and set busily to work. It was hard to tell which worked the faster, the needles or the tongues. Sufficient to say, however, that nice quilting was done and many topics were discussed. After quilting for some time the guests answered to "roll call" and as the names were called the guests were ushered into the dining room, where a sumptuous feast was spread. At the first table the grandmothers were seated, 14 in number, three of them being great-grandmothers, and two of them being past four score. The second consisted of the mothers, and at the third were the maids, old and young. There were over forty plates served. This part of the program was very much enjoyed by all. Such pies and things! Mrs. Hughs was assisted by Misses Ada Wylie, Marion Coe and Fredda Hughs. After dinner the ladies set to work in earnest and quilted five quilts. One pleasant feature of the occasion was the number of elderly ladies present, four of them being past 75 and two past 80. In the afternoon a quilting club was organized, the object of which is to help each other do their quilting and have a social meeting, too. Each member is to carry her own lunch, the hostess only being allowed to furnish hot coffee. The quilting will long be remembered by all who were present as a most enjoyable day.

Quite a little party of the younger set visited in Westminster Saturday afternoon—Misses Lola Wylie, Grace and Marion Verner, Selma and Fay Driver, Willie McDonald, Vera Coe, Edith Foster, Lela Wylie, Carrie McMahon, Nettie Hubbard, and Masters John Verner, Jessie McMahon and Wayne Wylie.

For Three Decades Foley's Honey and Tar has been a household favorite for coughs, colds and ailments of the throat, chest and lungs. Contains no opiates. Barton Pharmacy, Walhalla; W. J. Lunney, Seneca.

Wagner Sunday School Convention. At the meeting of the township executive committee a few days ago the date for holding the next interdenominational Sunday School Convention was set for Thursday, November 3d. This movement is growing over the entire country, and the good that is being done is not hard to recognize. It is a power that cannot be exerted in any other way, and we confidently expect that this will be the very best meeting for Wagner township that has yet been held. In order to be sure that it is the best, let every one begin now to make arrangements to be there. Do not think because you are not a delegate that you are not wanted. Come and be one of us and probably you can do us good, whether we can do you any or not.

The dinner is to be spread picnic style, so let every one interested in Sunday schools and their work come prepared to stay all day and make it one to be remembered in the Sabbath schools of Wagner township.

Interest is being taken in the race by the school and interested friends, and there will doubtless be a big crowd to witness it.

Miss Marie Ishell, of Walhalla, is visiting the family of J. N. Herndon. Misses Carrie Hunter, May Hamilton, Susie Bell, Stella Pincannon and others will visit Greenville Thursday.

Mrs. J. T. S. Hopkins, of the county, is visiting relatives here.

The Seneca German Club gave a dance Thursday night last, which was well attended, and greatly enjoyed by the dancing contingent.

The pleasant purgative effect experienced by all who use Chamberlain's Stomach and Liver Tablets, and the healthy condition of the body and mind which they create makes one feel joyful. Sold by Dr. J. W. Bell, Walhalla, C. W. Wickliffe, West Union.

NEW REPUBLICAN PARTY.

Movement Set on Foot and Delegates Chosen to State Meeting.

Yesterday morning a meeting was held in the Court House looking to the organization of a white Republican party in Oconee county as a branch of the proposed white Republican party of South Carolina. The meeting was very well attended, about twenty being present.

The meeting was called to order by A. C. Merrick, who stated the object, and C. E. Gray, of Westminster, was elected chairman of the meeting. O. W. Pitts, of Westminster, was elected secretary.

To-morrow the State meeting will be held in Columbia to effect the permanent State organization, and great things are expected from this meeting by the adherents to the principles and policies of the Republican party, who have come to realize the necessity of an absolute white Republican party if anything is to be accomplished so far as that party is concerned in the South. Delegates to this convention in Columbia were chosen, each having an alternate, as follows: J. H. Barnett, C. E. Gray, delegates; W. H. Cox, O. W. Pitts, alternates.

Those who lead in the movement feel that the time is ripe for the organization of a white Republican party in South Carolina. The movement over the State seems also to be no small following—greater in fact, in other sections than in Oconee. It is the purpose of the new movement, so we are informed, to organize this party on strictly white men's lines, with no negro affiliation and with no appeal to the negro vote. As it has been expressed, they wish to have two white parties, in both of which the whole people can have confidence, and for whom all can have full respect, and from such a condition they feel that great benefit will ultimately come to the State at large, not only locally, but in national affairs as well.

The meeting yesterday was harmonious, and those who attend the State meeting as delegates will return to Oconee to report the results of the larger meeting to those interested in the county organization.

The outcome of the meeting in Columbia to-morrow will be watched with interest not only by those connected with the new movement, but by those of Democratic persuasion as well. Somewhat similar movements have heretofore been made, but on these occasions the "black and tans" have gotten control of the situation to so great an extent that the "illy whites" were compelled to separate themselves from the dominant faction. This time, however, it is certain, the prime movers claim, to result in the organization of what may truly and honestly be termed a respectable Republican party, and that the respectable wing will hereafter be the controlling one.

There is no questioning the fact that such an organization will develop much greater strength than the party has ever mustered under the old regime, and to-morrow's work in the convention will be of vast interest to the general public.

AIRSHIP AND MASTERS LOST.

America II Not Heard from Since October 18th.

St. Louis, Oct. 24.—The balloon America II, the only one of the international entrants which has not yet reported as landing, passed over Thompsonville, Mich., Tuesday, October 18, according to a message received this morning by the Aero Club of St. Louis.

The America II, according to Northrop's message, followed the course of the Azura and the Helvetia. The former landed 32 miles northeast of Biscatawing, Ont., and later near Villemarie, Ont.

The receipt of the message revived the hope of the Aero Club officials that Hawley and Post are alive and now it is only a question of getting them to civilization.

Great Anxiety Felt—No News Yet. New York, Oct. 25.—Lines of searchers extending into the wilds of Canada sent no word to-day of Alan R. Hawley, and Augustus Post, who sailed in the balloon America II, from St. Louis, October 17, and have not been heard from since shortly after the start.

A Lyceum Course.

A lyceum course will be put on at Pitchford's Hall during the winter months. There will be five attractions, each one entertaining and instructive. All attractions are guaranteed to be first class.

The proceeds will be for the benefit of the Athletic and Oratorical Associations of the Walhalla Graded School. A season ticket can be had for \$2 for each adult, or \$1 for any pupil of the schools. Family tickets can be had at reasonable rates.

The first attraction will be "The Boston Lyrics," a musical trio, who will appear Wednesday, November 9.

I shall endeavor to see that the citizens of Walhalla are entertained and not disappointed by an inferior line of attractions.

I hope as many as can will take advantage of this opportunity and by so doing, help the school and its pupils.

Respectfully,
H. W. Gasque, Supt.

AN INTERESTING PROGRAM.

Interdenominational Sunday School Convention of Wagner Township.

This very interesting meeting will be held in the Lutheran church at Walhalla on the 3d of November. This is the fourth annual convention, and it is desired that it be the best yet held. Let every Sunday school in the township be represented by delegates chosen from its teachers, who will be present with pencil and tablet ready to take something back with them to their schools. There is only one other township in the county (Center) at work in an interdenominational association. Let each of us try to make ours the best, and by the good we receive in coming together to discuss our trials and triumphs, lead the other townships to follow. Be sure to elect your delegates next Sunday and send them prepared to do their part.

A cordial invitation is extended to the public to come and enjoy the good program, which follows:

Time—Thursday, November 3d, 1910, at Lutheran church, Walhalla.

9.30—Devotional exercises; enrollment of members; tabulation of reports.

10 a. m.—The Consecrated Teacher, by Rev. G. M. Wilcox.

OCONEE OR ANDERSON?

"Voter" Does Not Think Many Want to Leave Oconee.

Pendleton, Oct. 25.—Editor Keowee Courier: Our people have been and are satisfied with their condition. Each section of Pickens and Oconee is up-to-date as far as schools, churches, roads and bridges are concerned. This territory in the proposed change has more up-to-date roadways and iron bridges than any other nine miles square in the State of South Carolina, and our schools are as good as afforded anywhere.

Why should any of us listen to our near-by neighbors who wish to have us join them? I understand that a few of us have been "doing" the county out of taxes for some time, in both sections of Oconee and Pickens. Anderson as a rule plucks her taxes, and we can rest assured Oconee will get them from now on. We all understand that the only cause assigned in the petition or removal was that we could get better roads if located in Anderson. If we had been as prompt to pay our taxes as we have been to try to discredit Oconee management we could have used some of the taxes that Oconee will never get on those roads, and we could have had all this time improvements equal to any in the State. There have been a few persuaded by outsiders who never gave the proposition a thought with exception of "the glorious removal." We have considered the matter over and now see it is a mistake to go to Anderson, as we have as good regulations and accommodations in Oconee as we will get in the State.

If there is a citizen among us not content to live in Oconee, "let him take up his bed and walk" to Anderson or anywhere he may wish. I am sure Oconee is not dependent upon any who do not wish to stay within her borders. I don't think there is one among us.

After due consideration we feel that it is a shame that we have allowed the matter to come out before the public. But wise men make mistakes and change their minds; others never change. Nevertheless we are going to vote on the question, but we will remain in Oconee, and hope there will not be many who wish to leave, as they will have to pick up and go by themselves. Don't pay attention to outsiders. Consider your own freedom here in Oconee; not how proud Anderson would be of us, but how proud we are to be in Oconee.

250 Lives are Lost.

Naples, Oct. 25.—The beautiful coast of the Bay of Naples and the Gulf of Salerno and the Islands of Ischia and Procida have been devastated by a peculiar combination of the elements. The exact number of the victims has not been learned, but 250 persons are said to have been killed. The monetary loss is great.

Dr. Crippen to Hang November 8th.

London, Oct. 24.—Dr. Hawley H. Crippen, convicted of the murder of his wife, Belle Elmore, the actress, will be hanged on November 8. The date originally announced was November 15th, but to-day the sheriff advanced the day one week.
